

## "What Shall I Give Him For Christmas?"

This is the same difficult problem that presents itself at every recurrence of the season.

We come to your rescue and say: "Come here with all your troubles and let us show you."

We've a HOLIDAY ATTIRE and have the things a man buys for himself and appreciates most.

We can also fill the Boy's Stocking as satisfactorily as the man's.

### A FEW SUGGESTIONS

#### Mrs. Eliza Connell.

Mrs. Eliza Connell, widow of the late Dr. Charles P. Connell, died at her residence, Connell Street, Wednesday morning, Nov. 28th, at the age of 68 years. She had been failing for some months and her death was not unexpected. Mrs. Connell was the daughter of the late William Steves, an Englishman who was interested in the copper mine at Bull's Creek. She survived her husband about 14 years. She is survived by one daughter, Mrs. B. Harry Smith, Woodstock, one brother of Andover, and one sister Mrs. William Beveridge, Yarmouth, N. S. Mrs. Francis Bull of California is a niece.

The funeral was held on Friday. There was a private service at the house and a service at Christ church. The services were conducted by the Ven. Archdeacon Neales. The pall bearers were B. Harry Smith, Wm. M. Connell, Heber B. Connell and George Bull.

#### Death of an Eloquent Preacher.

The Rev. William Henry DeWare died at his home in Waterville last Wednesday, November 28th, at the age of 52 years. Mr. DeWare was born in Grand Manan and was baptized about 40 years ago by the Rev. J. N. Barnes who preached his funeral sermon. He was ordained by the Free Baptist Conference in 1876. He was an eloquent preacher and was at different times the pastor of the Tracy's Mills and Waterville circuits in this county and of the churches in King's County. He was a member of Woodstock Masonic Lodge for 25 years. For the last five or six years he has been incapacitated from work by illness.

The funeral was held on Thursday at Waterville, the funeral sermon being preached by the Rev. J. N. Barnes. Among the other clergymen present were the Revs. Steeves, Atkinson, Baker, J. B. Daggett, C. T. Phillips, Hartt and T. S. VanWart. A number of members of Woodstock Masonic Lodge attended.

Mr. DeWare leaves a widow, one son and two daughters to mourn.

#### Jews, Junk and Arabians.

The C. P. Ry. Co. has been losing some brass they had stored in a building near the lower station. About three weeks ago, Owen Kelly, town marshal, took the matter in hand and found some of the brass concealed in large bags of old clothes and rubbers at the C. P. R. station, consigned to a man in St. John. He found that the brass had been sold by some very young boys to an Arabian in Woodstock named Caleb Aboud and by him sold to one Hyman Jacobson of St. John. All the people charged with violating the law in the matter were brought before Mr. Dibblee, police magistrate, on Saturday. Hyman Jacobson was sent up for trial at the next county court, was released on bail. The case against Caleb Aboud was dismissed as it did not appear that he had any intention of violating the law and as soon as his offence was pointed out to him he did what he could to restore the stolen property.

The boys found guilty of stealing the brass were Frank Camp, Harry Thornton, William Oliver, Robert Dickinson, Robert Chase, Alexander Steeves, Dexter McCluskey and Guy McLean. They are very young, not more than ten or twelve years old, and Mr. Dibblee merely fined them each \$2 and costs.

F. B. Carvell appeared for the C. P. R. and J. C. Hartley for Hyman Jacobson.

#### Woodstock Market.

Potatoes per bbl, \$1.05.

#### Town Council.

The town council met Monday evening, Mayor Munro in the chair and all the councillors present.

The town treasurers report showed for the month of November

Expenditures.....	\$2927 62
Receipts.....	2504 44
For the eleven months of the present year	
Expenditures.....	\$34,340 97
Receipts.....	35,383.11
Credit Balance at Bank of Montreal November 30th.....	233.29
Paid in on December 1st.....	92.00

On motion the sum of \$14.20 was ordered refunded to the Methodist church as taxes improperly paid.

Tenders were received for acting as engineer of pumping station after the electric lights are taken over by the power company and before the pumping is taken over by them. Albert Wort and Harry H. Jones each offered to do the work for \$80 a month and free house. The tenders were submitted to the water committee.

The clerk was requested to advertise for sale the dynamo and 25 arc lamps now in use.

Coun. Henderson said he thought there were now three sizes of wire used in our lighting system and the largest gave the best light and the smaller a poorer light. A member of the power company had called his attention to the fact that when the company took over the lighting the town could only expect the best light from these lamps that would be fed with the largest wire and it was the duty of the council now to say if they would put the town in a position to receive the best light the power company was prepared to give them. The mayor, the town solicitor and Coun. Fisher thought that according to the contract this matter was the business of the company but Coun. Fields thought differently.

About \$2250 has already been spent on permanent account at the pumping station and a further amount will have to be so spent, so on motion of Coun. Leighton it was decided to issue 5 bonds of \$1000 each, payable in 10, 11, 12, 13, 14 years.

On motion it was decided to charge the Dominion Government \$25, a year for water at the Armoury.

#### Electric Railways to the Boundary Line.

Notice is given in the Royal Gazette, that application will be made to the Legislative Assembly of New Brunswick, at its next session, for the passing of an Act to incorporate the Woodstock and Houlton Electric Railway Company, with the power to construct an electric road from the town of Woodstock to the boundary of the state of Maine in the parish of Richmond, in the county of Carleton, in the province of New Brunswick.

J. N. W. Winslow is solicitor for the applicants, who are supposed to be the same men who have applied for a charter to construct and operate an electric railway from St. John to Grand Falls. The Woodstock Electric Railway, Light and Power Co., irreverently called the Dam Company, has already a charter for an electric railway from Woodstock to the boundary line, and the stockholders will probably use their influence to prevent another charter from being granted.

Even if a second charter be granted it is not expected that more than one of the roads will be built next summer.

#### Married at Newport.

At Newport, R. I., Wednesday November 28th, at 12.30 p. m. Miss Margaret Stewart, daughter of the late John Stewart of Woodstock, was united in marriage to Edward Bulkley. The ceremony was performed by the Rev. Dr. Emery M. Porter, rector of Emmanuel church. Miss Stewart, who was a graduate of Newport Hospital, was one of the most popular and charming of Woodstock's young ladies. A host of her friends here will heartily congratulate Mr. Bulkley and wish them a long and happy life together.

#### Double Wedding at Blaine.

One of the prettiest and most interesting weddings that has ever occurred in Blaine was the double marriage service of the sisters of J. R. Irving, Miss Daisy Greenwood to Horace Archibald Anderson of Mrs Hill, and Miss Florence Smith to Scott Whitfield Sanborn of Blaine, in the Free Baptist church, Wednesday evening, November 21st, at 7 o'clock. The ceremony was performed by the Rev. George M. Park of Presque Isle. This was the first church wedding ceremony ever performed in Blaine and it was in the church to which both brides had attended from childhood and in which they were earnest workers. After the ceremony a wedding luncheon was served at the residence of Mr. and Mrs. J. R. Irving.

THE river froze over at the railway bridge last Wednesday night, November 28th, the latest for many years.

#### In Honor of Mr. Carvell.

The political friends of Frank B. Carvell, M. P., made a demonstration in his honor last Friday evening in the opera house. The representation from the town was not very strong but the county contingent made up for that. There were about 300 voters present.

W. W. Hay presided and there were on the platform with him Mr. Carvell, the Hon. W. P. Jones, Solicitor General; and the Hon. Frank J. Sweeney, Surveyor General.

The chairman opened the meeting with a few happy remarks and read the following address to Mr. Carvell.

TO FRANK BROADSTREET CARVELL, ESQUIRE, MEMBER OF THE HOUSE OF COMMONS FOR CARLETON, N. B.

ESTEEMED SIR,—A large number of your friends and supporters in the constituency have thought fit to meet here this evening to do you honor, as your efforts on behalf of the county are so much appreciated by all those who stood by you in the gallant fight in which you came out victorious in the effort to redeem the riding from its period of Conservative representation, and who are satisfied that the pledges you gave in that campaign were not merely idle words.

We realize that your strongest efforts have been put forth for the benefit of the riding on every occasion, and they have been crowned with a degree of success which must be gratifying, not only to you, sir, but to the entire electorate of this enlightened constituency.

We realize that while much has been done by you in the short period you have been our representative, still greater things may confidently be expected in the future.

Those of us who are interested in Agriculture were extremely pleased that one of your earliest speeches in the House was an effort to secure better seed for the farmers; this we feel was an act that commended itself to the whole body of electors.

You, sir, took a large part in assisting the several provinces in the effort to secure better terms from the Dominion Government, and the recent successful termination in no small degree due to the persistent and forceful manner in which you assisted in presenting the claims of the local authorities.

Your constituents are unanimously delighted by reason of the assistance you gave in the effort to place upon the Statutes of Canada a measure that in a fitting manner protects the sanctity of the Christian Sabbath.

We are not unmindful that it is altogether owing to your representations to the Department that we have in our town the magnificent new Armoury, a building that reflects credit upon all concerned and fills a long felt want. This and other public works which have come to us during your term of office conclusively show that your representations carry great weight with the authorities at Ottawa, and it is a source of satisfaction and pride that we have as our member one who is willing to devote his time and energy on behalf of the people he represents.

Largely owing to your support the various Rifle Clubs throughout the county have been provided with Government ranges, something which is appreciated in no small degree, and you as a militiaman of long standing must feel a sense of deep satisfaction in being in a position to assist our citizen soldiers in their efforts to attain greater proficiency in the use of the weapons for the national defence.

While as yet it is too early to speak with any great degree of certainty as to the success of your vigorous and persistent work in upholding the claims of the Saint John River Valley with reference to the route to be followed by the National Transcontinental Railway, we are satisfied that you have left no stone unturned in order to make the best possible showing from our standpoint. While the many details of the work which you have done on behalf of the Valley must necessarily be somewhat unfamiliar to the general public, all are aware of the magnificent fight you have put up in the face of heavy odds, and we are hopeful that your efforts will ultimately be crowned with the success they so richly deserve, and that, before many years, the whistle of the G. T. P. will be heard in our county, and the town of Woodstock be furnished with the railway competition so essential to its future growth and prosperity.

Your course in Parliament, during the two years you have been a member, has met with our undivided approval, and it is a source of the greatest satisfaction that we have in you a representative who is competent and not afraid to rise in his place and speak a word for the county whenever the opportunity offers.

We recognize that in the debates and proceedings of the House you fill a large place, and it is our hope and expectation that in the not too distant future, you will attain still greater prominence.

In conclusion let us assure you of our best wishes for your continued health, and a magnificent degree of success along your chosen line of duty in the government of this young, great and rising Nation.

On behalf of your friends and supporters.

W. W. HAY, chairman.

Mr. Carvell responded in a rousing political speech of about an hour and a half. Mr. Sweeney and Mr. Jones followed in addresses that easily held the interest of the audience. The meeting broke up with the singing of "God Save the King."

SPECIAL PRICES on all ready-to-wear suits, trousers and overcoats at R. B. Jones.
