AT THE MEETING of Masonic Grand Lodge in St. John last week George W. Rothwell of McAdam was elected senior grand warden and John McKenzie, P. M., of Woodstock, junior grand warden. G. H. Harrison, P. M., is district deputy grand master of District No. 4. At the meeting of the Grand Chapter of Royal Arch Masons E. L. Hagerman was elected D. G. H. P. and D. W. Kyle, G. R. A. C. In the election of officers in the Grand Council of H. P., G. H. Harrison was elected vice president, John McKenzie, conductor, and D. W. Kyle, steward.

DR. THOMAS HARRISON has resigned the position of Chancellor of the University of New Brunswick. He will receive from the Carnegie fund a retiring allowance of \$1,335 a year. The statement that Dr. Bailey had resigned is incorrect, though he will probably retire next year when he will receive a retiring allowance equal to Dr. Harrison's. The gentleman most spoken of as Dr. Harrison's successor is Dr. Walter S. Murray, a graduate of the University of New Brunswick and at one time a professor in that institution but at present a professor in Dalhousie. There is some doubt if Dr. Murray would return to his Alma Mater as he is regarded as the natural successor to the principalship of Dalhousie when Dr. Forest retires from that position.

**Prescription Judgment.**

One peculiar and mistaken idea exists in regard to the filling of Prescriptions. Many people think Prescriptions must be taken to the store upon whose blank they are written. This is an error. You have a right to exercise your own judgment as to the druggist to fill it, as you had to choose the physician who wrote it. Any physician in this locality will be glad, we are sure, to have us fill the prescriptions he writes.
