Thomas Neales, rector of St. Luke's Episcopal church, Woodstock, was the officiating clergyman. The bride was handsomely attired in cream silk colone, trimmed with embroidered chiffon and applique, with the customary bridal veil and orange blossoms. She carried a large bouquet of roses and lily of valley. The bridesmaid, Miss Bessie Harris of Bath, was prettily arrayed in a gown of white organdie with pink trimmings and a white chiffon hat trimmed with flowers. She carried a bouquet of pink carnations. The bride was given away by her uncle, Mr. Jarvis R. Tracy of this place. The flower girls for the occasion were Miss Hilda Shields, and Miss Ethel Walker, nieces of the bride and groom. Sickly Children.

More children die during the hot weather months than at any other season of the year. Their vitality is then at its lowest ebb, and an attack of diarrhoea, cholera infantum or stomach trouble may prove fatal in a few hours. For this reason no home in which there are young children should be without a box of Baby's Own Tablets which promptly cure all stomach and bowel troubles. If the Tablets are given to a well child they will prevent these ailments and keep the little one well and strong. Mrs. Joseph T. Pigeon, Bryson, Que., says: "My little one was attacked with colic and diarrhoea, and I found Baby's Own Tablets so satisfactory that I would not now be without them in the house." These Tablets not only cure summer troubles, but all the minor ailments that afflict infants and young children. They contain no opiate or harmful drug, and may be given with equal safety to the new born baby or well grown child. There are imitations of this medicine and mothers should see that the words "Baby's Own Tablets" and the four-leaf clover with child's head on each leaf is found on the wrapper around each box. As you value your child's life do not be persuaded to take a substitute for Baby's Own Tablets—the one medicine that makes children well and keeps them well. Sold by all druggists, or you can get them by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Brockville, Ont.

Passed away peacefully at his residence at Plymouth Car. Co., June 14th, John Reid, in the 73rd year of his age, leaving a wife and two sons to mourn the loss of a kind husband and father; and a most exemplary Christian. The writer has known him from early boy-hood, and can truthfully say that for sterling integrity and Christian conduct, he had few equals. He died trusting in Jesus who is the Resurrection and the Life.
