OF all the great American plays, the old historical drama, "Uncle Tom's Cabin," has the strongest hold on the people. It is beyond question one of the best plays ever written, hence the warm place it retains in the hearts of people of every clime. The greatest production that this American classic has ever had will be given at the Opera House on Wednesday Nov. 22 under the management of Leon W. Washburn. Watch for the big street parade.

MILES FAWCETT of Woodstock Parish bought 5 bushels of seed wheat of Mr. Fripp last spring, which he sowed on 3 1/2 acres measured. Mr. Fawcett thrashed the crop last week, and it turned out 70 bushels of good wheat, an average of 20 bushels to the acre. Mr. Fawcett took a grist of 18 bushels to be ground and upon bringing grist home was agreeably surprised to find he had 5 barrels of choice good flour, perhaps Mr. Fripp forgot to take his toll which he is not accustomed to do. We think Mr. Fripp should be patronized for seed wheat as well as milling.—Com.
