MAN-A-LIN Is An Excellent Remedy for Constipation.

There are many ailments directly dependent upon constipation, such as biliousness, discolored and pimpled skin, inactive liver, dyspepsia, over-worked kidneys and headache.

Remove constipation and all of these ailments disappear.

MAN-A-LIN can be relied upon to produce a gentle action of the bowels, making pills and drastic cathartics entirely unnecessary.

A dose or two of Man-a-lin is advisable in slight febrile attacks, la grippe, colds and influenza.
