Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

A Young Canadian Violinist.

The London Times of July 19th announced that "Miss Kathleen Parlow had the honour of playing upon the violin before the Queen and the Royal Family." Miss Parlow is a Canadian girl; her mother was Miss Minnie Wheeler of Florenceville, who went

to Winnipeg some years ago where she married Mr. Parlow.

Speaking of Miss Parlow, the London Times says, "Very rarely indeed have we heard a tone of such volume, even in an artist of many years standing, and there is no sign of forcing it, so that its quality is generally beautiful. Her intonation, too, is immaculate, and her technical equipment sufficient to meet the difficulties of Bach's prelude from the unaccompanied suite in E and Bruch's D. minor concerto, not to mention Beethoven's Romance in G. Her magnificent tone will take her far." Miss Parlow is still in her teens.

Farm Laborers Excursions 1905.

Latest advices received to date show that the Wheat crop of Manitoba and the Canadian Northwest will exceed that of past seasons; consequently, a greater number of laborers than usual will be required to assist in Harvesting.

A Farm Laborers Excursion will be run from points in Cape Breton and Nova Scotia, East of New Glasgow Aug. 18th. From all other points in Nova Scotia, and from points in New Brunswick and Prince Edward Island Aug. 19th. One way second class tickets to Winnipeg will be sold from coupon ticket stations. The rate from points on C. P. R. lines in New Brunswick will be \$12.00 going, and \$18.00 returning. From points on I. C. R. lines in New Brunswick and Nova Scotia, also from points on the D. A. R. the rates will be \$13.00 going—\$19.00 returning. From points on the P. E. I. Railway the rate will be \$13.50 going—\$19.50 returning. Tickets will be sold to female as well as to male laborers. Tickets will not be sold at half rate to children.

With each ticket purchaser will be given a Farm Laborers Verification Certificate, and an extension coupon. At Winnipeg the special trains will be met by farmers, and by representatives of the Manitoba Government. Laborers will engage at Winnipeg, and on presentation of extension coupon signed by a farmer stating that the holder has engaged to work for him as a Farm Laborer, ticket agent will issue free ticket from Winnipeg to C. P. R. station nearest the point where Laborer has engaged to work, and on arrival at such station Laborer must deposit the Farm Laborers Verification Certificate with the C. P. R. agent. If anyone has made prior arrangement to work with friends, or with some farmer with whom they worked previously, they will be issued free ticket as above, and may check their baggage through from starting point to C. P. R. station nearest the point of work, provided such point is not beyond Moosejaw, Yorkton, or Estevan, as free tickets will not be issued, nor baggage checked to points beyond these stations. After laborer has worked for at least thirty days, and has certificate signed by the farmer with who he has worked, such certificate will be honored prior to Nov. 30th for a ticket to return to starting point on payment of the return rate shown above. 150 lbs baggage, wearing apparel only, will be allowed on each ticket, and each piece of baggage checked should bear the name of the owner, and show their permanent address. It will be readily understood that some difficulty will be experienced in handling some thousands of Laborers to one station, and some delay may occur in the delivery of baggage.

Therefore, when possible, baggage should be carried in hand grips, and these passengers should take in the cars with them. They should not be checked. It is expected that special passenger trains (particulars to be announced later) for the accommodation of Laborers will be run on the main lines, and tickets will not be accepted on regular trains. All further information will be supplied on application to Mr. F. R. Perry, D. P. A., C. P. Railway, St. John N. B. and intending excursionists should notify nearest ticket agent at once.
