

THE WOODSTOCK DISPATCH.

CHARLES APPELBY, Editor and Proprietor.

WOODSTOCK, N. B., AUGUST 9, 1905.

The Past Week.

The Czar has made arrangements for the purchase of the entire Swiss navy. With this increase Russia will be a colossal sea power.

What is probably the finest fighting squadron afloat left Gibraltar on Tuesday for Canada. Prince Louis of Battenberg, son of Princess Beatrice, is in command. The squadron will make its first stop at Quebec.

A settlement has been made with Mrs. Chadwick's creditors. They will have \$14,500 to divide among them. The dashing lady only owed a little over \$200,000. This is what might be called an "equitable" settlement.

On Friday DeWitt, the Senior Russian plenipotentiary, told a reporter for the New York American that he could cable his paper that Russia must be prepared to continue the war. It looks like preparing for the impossible.

The G. T. P. Company has asked for tenders for the construction of 275 miles of the main section of the railroad west of Portage La Prairie. The contract will be let by September. Tenders haven't been invited for the construction of the eastern section just yet. Those Halifax journals that sounded the trumpet of warning that the Nova Scotia members could resign in a body have evidently been called off. Halifax seems to have discovered that it isn't the whole province of Nova Scotia.

On Thursday night last Miss Eugenia Moriarity of Cincinnati set the pace for lovers' maidens by blowing out the side of the dwelling where her faithless lover lay calmly sleeping. On Friday morning Miss Jean Hooker of New York, while hanging out her bathing suit, fell four storeys, struck on a clothesline and alighted on her feet. On Saturday morning she signed a contract to appear during the winter in the heart-interest play, "The Dangers of the Great City." On Monday evening Miss Moriarity appeared in the emotional drama, "When Women Love." The United States is a great country.

Keep Children Well.

If you want to keep your children hearty, rosy and full of life during the hot weather months, give them an occasional dose of Baby's Own Tablets. This medicine will prevent all forms of stomach and bowel troubles which carry off so many little ones during the hot summer months, or it will cure these troubles if they come on unexpectedly. It is just the medicine for hot weather troubles, because it always does good, and can never do harm, as it is guaranteed free from opiates and harmful drugs. It is good for children at every stage from birth onward, and will promptly cure all their minor ailments. Mrs. J. J. McFarlane, Aubrey, Que., says:—"My baby was troubled with colic until I gave him Baby's Own Tablets, and they promptly cured him. Now when he is a little out of sorts, I give him a dose of Tablets, and they promptly bring him back to his usual health." You can get the Tablets from your druggist, or they will be sent by mail at 25 cents a box by writing The Dr. Williams Medicine Co., Brockville, Ont.

Mrs. Maggie A. Boyer.

Mrs. Maggie A., wife of James W. Boyer, died at 11 a. m. Wednesday morning August 2nd at her home 30 Belfast ave., Augusta, Maine, after a two weeks illness of peritonitis. Her age was 37 years. A husband, four children, father, mother, six sisters and two brothers survive her.

Funeral services were held at 3 o'clock Friday afternoon at the State St. Free Baptist Church in the presence of many relatives and friends. Services were conducted by Rev. Malvy Kevruey. Many floral tributes were presented by friends of the deceased. The interment was made in Mt. Pleasant cemetery.

Mrs. Boyer's maiden name was Maggie Holmes. She was born in Jacksonville N. B. and lived there a number of years.

Press Note for September Designer

Clothes, jackets, street and house costumes for ladies and young folks are shown in THE DESIGNER for September, and a special article illustrates and describes "Costumes for Grammar and High-School Scholars." "Points on Dress-making" tells how to line a jacket, and the Millinery Lesson instructs how to make bonnets for elderly ladies. "Chinese House-keeping" is interestingly described by Laura B. Starr; and Bertha Hasbrook in "In the Interest of Bread-Winning" series advises "Catering" as a lucrative business. Mary Kilsyth gives suggestions for "The Modern Bed," and Craig S. Thoms writes of "Taming Squirrels." "Mothers' Work and Workers" is contributed by Jane A. Stewart, and Caroline Fuller, author of "The Alley Cat's Kitchen," supplies a droll little story, "The Purr Pass and the Spit Cat." In amusements there are a drill, "The Harvesters," and many other plans for home entertainment. "The Son of Elizabeth," by Celia E. Shute, is a short story for adults, and "Miss Ginter," a most clever continued story, is concluded in this number. "Decorative Uses for Blue Print Cloth," "Lace Collars," "Crochet," and "Netting" provide plenty of occupation for the fancy worker, and "Catchups and Pickles" and "The Savory Tomato" give suggestions for appetizing eatables.

The Town Council.

The town council held its regular meeting on Monday evening. His Worship Mayor Jones was in the chair. Only Councillors Henderson, McManus and Leighton were present.

The petition of J. S. Pickle asking for a rebate of six years' school taxes was read and referred to the Finance Committee.

A communication from the Board of School Trustees was read asking the sanction of the council in issuing bonds for \$800.00 for the purpose of repairing the Broadway school building. The sanction of the council was given.

The appointment of revisors for the Town of Woodstock was deferred until the next meeting of the council.

A special committee, consisting of Councillors Nicholson, Leighton and Henderson, was appointed to investigate certain complaints that had been made to the council relating to the conduct of the Chief of the Fire Department.

Marcellus Ryan's bill for supplying a team to haul the fire engine at the Carnival of 1904 was ordered to be paid.

A lively discussion took place between His Worship the Mayor and Councillor Leighton over some bills that had been contracted by the Fire department in connection with this year's Carnival. Councillor Leighton presented these bills and asked that they be referred to the Audit Committee, but Mayor Jones contended that as they would not be paid at any rate, since a grant of \$50.00 had been made to that department for Carnival purposes, it was useless to refer them to any committee. He concluded by declaring that any motion having such reference as its object was entirely out of order.

The Council then adjourned sine die.

Neale-Hanson.

The home of Mr. and Mrs. O. T. Hanson, Richmond, was the scene of a charming wedding on Wednesday afternoon at three o'clock, August 2nd, when their eldest daughter, Pearl Parks, became the bride of Mr. Donnel J. Neale, of Augusta, Maine.

Flowers, ferns and wreaths of evergreens lent themselves graciously toward making the house pretty and sweet. The corner of one of the parlors was banked with maiden-hair ferns and roses, above was suspended a wedding-bell formed of evergreens and sweet peas, its clapper formed of a single white flower, under which the bridal party stood. The ceremony was performed by the Ven. Archdeacon Neales.

The bride was given away by her father and was attended by her sister Miss Claire Hanson, who was prettily dressed in pink silk crepe de chene, she carried a bouquet of sweet peas and maiden-hair ferns.

The groom was supported by Mr. Lyons of Houlton.

Miss Hanson looked charming in a gown of white silk persian lawn with a deep yoke of silk lace, her bouquet was of bride's roses. After refreshments were served Mr. and Mrs. Neale drove to Houlton, where they took the train for their future home in Augusta Maine.

The presents were costly and numerous showing the high esteem in which the young couple are held by their many friends. From her parents she received a generous check. The groom's present to the bride was a gold chatelaine watch, and to bridesmaid a ring with a ruby and diamond setting.

Miss Hanson was one of Richmond's most popular young ladies and will be much missed both socially and in her church, where she was an active member.

AILING WOMEN.

Gain Health and Strength Through Dr. Williams' Pink Pills.

Bloodlessness is the surest starting point of consumption. When your blood is thin and weak and watery your whole health declines. Your face grows pale, your lips and gums white, your appetite fails, and your heart jumps and flutters at the least excitement. You have frequent attacks of headache and dizziness, and sometimes fainting spells. You are always weak and wretched and lose heart in everything. These are the sign posts of consumption, and you may easily slip into a hopeless decline if you do not build up your blood with Dr. Williams' Pink Pills. They actually make new, strong, rich, red blood, which brings back your rosy cheeks, your hearty appetite, your strength energy and general good health. Here is strong proof from Mrs. Samuel Behie, wife of a well known merchant and contractor at Sheet Harbor, N. S. Mrs. Behie says: "Some years ago I became so run down and distressingly weak that life seemed not worth living. I had a bad cough, was tired out at the least exertion and was unable to do even light housework. I had the best of medical aid and medicines, but did not get and benefit, and grew so seriously ill that I was at last confined to bed, and my friends thought I was in a decline. My cough grew worse and I despaired of getting better. My husband then brought me Dr. Williams' Pink Pills, and to my joy they soon began to help me. Gradually my strength returned, my appetite improved, and the cough left me, and day by day I grew better until I was again a well woman. I have since had perfect health, and when I compare my condition now with the state I was in when I began taking Dr. Williams' Pink Pills, no one need wonder that I am enthusiastic in praising this medicine."

Cases of this kind can only be cured by filling the veins with new rich blood, and every dose of Dr. Williams' Pink Pills make rich health-restoring blood, which goes right to the root of the disease. That is why these pills cure every-day ailments like anaemia, heart troubles, indigestion, nervousness, headaches, and backaches, neuralgia, kidney troubles, rheumatism, erysipelas, and the special ailments of womanhood and girlhood. All these troubles are rooted in the blood, and Dr. Williams' Pink Pills is the only medicine that actually make new blood. Common medicine cannot do this, so you should insist upon getting the genuine pills with the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. If in doubt send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be sent by mail at 50 cents a box or six boxes for \$2 50.
