The trustees are further directed to pay one thousand dollars towards a superannuation fund for school teachers, who have been or may be in the employment of the Trustees of Schools for the Town of Woodstock, for eight years and upwards; to be paid to the Board of School Trustees for said town, provided that such a fund to the extent of fifteen hundred dollars be provided by the said School Trustees within three years from the probate of this will, or if a Provincial Superannuation fund for Teachers in the Province of New Brunswick be first formed, then in trust to pay such amount into said fund, and if such superannuation fund is not formed within said three years, the said legacy of one thousand dollars will not be paid.

I. To pay the sum of twenty thousand dollars for the purpose of purchasing and procuring a suitable site (if one is not previously or in some other way provided) in the said Town of Woodstock, on the north side of the Meduxnakeag stream, and of erecting thereon a suitable building for a Free Public Library, and towards the support and maintenance thereof, and the purchase of books therefor, and this bequest is upon this express condition, that such Library shall not be kept open on the Sabbath day, and that books antagonistic to the Christian religion shall be excluded therefrom.

II. To pay the sum of ten thousand dollars for the purpose of erecting a suitable building or buildings for a Free Public Hospital in the said Town of Woodstock, and towards the support and maintenance thereof, and after the death of my wife I devise the lands and premises above devised to her for her natural life, to my said Trustees for the purposes of such hospital, and if they deem it expedient, to sell the same and appropriate the proceeds for the benefit of such hospital, then such sale may be made, if it will be to the advantage of the scheme, instead of taking and occupying the present building on said premises, which is left entirely to the discretion of the commission to be appointed with the assent of said Trustees to said sale and the said Trustees are authorized to convey the said premises to any purchaser thereof for the benefit of the said hospital.

III. As a memorial, to pay the sum of forty thousand dollars for the erection of a school building in the said Town of Woodstock, upon the present College grounds, if possible, or if that should not be found practicable, then upon a site on the north side of

the Meduxnakeag stream to be purchased by my said Trustees, to be used for Free School purposes, and when erected my said Trustees are to convey the same to the Board of School Trustees for the Town of Woodstock, to be used by them in the performance of their duties as such Trustees of Schools. It is, however, my strong desire and earnest wish, that in case of the acceptance by them of this bequest that the said Board of School Trustees do provide and maintain within the said town, a Free Night School for the benefit and education of such of the inhabitants of the said town who may choose to attend the same.

IV. I devise the land conveyed to me on the north side of Elm street in the Town of Woodstock by Robert T. Brains, for a Park, to be free to the public as a place of recreation for the inhabitants of the said town, and if the devise of the late John M. Connell to the Town of Woodstock and myself of land for school purposes, could be diverted for the use of a Park, then my Trustees may include the land hereby devised therein for such purposes.

Any arrangement may be made by my said Trustees which they may think beneficial, in regard to my interest in the Estate of the late Charles Connell, who was my brother-in-law, either by purchase of the residue and remainder of the same, or any part thereof, or by a division thereof, or for carrying on the business thereof with the other parties interested therein, or in or by any other way my said Trustees may deem beneficial to or for the interest of my estate.

I direct my said Trustees to pay to the Chairman for the time being of the Woodstock District of the Methodist Church of Canada, Two Hundred Dollars for the Sabbath School of which I so reluctantly left, and also to pay to said Chairman two years after the Probate of this Will, One Thousand Dollars for the support of Missions in the County of Carleton, or towards the Ministers' Superannuation Fund of the denomination, as said District may determine, this being a contribution as a former member of the congregation in the Town of Woodstock, and with whom I worked more than thirty years, the best days of my life, previous to an unnecessary and unfortunate separation, one great sorrow of the years of my life, and where the responsibility rests the future may demonstrate.

If there be a sufficient sum in the residue of my estate then I give Six Hundred Dollars to the Trustees of the Methodist Church in the said Town of Woodstock, for the purpose of aiding in the erection of a parsonage in connection with their said church.

If there be a sufficient sum in the residue of my estate then in trust to pay and devote the additional sum of Ten Thousand Dollars towards the erection and equipment of the Public School building hereinbefore provided for.

There is in my hands a certain amount reserved by me at the dissolution of the society formerly existing in said Woodstock called the Philharmonic Society, of which I was president, and it is my wish that my said Trustees allow this sum to accumulate until such time as they may see fit and then pay over the same for the benefit of the Free Public Library hereinbefore provided for.

After providing for all the foregoing schemes, payments and legacies, and for all of those hereinafter contained, if the residue of my said estate does not exceed the sum of twenty thousand dollars, then my said Trustees are to appropriate and pay the said residue towards the promotion of the several schemes hereinbefore provided for, numbered one, two and four, providing severally for a Free Public Library, Public Hospital and Public Park, in such sums and proportions towards the several schemes and at such times and under such terms and conditions as to my said Trustees may seem meet, but if the residue of my said estate, after providing for all the schemes, payments and legacies hereinbefore and hereinafter contained does exceed the sum of twenty thousand dollars, then in trust to appropriate and pay the whole of the said residue for the foundation, establishment, support and maintenance of a Free Manual Industrial Training, Technical and Art School or Schools in the said Town of Woodstock for the benefit of the inhabitants and residents thereof and of the said County of Carleton. If the Municipality of the said County give such aid as the commission to be appointed to control the said scheme and the said Municipality may agree upon, and in which said School or Schools, if it be convenient or practicable, there may be a department devoted to the teaching of Agriculture.

The following paragraph is taken from a codicil dated September 1903:

I hereby strike out of my will the word "not" on the sixteenth line of the nineteenth page thereof.

After the death of my wife my said Trustees mentioned in the said will are to pay the sum of ten thousand dollars for the erection of a suitable building, and, if necessary, for the purchase of a suitable site therefor, for the use of the Manual Training Department at present maintained by the Board of School Trustees for the Town of Woodstock, and for the use of a Household Science Department to be created and maintained in connection with the Free Public Schools of the said town, and toward the furnishing and equipment of the same, and if necessary towards the expense of maintaining the same in operation for one year, and if the said sum of ten thousand dollars be not sufficient, in the opinion of my said Trustees, for the purposes aforesaid, then in trust to pay such further sum towards the furtherance of the said departments and for the equipment and maintenance thereof as to my said Trustees shall seem reasonable.

Accidental Death of Jonathan Bridges.

A sad accident happened at Aroostook Junction last Thursday resulting in the death of Jonathan Bridges.

Mr. Bridges was driving a team of spirited horses across the railroad track when by some means he was thrown from his seat and received such injuries that he lived only a short time. Some section men who were passing on a hand car saw the injured man and picked him up but he lived only long enough to say a few words.

Mr. Bridges who was one of the most prosperous farmers of Victoria County, was the eldest son of James Bridges of Gordonsville, Carleton County, and was between forty and forty-five years of age.

He leaves a wife who was a Miss Estabrooke of Rockland, and two small children. There also survive, his father, who made his home with him, two brothers Wasson of Gordonsville and Theodore of British Columbia, and four sisters, Mrs. Estabrooke of Minnesota, Mrs. Laskey of Rockland, Mrs. Scott of Boston and Mrs. H. W. Beveridge of Andover.

Mr. Bridges was a man of sterling character and had many friends in this county where he was very well known. For some years he purchased produce for David L. Pitt at Woodstock and for a while he bought for H. H. McCain at Florenceville. The bereaved family have the sincere sympathy a large circle of friends and acquaintances.

The funeral was held under the auspices of the Orange order. The services were conducted by the Rev's R. W. Demmings, Beathe and Squires. Alter service at the house the remains were taken to Florenceville for interment accompanied by a number of Orangemen. They were met at the station by a large number of people including a large representation from the Orange Lodge, and the procession proceeded to the cemetery where the burial service was read and interment took place.

Of Interest to Methodists Throughout the County.

An important Convention is to be held in the Methodist church here on Wednesday next, Nov. 8th, afternoon and evening sessions. Rev. Dr. Crews, general secretary of the Epworth League and Sunday School work of the Methodist church of Canada and Rev. F. C. Stephenson, M. D., of the Mission Rooms Toronto are to be the chief speakers. A special musical program is being prepared for the convention, and the day will be a profitable one. It is hoped that every church in the Woodstock District will take the trouble to send one or more delegates to the convention. The afternoon session will open at 2.30 and the evening session at 7.30.

Changes in Staff of Royal Bank.

C. R. CREIGHTON who has handled the discounts in the Royal Bank for some time left on Friday evening for the Sydney branch. Ralph Waite who has been teller leaves next week for the head office at Halifax and his place will be taken by Mr. Hamilton who will come from Sydney for that purpose.

A Snake Story.

Fay Rodgers, son of H. W. Rodgers, of Northampton, has a snake story that beats anything we have heard this season. Last week he shot a partridge and in its crop he found a field snake eighteen inches long. The snake was dead but was in perfect condition and bore no marks of a contest with the partridge.

BABY'S AWAKENING.

It ought to be a pleasure to look forward to baby's awakening. He should awaken bright, smiling and full of fun, refreshed by sleep and ready for a good time. How many many parents dread their child's voice, because they know when he awakes he will cry and keep everyone on the move until he falls asleep again from sheer exhaustion. These crying fits make the life of the inexperienced mother a torment. And yet baby is not crying for the fun of the thing—there is something wrong, though the mother may not see anything ails the child. Try Baby's Own Tablets in cases of this kind, and we venture to say baby will wake up happy and smiling—and altogether different child. Here is proof from Mrs. John S. Southerland, Blissfield, N. S., who says:—"My baby was cross, and often kept me awake half the night before I got the Baby's Own Tablets for her. Since I began giving her the Tablets, she is perfectly well, sleeps soundly all night; and wakes up bright and fresh in the morning." Baby's Own Tablets are a safe medicine for children of all ages. They cannot do anything but good. You can get them from your druggist, or by mail at 25 cents a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.
