

Initiative

The world reserves its big prizes for but one thing — INITIATIVE. Initiative is doing the right thing first.

The whole principle of Fit-Reform is initiative.

Fit-Reform created the idea of tailor-made garments, ready for service.

Fit-Reform invented and patented the Wardrobe system.

Fit-Reform told men that Fit-Reform Suits and Overcoats WERE BETTER than the average custom work—and PROVED the statement with Fit-Reform garments.

Mrs. George A. Dean.

Frances, wife of George A. Dean of Easton, went to her long home Tuesday morning February 21, at two o'clock, after suffering a few days with a light attack of grip, followed by quinsy.

The funeral took place at the home Tuesday forenoon, Rev. William Loudon officiating and the burial was made in the churchyard at Bairdsville, N. B.

Mrs. Dean was the daughter of Capt. Jacob Smith and Margaret Wilson. Capt. Smith was born on Long Island N. Y., removing to Woodstock, N. B., where deceased was born. Her age was 54 years. She leaves a husband and one son, who is now a student at Ricker Institute, Houlton, and whose classmates sent a beautiful wreath and some carnations for the funeral. She also leaves four sister, whose homes are in Canterbury, York county, N. B.

The deceased was a beautiful Christian woman, kind to the poor, and good to all, and will be sadly missed by those best knowing her womanly worth.— Fort Fairfield Review.

A Good Idea.

The Cowan Co's demonstrator is now at the store of Mr. H. G. Noble as will be seen from advertisement in today's issue and will

be pleased to supply to all who desire a cup of this Company's famous Cocoa free.

This Cocoa is absolutely pure, and apart from it containing the element of body building and sustaining, it is easily assimilated and digested by even the most delicate.

It is also most economical, a ½ lbs. tin being capable of making one hundred cups, at the cost of a ½ of a cent for each large sized cup.

From the success these demonstrations have met at other places we are confident, that Woodstock will not be behind in appreciating an article of so much value. The Cowan Co. Ltd. are the largest manufacturers of these goods in Canada and it is gratifying to know that so high a grade of goods is made in Canada by a Canadian firm for Canadians.

THE Quarterly Meeting of the Baptist churches of Carleton, Victoria and Madawaska Counties is now in session in Woodstock in the Free Baptist church. They are the guests of the Free Baptist church of Woodstock and are sitting in joint session with them.

NOTICE.

Notice is hereby given that an application will be made to the Legislature Assembly of N. B. at the next session for the passage of an act to incorporate the Advent Christian Conference of N. B. Dated at the Town of Woodstock, for the County of Carleton the 21st day of February, A. D. 1905.

He Nearly Burst.

Dr. Osler, formerly of Johns Hopkins, new regius professor of medicine at Oxford, was talking during his recent Canadian tour, about the importance of precision in the writing of prescriptions.

Whenever a sentence may have two meanings, said Dr. Osler, rest assured that the wrong meaning will be taken. Hence it is important in prescription writing, and to directions to patients, that the greatest clarity and precision be obtained.

A young foreigner one day visited a physician and described a common malady that had befallen him.

"The thing for you to do," the physician said, "is to drink hot water an hour before breakfast every morning."

"Write it down, doctor, so I won't forget it," said the patient.

Accordingly the physician wrote the directions down—namely, that the young man was to drink hot water an hour before breakfast every morning.

The patient took his leave, and in a week he returned.

"Well how are you feeling?" the physician asked.

"Worse, doctor, worse, if anything was the reply."

"Ahem. Did you follow my advice and drink hot water an hour before breakfast?"

"I did my best, sir," said the young man "but I couldn't keep it up more'n ten minutes at a stretch."

A tablespoonful of sulphur taken every other morning for a week, and then not taken again for three days, and then taken every other morning for another week, is one of the best things for the complexion. It acts like magic. It should always be mixed with molasses or something that will clear it from the system.
