It Takes Knowledge

as well as drugs to fill Prescriptions, and on the degree of knowledge depends the value of the Prescription. We claim there are five essential things in filling Prescriptions:

Pure Drugs,
Fresh Drugs,
Accuracy,
Clean Utensils,
Brains.

If you agree with us our service is at your disposal.

First prize, \$120; second, \$80; third, set of dishes, value \$20. Sullivan Bros. are hustlers, and deserve credit for instituting and carrying to its conclusion such an interesting contest. The contestants and all others are perfectly satisfied, as everything was open and above board.

The Sullivan boys, Frank and Jim, are among our most intelligent and successful business men.—Adv't.

Flavoring Extracts
Made Just
For You.

It stands to reason that in making flavouring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacturer who must provide for two or three profits.

There is a distinct saving here that goes into the quality of our extracts. Try them for the holiday cooking and see how much fresher stronger and more appetizing our extracts are.
