The many friends of Mrs. L. A. Fenwick, wife of the pastor of the United Baptist church here, are pleased to learn of her recovery from her recent illness.

Preparations are being made for extensive planting of potatoes in the farming communities around about. The cold spring is having the effect of shortening the cropping season.

Centreville

At a business meeting of the Centreville United Baptist church, last Wednesday evening, Rev. B. S. Freeman was engaged for another year. His success as pastor in his circuit has gained for him a very high regard among all those with whom he comes in contact.

Mrs. William Agnew died very suddenly on Sunday afternoon. She had worked as usual on Saturday and got up on Sunday not quite as well as usual, but did not regard her indisposition as anything serious until afternoon when she felt a choking sensation and asked her daughter, Mrs. Lunn, with whom she was spending the day, for some water.

Mrs. Lunn hastened to comply with her mother's request and on returning with the water found that her mother was dying. Mrs. Agnew was a member of the United Baptist church at Centreville and will be much missed. The family have the sympathy of the entire community.

Dr. Lee Burr, son of S. W. Burr, who graduated, and has been living in California for some time, is home on a visit to his parents. Dr. Burr is a young man of much promise having graduated with high honors. George Briggs has been appointed assistant in the Customs Dept. at McAdam and Wm. R. Reed, of Centreville, has been appointed Supervisor of Highways for the Parish of Wilmot.

The great raise of water in the Presque Isle caused a break in the Adam's dam at Boundary Line Mills.

A new teaching staff will be engaged for the next term in our school. Mr. Steeves closes his contract with the Trustees at the end of the term for the purpose of entering college.

A young son of Rev. Mr. Freeman is now under medical treatment.

The boys have broken a large number of panes of glass in the Burr Tannery windows and on Sunday afternoon it was noticed that a number of them had removed the fastening of the door on the south side of the building and gained an entrance to the inside of the main building. Mr. Rogers also reports that his house has been broken into during his absence. Persons older than the boys are to a great degree responsible for these acts.

ANY remedy that benefits digestion strengthens the nerves.

The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and indigestion is the result.

Peruna is not a nerve tonic nor a stimulant. It benefits the nerves by benefiting digestion.

Peruna frees the stomach of catarrhal congestions and normal digestion is the result.

In other words, Peruna goes to the bottom of the whole difficulty, when the disagreeable symptoms disappear.

Mrs. J. C. Jamison, 61 Marchant street, Watsonville, Cal., writes:

"I was troubled with my stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months.

"I improved under the treatment, but as soon as I stopped taking the medicine, I got bad again.

"I took the medicine for two years, then I got sick again and gave up all hopes of getting cured.

"I saw a testimonial of a man whose case was similar to mine being cured by Peruna, so I thought I would give it a trial.

"I procured a bottle at once and commenced taking it. I have taken several bottles and am entirely cured.

"I have gained in strength and feel like a different person. I believe Peruna is all that is claimed for it."

Nervines, such as coal tar preparations, are doing a great deal of harm. Sleep medicines and headache powders are all alike,—heart depressants, and should not be used. The nerves would be all right, if the digestion were good. Peruna corrects the digestion.
