

THE WOODSTOCK DISPATCH.

CHARLES APPLEBY, Editor and Proprietor.

WOODSTOCK, N. B., OCTOBER 11, 1905.

NEWS FROM THE COUNTY.

Centreville.

The Agricultural Show was a very successful affair in many ways, but more especially from a financial point of view nearly five hundred dollars being realized over half of which was from gate receipts alone. The exhibit of farm stock was not as large as at some other time but the grain and vegetable exhibit was quite extensive, about forty different varieties of potatoes alone. Beets and carrots had a very good showing. Apples were large and of good flavor as many present could testify. A very nice team harness attracted much attention and was awarded a first prize. C. M. Sherwood had a very large assortment of house furnishings on show and his exhibit was very tastefully arranged and there is no doubt that his increased sales will amply repay him for all the trouble and expense in its preparation.

Why He Could Not Pay.

A local barrister has received the following letter from a customer of a big wholesale house that placed an account in his hands for collection:

"My Dear Sir,—Absence from the city prevented me writing an answer to yours of recent date.

"It will be utterly impossible for me to settle the claim you mention at present, for the very simple but good reason—I haven't got it.

"I have simply been initiated into the Lodge of Sorrow, Hard Luck Chapter, Fool Division No. 69.

"My picture, hanging crape-laden in the Hall of Fame, bears the legend, 'Sucker No. 33876234.

"My motto is, briefly, 'I would if I could but I haven't; so I can't.'

"Fortune may smile, but up to the present time it has given me the laugh. I have hopes. Sincerely,"—London Free Press.

SUFFERING WOMEN.

Find Health And Strength in Dr. Williams' Pink Pills.

"I consider Dr. Williams' Pink Pills a most marvellous medicine," says Mr. Louis Turcott, 66t Papineau street, Montreal. "They restored me health and strength, when I was in a most hopeless condition, and almost despaired of recovery. My trouble began a few years ago, when I passed through a severe illness, from which I did not regain my accustomed health and strength though I had the very best of care and treatment. I seemed to grow weaker every day. I was pale and emaciated, had no appetite, could hardly go about, and found my life almost a burden. It seemed as though my blood had turned to water, and my nerves seemed completely shattered. All the time I was under medical treatment but with no apparent benefit. One day a friend who called to see me, brought me some Dr. Williams' Pink Pills, and asked me to take them. I did so, and after a couple of weeks I found my appetite improving. And took this as a sign that the pills were helping me, and I got another supply. In a few weeks more the change in my appearance and condition was marvellous, and friends who dropped in to see me, hardly thought I was the same person. It was not much longer until I was completely cured, in fact felt better than I have done for years before. I am, therefore, very happy to make known to all ailing women the fact that they can find new health through the use of Dr. Williams' Pink Pills."

Mrs. Turcott's experience with this medicine is the same as thousands of others. Dr. Williams' Pink Pills are the greatest cure for the ailments due to poor blood. All the weakness of anaemia; all the distress of indigestion; all the pains and aches of neuralgia sciatica and rheumatism; all the misery and ill-health that women suffer from time to time, come from bad blood. And Dr. Williams' Pink Pills cure these troubles, because they actually make new, rich, health-giving blood. They don't act upon the bowels, they don't bother with mere symptoms; they go right to the root of the trouble and cure it through the blood. But you must get the genuine—substitutes and imitations never cured anyone. See that the full name "Dr. Williams' Pink Pills for Pale People" is printed on the wrapper around the box. Sold by medicine dealers everywhere, or sent by mail at 50 cents a box or six boxes for \$2.50, by writing The Dr. Williams Medicine Co., Brockville, Ont.
