USED PSYCHINE 20 YEARS AGO.  
"Years ago I was almost a physical wreck, and was suffering with lung trouble. Friends and neighbors thought I would never get better. I began to despair myself. Losing faith in my physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my housework again. There are no symptoms of consumption about me now."
