**An Event at The Line.**

Last Wednesday evening officers from both sides of the line met at John Thompson's on the line about seven miles south of the Houlton road. There were in the party deputy sheriff Foster, James Woolverton and John Carpenter, customs official from Canada and Sheriff Lawlis and Messrs Feeley, Smart and Dunn from Houlton. The United States officers gathered Thompson in a loving embrace and took him to Portland to answer a charge of keeping liquor for sale. Mrs. Thompson was brought to Woodstock where she pleaded guilty to a charge of selling liquor and was sent to jail. This has been a bad joint but the officers think it will not be reopened.

The boundary line between Carleton and Aroostook Counties is now free from liquor stores with the single exception of the Houlton road and the inspector says he is after the people there and he will clean them out ultimately. It is merely a question of time. They must go.

**The Boys' Brigade Birthday Reception.**

Under the auspices of the 1st. Woodstock Company of The Boy's Brigade a most enjoyable entertainment was held in the Parish Hall on Monday evening last. The hall was crowded to the doors with an audience that appreciated the programme from beginning to end. A strong contingent of the St. Luke's Choir rendered as an Opening Chorus "The Watchword" by C. Pinsuti. The departure of the Arab Soldiers to war, the loud and weird-like lamentation of the maidens at their departure, the return of the victors, all at a time of the singing of the national watchword "Each for himself and Allah for All" was truly beautiful in the rendition. Mrs. Hare, Mrs. Geo. Gibson and Mrs. Alder charmed their hearers with songs. We understand that this is the first time Mrs. Alder has sung in public since coming to Canada, and we hope it is not the last. Messrs Calder and Carey kept the attention of all by their masterly recitations, while Mrs. Norman Loane, simply convulsed the audience with hers on "Prompt Obedience." Master Le-Roi Moores, a member of the Company, gave two Pianoforte solos which were greatly enjoyed. Last, but not least, came sixteen little girls who described themselves as "a merry merry band from the Woodstock schools," and went through a difficult, but pretty, Japanese Fan Drill. These little ones really acquitted themselves creditably and captured every-body's heart. Rev. Mr. Alder having expressed great regret at the unavoidable inability of two ladies who were to have helped in the musical part of the programme, doing so. Refreshments were then served and the National Anthem sung, and thus was brought to a close, a very pleasant evening.

**The Wedding Month.**

The Toronto World Says:—In the leafy month of June the social pages of the papers are full of wedding announcements, most of which end by saying: "The presents were numerous and costly." This is but right. Everybody loves a bride, and why should not the presents be numerous? Moreover, Canada is prosperous, so that it is right and fitting that they should be costly. While the store windows are full of such beautiful things suitable for wedding presents, special attention should be paid to the store of Messrs. Gourlay, Winter & Leeming. There is in the window of 188 Young street a magnificent Gourlay piano, which is soon to be shipped to Fifeshire, in Scotland. Its ultimate destination is the music-room of a bride, and it is certain that she will be delighted with this splendid product of Canadian workmanship. This is the first Gourlay which has been sent to Great Britain and special interest attends it from the fact that it is going to the native shire of the senior member of the firm. However, he need fear no hostile criticism, for the Gourlay is one of the best upright pianos on the market and will compel the admiration of every musician of taste and discernment.

Charles R. Watson of Woodstock is the sole agent in this district for this celebrated piano.

**Presentation to the Rev. I. A. Corbett.**

On the eve of his departure for Bear River N. S., the proprietor and boarders of the Woolverton House presented the Rev. I. A. Corbett with a case of silver spoons and the following address:

REV. I. A. CORBETT.  
DEAR MR. CORBETT:—We, your friends having learned of your intended departure from among us wish to express our profound regret.

Our association with you has not been that of flock and pastor but lodgers and companions on the journey of life and although that association has been brief it has nevertheless been of a happy and helpful character to us.

We shall miss you from our festive board where we should like to see you for many a long day yet, but in leaving us you will be making another happy, and also entering upon greater happiness yourself, then we must not be selfish.

In your new field of labor and in your new domestic life may the greatest happiness be yours, and let this souvenir which we ask you to accept, remind you of the friends and days spent at the "Woolverton House."  
Woodstock, N. B., May 28th., 1906.

**Notice of Town Fire Limit.**

To all persons whom it may concern:—

**A LAW.**

To Regulate the Construction of Buildings and the Materials to be used in the Construction Thereof Within Certain Districts of the Town of Woodstock.

Be it enacted by the Town Council as follows:—

1. All buildings shall be constructed of brick or stone with gravel or metal roofs which may be erected within the following described district in said Town of Woodstock, which said district shall be known as the Fire District. To include that portion of the Town north of the Meduxnakeag bounded on the east by the Saint John river, on the west by Green street, on the north by Chapel street and Regent street, on the south by the Meduxnakeag river; also to include that portion of the Town south of the Meluxnakeag river, bounded on the north by the Meduxnakeag, on the south by Park and Bull streets, on the west by Green street extending to the Meduxnakeag, on the east by the River Saint John. The erection of frame buildings exceeding twenty-five feet in height from the street level and the use of shingle roofs to be prohibited in the Fire District.

2. All buildings now situate within the limits of the above described district which may be destroyed partially by fire and the Insurance Companies pay a total loss shall be rebuilt of either brick or stone with gravel or metal roofs.

3. All buildings situate within the said district that may be partially destroyed or damaged by fire when a total loss is not paid by the Insurance Companies shall, when repaired, be covered with gravel or metal roofs, and no wooden buildings when so repaired shall exceed twenty-five feet in height above the street level.

By order of the Mayor.

J. C. HARTLEY,  
Town Clerk.  
Woodstock, N. B., May 31st, 1906.

**WEAK KIDNEYS.**

Restored to Strength by Dr. Williams' Pink Pills.

Bad blood is the cause of weak kidneys. The impurities of the blood clog the kidneys so that they are unable to perform their work of separating the waste matter from the blood—the bad from good. The symptoms of diseased kidneys are numerous. The dull sunken eye, the coated tongue, the backache, weak shaky knees, sallow, swollen face all show what is wrong. This disease must not be neglected. Every day delayed in finding a cure is a day nearer "Bright's disease"—that trouble is incurable. Do not waste time and money on a medicine which acts only on the kidneys. It may relieve, but it cannot cure you. The trouble to be permanently cured must be treated through the blood. Good blood makes healthy kidneys. Dr. Williams' Pink Pills actually make new, rich, red blood—that's why they cure when other medicines fail. Thousands owe good health—some life itself—to this medicine. Among them is Roy Davidson, who resides with his uncle, Mr. C. B. Maclean, near Brockville, Ont. Mr. Maclean says: "My nephew, Roy, had weak kidneys. About a year ago he took the measles and this left him in a bad state. His kidneys were so weak that they were incapable of performing their functions. He suffered from backache, weakness and restlessness. For a time he had to leave school. Our family doctor was unable to help him. In fact he told me that Roy might never get better; that the disease would probably grow worse. I then procured a supply of Dr. Williams' Pink Pills. I had already used the Pills myself with great benefit and felt confident they would cure Roy. He began taking them, and continued their use until he had taken a half dozen boxes, which fully cured him. He is now stronger and better than he ever was and neither study nor work about the farm seem to fatigue him. I believe Dr. Williams' Pink Pills saved him from a life of misery."

Dr. Williams' Pink Pills do just one thing—but they do it thoroughly. They actually make new, rich, red blood, which feeds and strengthens every nerve and organ in the body. That is why this medicine cures such common ailments as anaemia, general weakness, headaches and backaches, indigestion, palpitation of the heart, rheumatism, neuralgia, and the ailments which make the lives of so many women and young girls miserable. Don't take something else which the dealer may say is "just as good." If you can't get the genuine Pills from your dealer send to The Dr. Williams' Medicine Co., Brockville, Ont., and get them by mail at 50 cents a box or six boxes of \$2.50.
