A LARGE number of young men from Carleton County passed through town on Saturday evening on the harvesters' excursion for the West. Last Thursday afternoon Mrs Andrew Currie of Richmond ably assisted by her daughter, Miss Clara and Dr. Ross Currie entertained a large number of her friends by a picnic and chicken stew at Jackson's Falls. A goodly number of townspeople, knowing full well in advance, that a good time was ahead of them, drove out in a buckboard and several double seaters of Duncan Johnson's. Those on the buckboard were: Mrs. John Graham, Mrs. H. Seeley, Mrs. Thompkins, Mrs. Stevenson, Misses May and Trixie Augherton, Miss E. Everett, Miss May Thompkins, Miss Sharkey, Messrs James Astle, Sabine Carr, Harry Wilson, Dr. Thompson and Capt. Bull. In the other carriages were Mrs. John Loane, Mrs. H. After doing ample justice to the stew which was served at 6 o'clock several games were indulged in. A very interesting feature was the young ladies race for a pound of choclates, won by Miss Currie, also the old men's race for a box of cigars, won by Mr. Currie. The party went by way of the Connell road and Brigg's Mills and returned by way of Red Bridge and Richmond Corner, calling at Mrs. Currie's and having some delicious ice cream. The party arrived home about 11.30, after a most enjoyable outing.

Minto to take Curzon's Place.

London, Aug. 20—The resignation of Lord Curzon of Kedlestone as viceroy of India and the appointment of the Earl of Minto as his successor was announced at the Indian office tonight. According to the correspondence which is issued in the form of a white book, it appears that Lord Curzon's resignation was cabled to that office on August 12. The correspondence shows a decidedly bitter feeling between Lord Curzon, the Indian office and Lord Kitchener, commander in-chief of the forces in India, over the scheme of army administration in India. Lord Curzon's disatisfaction came to a head with the refusal of the cabinet to appoint Major-General Sir Edmund Barrow on Lord Curzon's recommendation, military supply member of the council.

When one side is slightly worn, just use the other side. Simple, isn't it?

But what a boon to collar wearers. Both sides are made and stamped identically the same, so that it doesn't matter one jot which the laundryman irons.

Double wear collars come in the newest and most fashionable shapes, and what is most important of all will give twice the service and wear of an ordinary collar. They cost not a penny more. We have the sole control of these collars for this town.
