Bath.

A heavy snow storm set in here on Saturday night last and a fall of over eight inches has very much helped the roads, and is greatly appreciated by private lumber operators. The largest crews have about all left the woods.
 O. E. Gallagher & Sons are still loading cars of birch timber and on account of the scarcity of cars last week a large quantity of such timber has accumulated for shipment.
 A meeting was called on Saturday evening last in C. J. Greene's Hall for the purpose of considering the question of having a bridge between here and Wicklow, but owing to the stormy weather very few people attended and the discussion of the project was left to be considered at a meeting to be held this com-

ing Saturday evening at the same place. Owing to the large quantities of farm produce now needing a market and place for shipment on the west side of the river and the rapid settling up on that side of all available land near River De Chute and the boundary, large quantities of all kinds of farm produce are now shipped from there to this Railway station and when the market prices are the best, oftimes the crossing on the river is about impossible and thus the farmers lose money, but a bridge would very much help out in this line.

The Union Baptist Aid Society intends holding, on Thursday, a Tea in C. J. Greene's Hall.

PURE RED BLOOD

Is Necessary to Health, Strength and Happiness.

Pure, rich, red blood is what is needed by every woman, young or old. This, weak, watery blood is the cause of all the headaches, and backaches, and sideaches—all the weakness and weariness, all the dizziness and despondency, all the nervousness and fainting spells that afflict girls and women. The only thing that can help you is Dr. Williams' Pink Pills. These pills make new, rich, red blood, that gives new life and strength to every organ of the body. In this way they make pale, feeble girls develop into healthy, happy women, and for the same reason bring ease and comfort, and regularity to women at all ages of life. Miss J. Dietrich, St. Clements, Que., is one of the many thousands made well and happy through the use of Dr. Williams' Pink Pills. She says:—"I tried several medicines but got nothing to help me until I took Dr. Williams' Pink Pills. I was subject to palpitation of the heart, a throbbing in the head, and dizziness and fainting spells. I had no appetite and was weak, pale and discouraged when I began the use of Dr. Williams' Pink Pills. Six boxes of these have made me feel like an altogether different person, and have given me new health and strength."
 Rich, red blood is the true secret of health and strength, and it is simply because Dr. Williams' Pink Pills make new, pure blood, that they cure such troubles as anaemia, loss of appetite, indigestion, neuralgia, rheumatism, St. Vitus dance, partial paralysis, kidney troubles, and the special ailments that only women-folks know. But you must get the genuine with the full name, "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. If in doubt, send to the Dr. Williams Medicine Co., Brockville, Ont., and the pills will be mailed at 50 cents a box, or six boxes for \$2.50.

Letter of Condolence.

 In the death of our Companion, Masonry, in all its branches, lost a zealous member and we are aware that human consolation at a time like this is very weak and we would direct you to Him who doeth all things well.
 Respectfully submitted on behalf of the Chapter.
