She has been laboring in the Island Empire of Japan for the past fourteen years. Miss Robertson possesses a fine presence and speaks clearly and impressively.

THE LORD MAYOR of Birmingham, at the annual meeting of the Children's Emigration Homes, said the report, as usual, gave evidence of a success which was mainly due to continued watchfulness of those friends in Canada who looked after the children there. Lieutenant-General Phelps said the children, from being to a certain extent undesirable in Birmingham, when they come to cross the sea, become eminently desirable people in Canada. Mr. Middlemore, M. P., proposed a cordial vote of thanks to the friends in Canada who had rendered such valuable services to the homes, especially to the committee at Fredericton and Lieut. Colonel D. McLeod Vince, of Woodstock, N. B.

Prescription Value

The value of a prescription depends wholly on the curative power of its ingredients. The action of good drugs may be impaired by improper compounding, while poor drugs will of course defeat the intention of the physician.

Here prescriptions are compounded from drugs of known purity and potency and by graduate pharmacists of ample experience.

Proper results are assured, your interests are conserved in every way, while the cost is always reasonable and alike to all.
