

# Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing and antiseptic, put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety, cream like Petrolatum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bickering, belching, biliousness, bad taste, etc., surely call for Dr. Shoop's Restorative.

TO THE WARDEN AND COUNCILLORS OF THE MUNICIPALITY OF CARLETON:—

GENTLEMEN,—I beg leave to submit the annual report of Local Board of Health, District Number Ten for the year 1906 for your consideration. Your board has had three separate outbreaks of smallpox to handle the past year, two in the Parish of Kent and one in the Parish of Richmond. In two of these, one in Kent and the one in Richmond the infection was traced to cases from the State of Maine. In the other the source of infection could not be discovered. In all the cases the disease was confined to the families where it was first found. There were fifteen cases in all and all covered. Measles and whooping-cough were prevalent in some parts of the county during the year. Appended is the financial statement for the year.

Respectfully submitted,  
J. B. CURTIS, Chairman.

Coun Williams asked for an explanation of the bill of Dr. Curtis for \$75.

It was shown it was made up of \$12 for attending cases of small pox in Kent; \$17 for examining suspected cases at Benton; \$15 attending two cases near Debec; \$15 attending cases at Moose Mountain; \$8 investigating complaint of slaughter houses near Woodstock; and \$8 call to Bath in case of diphtheria.

Report adopted.

Lists of Parish officers confirmed.

\$150 was ordered assessed on Upper Woodstock road district.

On motion of Coun Connolly the sum of \$200.00 was ordered out of the surplus in Brighton parish for the support of the poor, on the order of the councillors from said parish, and that \$350 be assessed on Brighton for poor purposes for the coming year.

\$50 was ordered assessed on Northampton for poor purposes. \$170 was ordered to be taken from the surplus to the credit of Peel parish for poor purposes, on the order of the councillors to be distributed among the different officers.

The other appropriations for poor purposes for the year are as follows:—Kent, 350; Wicklow, \$700; Richmond, \$400; Aberdeen, \$200; Parish Woodstock, \$600; Wakefield \$600. Of this last appropriation, \$250 is to be paid F. J. Shaw \$150; Isaac Slipp, \$200. E. E. BELL.

Coun Connolly moved that \$50 be added to the appropriation for the parish of Brighton for poor purposes. He explained that he had just now received some information which made him think this motion requisite.

Carried.

Coun Melville—I find in looking over the bills ordered paid by the building committee were some items which needed explanation. There was one bill, especially \$147 55 paid to A. Henderson apparently for furnishing the gaol. He thought the gaol was furnished.

Coun Fewer—As chairman of that committee, I did not think it was necessary to report of those bills.

Coun Carvell—How about this \$147 for Henderson.

Coun Fewer—It was for furniture in the gaol, it was absolutely necessary. Every dollar is certified to by Sheriff.

Coun Balmain—It is the duty of the council to furnish the Sheriff's home.

Coun Shaw moved that the Building Committee furnish a statement of the money expended as soon as possible. This motion seconded by Coun Keenan, was carried.

Coun Fewer—As to the item for furnishing the Judge's office in the Record Office, that was carried at last session.

Coun Brown—There has been some talk about a carpet. I believe we are supposed to furnish the gaol, but I do not think we should furnish the sheriff's apartment.

Coun Bell—I am on that Building Committee, but I have not been at the gaol. I think if there was any question as to expenditure the other members should have notified us.

The secretary-treasurer said he and Coun Fewer could go down a noon and get the voucher, and then the council would have full information.

Coun Hay—I think that is a very good plan.

Coun Flemming moved that the matter be referred to the June session when all the facts could be got at. Coun Bradley seconded this motion.

Coun Forrest—I think the sooner we get at this, the better. I don't like to find any fault. But I don't like to hear two members of a committee say they don't know anything of what has gone on. I think we should have this report, as soon as possible. I favor the motion.

\$550 was ordered assessed on the parish of Wilmot for poor purposes, and when collected paid to the secretary of the overseers of the poor.

Coun. Owens for the committee on the Inspector's report submitted the following:—  
To the warden and councillors of the county of Carleton,

Gentlemen,—Your committee appointed to examine the Scott Act Inspector's accounts, beg leave to submit the following: We find the Inspector's accounts correct and his report of surplus correct, with the exception of \$5 which is accounted for by the fact that Wm Dibblee's bill, was by the auditor found to be \$125 instead of \$130, and this makes the correct surplus on the year's business, \$528.61.

Respectfully submitted,

Coun Bell (Wakefield) asked that the fines and the names of the persons fined be printed in the report of the proceedings, and the sec-treas agreed to assist the reporter in getting the information.

Council adjourned to 2 p. m.

After dinner, Mr Hartley reported to the council that he had not been able to find all the bills and vouchers, but on inquiry said that the A. Henderson bill for \$147.65 was for some goods that were furnished for the residence of the gaoler, including a carpet and some other articles.

Coun Melville—Who bought this stuff?  
Coun Fewer—They were ordered by the late chairman, Mr McDonald.

Coun Carvell—Who ordered the bill paid?  
Coun Fewer—The sheriff and I certified to it.

Coun Carvell—Any others of the committee?  
Coun Fewer—There were none of them around.

Coun Brown—Were any or all of these goods got after or before you were chairman?  
Coun Fewer—I can't say, I know the late chairman ordered them.

Coun Williams—Has the council a right to furnish the residence of the gaoler?  
Sec-treas—My opinion would be they have no right to do so at all. They furnish rent, light, heat, wood. I do not think the council is under any legal obligation to furnish anything else.

Coun Melville—Why did you pay this bill?  
Mr Hartley—The building committee last year consisted of Couns Flemming, Fewer and Bell (Richmond). There are lots of little bills about repairs done on the gaol or something of that kind. It would be most inconvenient, if, for instance, a load of wood was bought for the gaol, I had to wait or ask the man who sold it to wait until all the members of the committee had been consulted. So, the chairman of the committee has signed the bill and the money has been paid, and when another member of the committee comes in town he signs the bill.

Coun Melville—I think it is too bad that this bill was paid.

Coun Williams—Was not another member consulted at all?

Coun Fewer—I never knew a thing about it till the bill was presented, except the late chairman told me there was some work to be done.

Coun Williams—Did you order the bill paid without inquiry?

Coun Fewer—I inquired and I thought the bill was all right.

Coun Williams—I think the chairman should call the committee and consult them.

Sec-treas—I think, probably, the goods were purchased by the sheriff, under the direction of the late chairman. The bill was certified by him and Mr Fewer and I did not look at the bill nor examine it. As to a suggestion of Coun Williams, I do not think you can get a refund of the money from Mr Henderson. It would seem to be a matter between the council and the sheriff.

Coun Williams—It seems that a few years ago when Mr. McDonald was chairman of the committee, and I think I was a member of the committee, it was decided to point out what bills were to be paid by the secretary-treasurer without coming before the council. I think the bills so to be paid were those certified by the attorney-general, the judges, and the building committee. We recommended that the bills to a certain extent

year. Carried.

Coun Mooers moved that the collector of Simonds receive 3% on what he collects and 5% if he brings a clean sheet. Carried.

Coun Forrest moved that the collector of Woodstock parish get 4% on amount collected. Carried.

On motion Coun Bell (Richmond) the same percentage was voted on same conditions, 4% to collectors of Richmond.

Coun Keenan moved that the collectors of Kent get 5% on amount collected. Carried.

On motion of Coun Owens collector of Wicklow were ordered paid 3% on what they collect.

Coun Carvell said there was a gentleman from the upper part of the county who wished to bring before the council some views he held with regard to the enforcement of the Scott Act. He therefore moved that Rev Mr Daggett be heard. Carried.

Rev Mr. Daggett said he was here both on his own responsibility and at the request of a number of ratepayers of the parish of Peel, of the adjoining parish from which Coun Mooers came. He was not to prefer any charges against the Scott Act Inspector, who for many years has been a personal friend of his. But there were certain developments during the past year in connection with the enforcement of the Scott Act with which he and those he spoke for, were very much dissatisfied. They simply desired this matter looked into by the council so that it could be found out why the Act was not enforced. Apparently the report submitted by the Inspector was a very satisfactory one. He thought he knew the mind of the citizens and ratepayers of this county, when he said that it was not their wish that the Act should be enforced for revenue. They desired that the miserable business should be closed up and out. During the summer months they about Florenceville had been cursed with the results of the drink traffic. During the summer there was a large number of men working on the telephone system, and, as a rule it was, with some exceptions, a dissipated drunken lot. They caroused night after night and the peaceful inhabitants could scarcely get more than an hour or two of rest. The Sabbath day was no exception. At least four bars stood wide open. He had written to the Inspector, waited for a week and got no answer at all. He wrote the Inspector on Monday and the Sunday following he made an attack on the liquor vendors himself, in the pulpit and in the pages of a publication he put forth. After the issue of that publication his stable was broken into and a valuable horse he owned was almost ruined. He laid an information against one Sheek and one Lee each. He had a list of witnesses against Mr Sheek who would have proved very strong and he was sure three convictions could have been gotten. The case against Lee was not so strong as he, it was claimed, only sold lager beer, and it was necessary in such a case to prove that the liquor caused drunkenness. He (Daggett) had to go away on some private business. Mr. Colpitts came up to Florenceville and for some reason, without ever bringing Sheek to trial, he settled the three convictions for one. He claimed that that settlement was illegal. (Here the speaker quoted from the C. T. Act in support of his contention.) Continuing he said: I claim that the Inspector has no right to make these settlements and when he does so he does wrong. I contend it was illegal of the Inspector and unjust to me.

Addressing Mr Colpitts, the speaker asked, how many convictions have been recorded against Sheek since that time?

Mr Colpitts—One since that time.
