

## NEWS FROM THE COUNTY.

## Greenfield.

James Tapley had the contract of hauling V. Nicholson's ice last week.

Our school is being taught this term by Miss F. J. Kinney; she is a good teacher too. Our school janitor is Master Harold Putman.

Mrs. Tompkins of Upper Kent is spending the winter with her mother Mrs. A. Kinney.

Robert Hovey has been hauling lumber for some time. Miss Elizabeth Kinney is visiting friends and relatives here.

## Cabano.

The weather here has been lovely; more like March than January. On Sunday a number of people were on the lake skating and walking. The ice was in perfect condition.

Mrs. Wolverton made a flying visit to Edmundston last week.

Mr. Z. Tompkins has gone to the woods again. He is now up the Caldwell River at one of Mr. England's camps.

We are glad to hear that there is a prospect of getting Mr. McPherson (our last summer's minister) back again next summer.

Mr. and Mrs. Brebner have been down to New Brunswick to attend the funeral of Mrs. Alex. Duthie, Mrs. Brebner's sister. We would like to offer our sincere sympathy to the bereaved family.

Mrs. Jack Cowie is back in Cabano again. Mrs. Mack, lovely has returned from New Brunswick where she was visiting relatives. James Cocker has been laid up three weeks with a felon on his finger.

L. Carmichael was home last Sunday.

Robt. England has been away on a trip to Bangor. He has returned.

We regret to hear that there is a chance of losing our genial neighbors, Mr. and Mrs. Clark, who, we are informed, are thinking of retiring to a life on a farm somewhere in New Brunswick.

We are glad to see our old friend Mr. Lebel back in Cabano again.

There is a new lady clerk in the store of Mr. Fraser's.

We are glad to hear that Mrs. Lindsay Magoon has regained her health, or is getting a great deal better.

## Centreville.

Sunday night was the coldest of the season the mercury standing at 25 below zero. That beautiful substance which some thought might be called snow, that was so noticeable upon the roofs of the buildings in St. John last week has come to us more abundantly in this part of New Brunswick and the buttermilk and pansies and daisies which so many people in Kings County have been finding ever since the fall rains set in have not yet shown up in this north country.

Rev. Mr. Bonnell has been holding special meetings at Tracey Mill's, and ministers from neighbouring churches are lending what assistance they conveniently can. There have been some very interesting meetings. Rev. Mr. Trafton is with the Royalton church and regular services are now instituted. Preaching services twice on Sunday and social service on Thursday evening.

The Methodist Women's Missionary Auxiliary Society met at the home of Mrs. H. J. Clark last Tuesday. A goodly number were present and after refreshments were served a substantial collection was placed in the hands of the Treasurer. About twenty persons were present at the Methodist bible class in the evening at the same place.

D. R. Kennedy District manager of the Canadian Order of Foresters for the Maritime Provinces called on the financial secretary of the Court recently organized here and stated that he would visit Centreville in March and hold some public meetings in the interests of the order. Those who are desirous of learning more about the order would do well to attend those meetings. As the gentleman spoken of is a very pleasing speaker and has a very extensive knowledge of the workings of the order.

J. W. Cheney has sold his residence here and contemplates going into the hotel business at Monticello, Me.

The reports of the Rev. Mr. Simonson and Dr. Brown from Cuba are somewhat discouraging. Another proof of the truth of the old adage that "Distance lends enchantment."

A number of our citizens are rejoicing over the advent of little strangers within their homes some of such recent dates that the real disposition of the little ones are not yet fully understood.

Rev. Joseph Cahill was in the village last week and attended a regular meeting of the I. O. G. T. and made arrangements necessary for the better working of the order in this place.

Mr. F. G. Burt is still confined to his home but is reported to be slightly improving.

PARALYSIS YIELDS TO  
DR. WILLIAMS' PINK PILLS.AFTER SEVERAL DOCTORS HAD PRONOUNCED  
THE CASE HOPELESS.

Convincing Proof That Cure Was Permanent—in Five Years the Patient Has Had no Relapse—Facts in a Remarkable Case Substantial by Sworn Statements.

Dr. Williams' Pink Pills are not a patent medicine, but the prescription of a physician, placed on sale with full directions for use under a trade mark that is a guarantee of their genuineness to every purchaser. They contain no stimulant, opiate or narcotic, and while they have cured thousands have never injured anybody. To show that cures effected by this remedy are really permanent and lasting we recently investigated the case of Mr. Frank A. Means, of Reedsville, Mifflin County, Pa. Mr. Means has been an elder in the Presbyterian church for many years, has served three years as county commissioner and as school director for nine years. He was afflicted with creeping paralysis, losing the entire use of the lower half of his body, and for a year was a helpless invalid, confined to his bed with no power or feeling in either leg, and physicians had given him up as hopeless. Mr. Means was cured by Dr. Williams' Pink Pills and his testimonial was printed five years ago as follows:

"I had the grip for four winters and as a result my nerves broke down. I lost the entire use of the lower half of my body. My stomach, kidneys, heart and head were never affected, but the paralyzed condition of the lower part of the body affected my bladder and bowels. For a whole year I lay in bed perfectly helpless with no power in either limb and the feeling gone so that I couldn't feel a pin run into my legs at all. I couldn't turn over in bed without help. To move me a pulley was rigged up on the ceiling and a windlass on the floor.

"During two years of my affliction I had six different doctors, but none of them gave me any relief. A specialist from Philadelphia treated me for three months, but he was of no benefit to me. These doctors gave me up and said it was only a question of a few weeks with me as nothing more could be done. After the physicians had given me up, a friend sent me a pamphlet containing statements of two men who had been afflicted something like me and who had been cured by the use of Dr. Williams' Pink Pills. I began taking them at once and although my improvement was slow it was certain. Now I can walk most of the time without a cane and everybody around here thinks it is a miracle that I can get about as I do. Your pills have certainly been a God send to me. Within the last three years I have answered dozens of letters from invalids who had heard of my case and who asked me if it was true that I had been cured by Dr. Williams' Pink Pills. I have told them all that this remedy cured me and I am glad that this opportunity of telling about my case so that others may find relief as I have done."

One day recently Mr. Means was visited at his handsome home overlooking the valley of Honey Creek, near Reedsville, where he for about eight years is in town visiting his sister Mrs. Carter.

Mrs. Wiley has returned home from Portland, Me.

Miss Nellie Sadler is visiting her sister, Mrs. G. T. Baird.

Mrs. D. B. Hopkins, Aroostock Junction, is spending the week with Mrs. S. P. Waite.

Miss Nellie Harmon spent the Sabbath with Miss Lena Baird.

Miss Annie McGill, Houlton, is in town.

The basket ball girls entertained the boys of the team at a bean supper after the game on Tuesday.

## Bath.

The recent snow storms have been of great assistance to the lumbermen and enabled them to complete their hauling. Already a number of men and teams have arrived from the woods.

The I. O. G. T. lodge elected its officers at the beginning of the quarter when they were installed by L. C. J. R. H. Simms, as follows: Rev. L. A. Fenwick, C. T.; C. J. Greene, V. T.; Mrs. Robert Squires, P. C. T.; Miss A. Z. Alward, Sec.; Miss Annie Jones, Asst. Sec.; Miss Alice Phillips, Treas.; Chas. Giberson, M.; Gordon Green, D. M.; Chas. Greene, G.; Daniel Giberson, S.; Robert Squires, Chap.

Already many are talking of going to Alberta. Among those who are going are C. J. Greene and Edward Hutchinson of Wicklow.

Among the many visitors of the Village recently were Scott Act Inspector Colpitts and Constable James Wolverton of Woodstock. Reports say they found Bath a dry place as far as intoxicating liquor was concerned.

Many regrets were expressed when the sad news reached here of the death of Dr. Haud, although a stranger to most persons here he had many friends.

The usual services were held in the Union church Sunday by Rev. L. A. Fenwick.

McCready Bros. are having the lower flat of the John McCready Hall remodelled and built into a store for them. This will be one of the largest stores in Bath.

The G. F. Giberson lath mill operated by Crain Bros. is still sending away many car loads of laths. This is a profitable industry.

## East Florenceville.

B. F. Smith, M. P. P., spent Sunday here, returning to Fredericton Monday.

Rev. J. A. Cahill will speak in Baptist church here next Sunday forenoon at 10 o'clock.

A crowd of young folks attended the show at Centreville Saturday night.

made the following statement:

"Before I began taking Dr. Williams' Pink Pills I had been treated for a long time by my home doctor who pronounced my trouble creeping paralysis. I always believed that to be my trouble and I do yet believe so. I had also spent five weeks in the University Hospital in Philadelphia without the treatment benefiting me and had returned home to die. I began taking Dr. Williams' Pink Pills in 1897, but did not give a statement of my case for publication until I was sure that I was cured. After returning from the hospital I did not take any other medicine for my trouble and I owe it to Dr. Williams' Pink Pills and to be about to-day. Since my cure, as related in my statement of April 17, 1901, I have never suffered any relapses nor had occasion to employ a physician except for minor troubles such as coughs, colds, etc. I endorse Dr. Williams' Pink Pills as fully and heartily to-day as I did five years ago."

Signed, FRANK A. MEANS.  
Subscribed and sworn to before me this 22nd day of January, 1906.

JACOB KOHLER,  
Justice of the Peace.

Justice Kohler, of Reedsville, before whom the above affidavit was made, voluntarily gave and signed the following statement:

"I have personally known Mr. Frank A. Means for the past forty-five years and know that any statement he makes is entirely reliable. I personally visited him when he was confined to bed and utterly helpless. I now see him daily and know him to be in as good health as most men of his age."

Signed, JACOB KOHLER.

Mr. Daniel W. Reynolds, postmaster at Reedsville, Pa., stated that he had received many inquiries from all parts of the country concerning Mr. Means' marvellous cure, and he cheerfully added his confirmation of the truth as follows:

"I certify that the facts stated in the testimonial of Mr. Frank A. Means are absolutely true. I knew him when he was unable to move and I see him every day now on the streets and in my office."

Signed, DANIEL W. REYNOLDS.  
Here it evidence that must convince the most skeptical. But because many of the cures accomplished by Dr. Williams' Pink Pills are so marvellous as to challenge relief, the following offer is made:
