A very pretty wedding took place in the Methodist church at Bloomfield on Tuesday evening, July 11th, at 7 o'clock, when Ethel J. third daughter of W. J. Williamson was united in marriage to J. Bernard Black, of the same place. The church was filled to overflowing with friends and relatives to witness the ceremony which was performed by the Rev. E. C. Turner, pastor of the Methodist church, Bloomfield. The groom was attended by his brother, Clarence Black, and Miss Pearl J. Williamson, sister of the bride, acted as bridesmaid. The bride was given away by her father. She looked very pretty as she entered the church on the arm of her father. The wedding march was played by Miss Mary Fowler, of Lakeville.

The bride was becomingly attired in white, trimmed with lace and ribbons and carried a bouquet of bridesroses and maidenhair fern, while the bridesmaid was gowned in white and carried a bouquet of carnations and roses.

The church was beautifully decorated for the occasion with evergreens, ferns and potted plants. After the ceremony the happy couple amid showers of rice and good wishes for their future happiness drove to their home in Lower Bloomfield, where they will reside for the present.

Mr. Black is a young and prosperous farmer of Bloomfield. We all join in wishing them a long and happy wedded life.

## Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
