## Wonderful Blind Man.

(New York Tribune.)

A remarkable blind man, Joseph Warnock, died recently in Alleghany county, in Western Maryland. Although sightless for forty years, Warnock was never dependent on others for help. He cleaned land, made saw logs, worked for farmers, could pitch hay, mow, rake and bind grain, make shingles and do almost anything that a person with eyesight could. He made 500 to 600 excellent shingles a day in the winter, which he traded at the stores for such commodities as he required.

There are houses in Losaconing and Baston to-day that still have on their roofs shingles made by this blind man. After the shingle timber was exhausted, Warnock turned his attention to making handles for picks for the miners. His ability in going around through the woods and mountains without getting lost was amazing.

When he found a suitable tree it was soon felled by the strokes of his axe, and the portions he wanted were chopped off.

He could invariably tell in which direction the tree would fall.

He was fond of music, and learned to play a violin well. With his music he was able to make considerable money, as he gave dances and picnics, at which he was the only musician.

## CRYING BABIES.

Babies do not cry for the fun of it, nor is it always because they are hungry as so many young mothers think. Nine times out of ten babies cry indicates that his little stomach is out of order. Mothers will find instant relief for their suffering little ones in Baby's Own Tablets. A few doses will cure the most obstinate cases of constipation, indigestion or vomiting and a Tablet given to the well child will keep it well. Mrs. Mary Pollock, Gawaas, Ont., says: "Baby's Own Tablets have been a great benefit to my baby, they have made him happy peaceful and contented, when before he used to cry all the time. I have more comfort with him since giving him the Tablets than I ever had before. He now sits and plays and laughs while I do my work. What greater praise can I give Baby's Own Tablets." For sale at druggists or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.
