Mr. Baird returned home on Saturday from Ontario where he has spent the last two months.

Harold Waite returned to Woodstock last week.

Fred Baird left last Monday to resume his studies at McGill, Montreal.

Walter Townsend spent last Sunday in Andover.

Walter Moore, St. Stephen, was in town last week.

Centreville.

Last Thursday night ice formed here a quarter of an inch thick and any vegetation that frost would injure did not escape.

J. W. Cheney and party secured a large moose last week. The head was a beautiful one with a spread of horns of fifty inches.

Another party started last week but as yet no tidings of any catch has been reported.

Dr. Green will act as guide to a party this week and as the Dr. is a hunter of much experience the party are reasonably sure of something worth all the effort.

Some time ago it was said there would be a contest in this parish for the County Council but it is to be hoped that no such thing will take place as in the first place the present councillors are fully alive to the interest of their parish and in the next place it is quite certain that no new man would be successful in the contest with them and to avoid the expense and loss of time it would be better not to have a contest.

Mr. James Clark is recovering slowly from his recent illness.

H. T. Scholey is reported to be quite indisposed.

East Florenceville.

A crew of sportsmen from Lakeville and Centreville passed through here Saturday with a moose. Spread of horns 52 inches.

DEADLY ANAEMIA.

Leads to Consumption Unless Promptly Cured.

Many a young life might be saved from consumption if simple anaemia were promptly treated. Anaemia is the doctor's name for weak, watery blood. When the blood is in this condition the lungs have no strength. The whole system begins to break down. Then the growing girl slips slowly into decline, until at last the cough starts and her doom is sealed. Dr. Williams' Pink Pills can cure all weak, anaemic people without doubt or difficulty. They actually make new, rich, health-giving blood—they cure anaemia and prevent consumption. This has been proved in thousands of cases. Mrs. Edward Cochran, Merriton, Ont., says:—"Dr. Williams' Pink Pills cured my daughter Matilda, when I felt that her case was almost hopeless. For more than a year she was a sufferer from anaemia. She gradually grew weak, was subject to violent headache, and dark circles appeared under her eyes. She was melancholy, had no appetite and complained of being constantly tired. At different times she was treated by two doctors, but with no improvement. As her case progressed, she was attacked by violent palpitation of the heart, and a suffocating shortness of breath. She had a deathly pallor, took cold easily, and continued to decline in weight, until I felt that she was in a hopeless decline. At this time my attention was called to Dr. Williams' Pink Pills, and I began giving them to her. She had not been taking the pills many weeks when her appetite was improved, and this was the first sign that they were helping her. She continued the pills until she had taken eight or nine boxes, when she was again the picture of healthy girlhood. Every symptom of her trouble had disappeared, she has increased in weight, and is strong and robust. Her recovery is looked upon as marvellous, for the doctors thought her case hopeless."

Dr. Williams' Pink Pills will cure any case of bloodlessness just as surely as they cured this case. The pale, anaemic need only one thing—they make new, rich, life-giving blood. That is why Dr. Williams' Pink Pills cure all common diseases like anaemia, headaches and backaches, indigestion, kidney trouble, palpitation of the heart, neuralgia, nervous troubles, and those special ailments that make the lives of so many growing girls and women miserable. Be careful to get the genuine pills with the full name Dr. Williams' Pink Pills for Pale People on the wrapper around each box. If in doubt, send direct to The Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be sent by mail at 50 cents a box, or six boxes for \$2.50.

town by Mr. Thompson. He is located in the Burnham store just above B. F. Smith's.

Elmwood.

Mr. Alex Carson has one of the best orchards in this section of the country. His trees are well loaded with an excellent quality of fruit this year.

A few of the farmers here have recently installed a local telephone line. The system is giving perfect satisfaction with prospects for an early extension.

Some of the people here have taken up amateur photography. It is a source of amusement and satisfaction.

A number of friends and relatives from New England and elsewhere have been sojourning with us during the summer months.

Some of our people have taken up their residence in Woodstock and among the most prominent of these may be mentioned A. S. Benn of the Massey Harris Co. and Mrs. B. Doyle residing on Park St.

Our school at present is in charge of Miss Barton. This young lady seems to be giving excellent satisfaction to both old and young.

Martin and Flemming who have been well drilling through Richmond intend to send their machinery to McAdam Jct., where they have secured some large contracts.

Miss Clara Carson is teaching at Union Corner.

A Fair Deal.

A Southern congressman tells a story of an old negro in Alabama who, in his bargaining, is always afraid that he may get "the worst of it." On one occasion, it appears, this aged darkey went after a calf that he had pastured all summer, and asked what he owed for his pasturing.

"I have a bill of \$10 against you," said the farmer, who had undertaken the care of the animal, "but if you are willing, I'll take the calf and call it settled."

"No, sah!" promptly exclaimed the negro, "I'll do nothing like dat. But," he added, after a pause, "I'll tell you what I will do—you keep the calf two weeks longer and you can have it."—[Harper's Weekly.]

Winter Night's Reading.

Just now, when our readers are considering the question of their reading for the fall and winter months, it seems opportune to call attention to The Weekly Globe and Canada Farmer, the leading illustrated family newspaper of Canada. Each week it gives all the news in an easily accessible form, and includes a beautifully illustrated magazine section. Its able editorials have high literary quality, and summarize current public opinion. Its agricultural, commercial and home-makers' departments are carefully written, and supply valuable information for the farmer and his household. Its stories, leisure hour reading, and special topics for children and young people make it a welcome visitor to the family circle. Its page of selected western news appeals to all who are interested in the growing west. In brief, the history of The Weekly Globe and Canada Farmer, covering a period of over sixty years, together with its high character, interest and value to readers of all ages, make it one of the greatest and most popular family newspaper published in Canada.

THE FLEURY PLOW

There never has been a plow yet manufactured that has given the farmer the satisfaction that the Fleury has. Farmers who have bought other makes of plows have discarded them and replaced them with the Fleury. One of the greatest points about the Fleury is the lightness of the draught. A ten hundred pound team can haul a Fleury Plow more easily than a twelve hundred pound team can haul any other plow.

These plows can be bought direct from our store at Woodstock or at our branch stores at Centreville and Hartland.
