MISS CARRIE ROGERS.—It is with regret that we your friends learn of your intended removal from among us, and thereby the severing of your connection with the Sunday school of which you have been the faithful and efficient organizer, and though regretting this as we sincerely do, we fervently wish for you a future of usefulness in your field of new associations and interests, and pray that by a well ordered life and christian consecration, you may at last unite with all the truly faithful in sweeter songs of redemption in the bright hereafter. As a token of the love and esteem in which you are held by your friends and associates in your native village, kindly accept the accompanying gift (Bible and Christian Herald.) May the former be your guide and compass through life, and its precepts your examples, and as there is recorded "In the morning sow thy seed, in the evening withhold not thy hand, for thou knowest not whether shall prosper this or that, or whether both shall be alike good." MOTHER, SISTER
AND BROTHER

Died of Consumption, but this Linden lady used Psychine and is strong and well

"My mother, brother and sister died of consumption," says Ella M. Cove, of Linden, N.S., "and I myself suffered for two years from a distressing cough and weak lungs. I suppose I inherited a tendency in this direction?"

"But thank God I used Psychine and it built me right up. My lungs are now strong. I enjoy splendid health, and I owe it all to Psychine."

Consumption, whether hereditary or contracted, cannot stand before Psychine. Psychine kills the germ, no matter how it attacks the lungs. Psychine builds up the body and makes it strong and able to resist disease. Psychine is an aid to digestion and a maker of pure, rich blood. The greatest giver of general health is

BLOOD TROUBLES.

Cured Through the Rich, Red Blood Dr. Williams' Pink Pills Actually Make.

Thousands of women actually suffer from headaches, backaches, dizziness, languor and nervousness. Few realize that their misery all comes from the bad state of their blood. They take one thing for their head, and another for their stomach, a third for their nerves. And yet all the while it is simply their blood that is the cause of all their trouble. Dr. Williams' Pink Pills cure all these and other blood troubles because they actually make new, rich, red blood. Mrs. J. H. McArthur, St. Thomas, Ont., says:—"Dr. Williams' Pink Pills have done me a world of good. For about eighteen months I was a constant sufferer. I was terribly run down and the least exertion left me fagged out. I slept badly at night and this further weakened me and finally I had to give up housekeeping and go boarding as I was quite unable to do any housework. I took doctor's medicine but it was of little or no benefit. One day a neighbor told me how much benefit she had derived from Dr. Williams' Pink Pills and advised me to try them. I sent and got three boxes, and by the time I had used them I could feel a change for the better. Then I got four boxes more, and before they were all gone my health was fully restored. To see me now one would not think I had ever been sick for a day, and I can honestly say I owe my renewed health to Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills are the greatest cure there is for the weakness and backaches and sideaches of anaemia; all the distress of indigestion, all the pains and aches of rheumatism, sciatica and neuralgia, and the weakness and ill health that follows any disturbance of regularity in the blood supply. Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
