

The Reactionary Russian.

Pan-Slavism is a movement which aims not only at the union of all Slavic people under the Russian crown, but also the domination of Russian power in Europe, and Asia. It is both political and religious, holds the Greek Church to be the only faith and destined to supersede all other forms of Christianity. Politically, it regards modern ideas of liberty, constitutional representative government, and religious freedom as fundamental errors. This attitude its exponents logically maintain by the argument that as there is one God on high, there must be one ruler on earth, and only one true religion. The most prominent representative of Pan-Slavism, now that Pobedonosteff has departed this life, is General Spiridovitch, who is reported to be about to start for the United States in the interests of a movement in Russia to form a Russo-American alliance against Japan. It would be impossible to imagine two political systems more diametrically opposed to each other than those of Russia and the United States. They have absolutely nothing in common. Only an enthusiast, looking on the world through Pan-Slavic spectacles, could conceive an alliance of them against Japan as at all with-

in the sphere of practical politics. Even in Russia, the despatches say, General Spiridovitch's mission is followed with amused interest. It would be a good thing, however for him and others like him to visit America just for an eye-opener.

Resolution of Condolence.

Whereas by the overruling power of kind providence our Father in heaven has seen fit to summons from our midst by death one of our Honorary members, Brother Hiram Kirkpatrick. We hereby acknowledge the great loss we have sustained by the removal of one who has been a faithful and consistent member of our Lodge almost from its organization, and rendered much valuable service in the interest of this Lodge. One who was ever willing and ready to assist in anything that had for its object the advancement of the high and ennobling principles of the Orange association. A brother that could always be depended upon in time of need, a man of uprightness, honor and integrity who has left us by his life an example worthy of our imitation, by his loyalty to his God, to his Country and to his King, and unwavering fidelity to his Orange obligation.

Therefore resolved, That we the officers and members of Richmond L. O. L. No. 109, desire to express and convey to his bereaved wife, family and immediate relatives our sincere and heartfelt sympathy with them in the loss of a loving husband and kind father. We pray that the God of all comfort will be their strength, and enable them to bear with humble submission the Divine will, and that the consolation of the comforter may be vouchsafed to them in their great sorrow, in the removal by death of one who has indeed departed from us to his abode in the world beyond. May God grant eternal rest and peace to our sincere and humble prayer.

Signed in behalf of the Lodge,
JAMES T. MONTGOMERY, W. Master.

The Proposition to Guarantee Bonds

Last week a bill passed the legislature to allow the town council to submit to a vote of the property holding ratepayers the question as to whether or not they approve the guaranteeing by the town of the bonds of the Alexander Dunbar & Sons Co., Ltd., for an amount not exceeding \$50,000 at a rate of interest not exceeding 4 1/2 per cent., for the purpose of enabling the company to enlarge its plant within the town.

Thirty days notice of the time and place of taking such vote must be given.

Before the town may guarantee any such bonds the company shall have enlarged their plant and the guarantee shall be for not more than 50 per cent. of the money invested in their plant.

The company is required to keep its plant insured to the satisfaction of the town council.

The interest on the bonds shall be paid by the company semi-annually.

The principal sum guaranteed shall be repaid as follows: One thousand dollars per year for the first five years from date thereof; two thousand dollars per year for the next five years; three thousand dollars per year for the next five years and four thousand dollars per year for the remaining five years.

During the time the guarantee is in force the town council is to have the power of electing one director to the board of directors of the company, such board not to exceed five.

At the next regular meeting of the town council it is probable they will make arrangements for holding a vote under the act.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—MRS. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by All Dealers.

INDIGESTION CURED.

By Dr. Williams' Pink Pills After Six Doctors Had Failed to be of Benefit.

That gnawing pain in the stomach, sometimes shooting up into the chest, often producing a choking sensation in the throat; fierce pains around the heart, a feeling of drowsiness and a distaste for food—that's indigestion. Its victims are numbered by the thousands. To them life is a burden. Dr. Williams' Pink Pills have done more toward relieving this suffering than any other medicine. Often they have cured after all other help had failed, as in the case of Mr. Willis Herman, of St. Catharines, Ont. who says:—"I was afflicted with indigestion and stomach trouble for years. At times my suffering was almost indescribable. Sometimes for whole days I was unable to touch food. I dieted and at different times was treated by six doctors but they did not help me; I only grew worse. For a time I was living in New York and while there consulted a specialist but he was unable to give me any relief. I then decided to try Dr. Williams' Pink Pills and in less than a month I felt some relief. I continued their use for a couple of months longer and gained in weight; my appetite improved; the pains left me and I now feel better than I have at any time during the past twenty-five years. I will always gladly recommend Dr. Williams' Pink Pills to other sufferers believing that they will surely do for others what they have done for me."

When you use Dr. Williams' Pink Pills as a blood builder and nerve tonic you are not experimenting—they have been tried and proved successful in thousands of cases. It is their power to actually make, new, rich red blood that enables them to cure such troubles as anaemia, indigestion, rheumatism, kidney trouble, St. Vitus dance, partial paralysis and those special ailments of girlhood and womanhood that cause so much misery. For sale by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
