Carleton County Wheat Best in the World.

It is not generally known that Carleton County can raise the finest wheat in the world, but such is the fact. Charles A. McCormack of Somerville has proven this. At the time of the Paris Exposition in 1900 Mr. McCormack, like many other farmers, received from the Agricultural Department at Ottawa a circular letter inviting him to send a certain quantity of wheat-heads to go along with the Department's exhibit at Paris. The following winter he received word that he had been awarded the grand prize—a diploma and gold medal. The following year the great Colonial Exposition was held at Glasgow and Mr. McCormack's wheat was exhibited there where it likewise captured the grand prize. Thus Carleton County wheat was adjudged to be the finest in the world at Paris and at Glasgow was considered superior to that grown in any part of the vast British empire. This matter is late getting into the papers but is a fact none the less interesting.

The Markets.

There is always something doing in produce at this time of the year, but things at Hartland would be a little more lively if there were good snow roads. Dressed meat and poultry is more in evidence than anything else. Prices this week range as follows: Hay, pressed, \$6.00. Oats, 32c. to 33c. Potatoes, \$1.10. Buckwheat, 40c. Buckwheat Meal, \$2.00. Butter in tubs or rolls, 20c. Eggs, 20c. to 22c. Dressed Pork, 7c. Chickens per pound, 8c. Fowls per pound, 7c. Geese and Ducks per pound, 9c. Turkeys, none. Dressed Beef, 4c. Hides, 7c. Tallow, Lard. At J. T. G. Carr's the retail prices for staples are:—Standard granulated sugar, 20 pounds for \$1.00; choice Porto Rico molasses, 45c. per gallon; best grades of flour, \$6.00.

The rooms in the Commercial Hotel building formerly occupied by the Hartland Advertiser are now fitted up for sample rooms for which they are admirably adapted.

George S. McLauchlan has issued posters signifying his intention of beginning the publication of a small newspaper to appear in the near future. It is to be a 10x13 four page paper, but the name is not yet announced.

The Misses Thornton, determined to sell out their whole stock, have cut the prices in halves. Look up their advertisement. Call and see their 25 and 35 cent hoods and caps; also the fur trimmings at 10 cents per yard, in grey and white.

The Harvest Thanksgiving service (Church of England) in Burt's hall on Sunday morning was well attended. The hall was tastefully decorated with "the fruits of the harvest" and a special choir rendered excellent music. The sermon, eminently adapted to the occasion, was forceful and earnest.

First District United Baptists.

The first meeting of the First District of the United Baptist Churches, which includes Madawaska and Victoria Counties, and the two parishes of Kent and Wicklow in Carleton County, was convened in the Free Baptist church at Lower Perth on Wednesday last at two p. m. The convener, Rev. L. A. Fenwick of Bath, called the meeting to order and stated its purpose which was for organization. Rev. Mr. Bell was elected president; C. J. Green, Treasurer, and F. C. Bloodsworth, Secretary. A committee was appointed to consider a plan of grouping the churches in the district. They recommended that the churches should be grouped as follows, each group to form a separate pastorate:—

1. Riley Brook, Dow Flat, Foster Cove, Sisson Ridge, Piaster Rock.
2. Arthurette, Forest Glen, Rowena, Birch Ridge, South Tilley.
3. Grand Falls, St. Leonards, Ortonville, California and Gillespie Settlement.
4. Andover, Carlingford, Lower Perth.
5. Tracy Mills, Upper Knoxford, Lower Knoxford.
6. Wicklow, River de Chute, Beaconsfield.
7. Bristol, Bath, Beechwood, Upper Kent, Mineral.

This after being considered by the assembly was unanimously agreed upon, but it was decided that the new arrangement should not come into full effect until next June, as it would interfere with present arrangements, and would leave some groups without a pastor. The next meeting will be held at Andover in June.

MISERABLE NIGHTS.

Nothing so demoralizes an infant and enslaves the parents as to take a cross or wakeful baby from the bed and walk him up and down the floor during the night. The baby cries because it is not well—generally because its stomach is sour, its little bowels congested and its skin hot and feverish. Relieve this and baby will sleep soundly all night, growing stronger and better every day. Just what mothers need to keep baby healthy and make him sleep soundly is Baby's Own Tablets, which cure all stomach, bowel and teething troubles and thus promote natural health-giving sleep. Mrs. Wm. Holmes, Daere, Ont., says: "My baby was troubled with sour stomach and was constipated most of the time, and was always cross and restless. I gave him Baby's Own Tablets and found them a complete success and would not now be without them." You can get Baby's Own Tablets from any druggist, or by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Brockville, Ont.

COLD WEATHER MEANS

Cold in the Head, Cold in the Lungs, Sore Throat, Cold Feet.

For the last mentioned do as your grandmother would direct—wear woolen socks.

For the throat trouble the same authority would probably advise tying on the sock.

We would advise Magnetic Insoles and Magnetic Gargle.

Whatever you may decide regarding the treatment of these troubles, there is no question that for cold in the chest Knoxcold Tablets are without a rival, and for cold on the lungs the tablets used in combination with Magnetic Cough Balsam, will give immediate and permanent relief.
