The entertainment given on Tuesday evening by the ladies of the church of England was a most enjoyable affair. There was a good attendance and a short but interesting program was listened to with interest. The program consisted of an euphonium solo by George S. MacLauchlan, a cornet duett by Mr. MacLauchlan and Harry Gillin, a chorus, and solos by Miss Clara Matheson and Mr. Garnett Birmingham. The sale of fancy articles and home-made candies, and the inviting "bran pie" attracted much attention with profitable results. Toward the close of the entertainment refreshments were served. The proceeds of the evening amounted to about \$57.

of the post office yesterday.

It is seldom that one finds in a town as small as Hartland a clothing store so well equipped as that of the John MacLauchlan Co. All kinds of men's and boys' ready-made suits and overcoats, underwear, gentlemen's furnishings, hats and caps, and gentlemen's and ladies' fur goods are kept in stock in the same variety and at the same prices as are found in the Woodstock store. Under the management of A. G. Baker and his genial clerk, Arthur Dickinson, the store appears to be doing a prosperous business.

H. E. Palmer of Oak Point, Kings Co., was in Hartland on Friday. He is well known as a boot and shoe traveller but people in Hartland who were schoolboys twenty years ago have reason to remember him as a very efficient teacher of the High School.

Usually the dearest month in the year, November, has thus far given us a greater proportion of fine days than any month since March. We have had real "Indian summer" weather, when the sun shining bright, the air crisp and invigorating made one glad to be alive. To be pitted indeed are those who by illness or otherwise could not be abroad on those glorious golden days; and it was a sad household where the joy of the sunshine did not permeate. True the leaves, the flowers and the green things have gone, and the summer birds have flown—but the mud is gone, too.

"Resolved that women should be permitted to follow the avocations of men," was the question before the Hartland Debating Society on Friday evening, and the affirmative side led by Jo Barnett won. The debate was a hot one and both sides exhibited really forceful arguments, but the judge, Frank Hagerman, was constrained to favor the question. The negative side, of which Arch Hatfield was the leader, outnumbered the others, but evidently had not the weight behind them. A week from next Friday there will be another session, probably in the Foresters' Hall, and Miss Marion Tompkins will defend the question "Resolved that a spendthrift is a greater menace to society than a miser." The opposing side will be led by Miss Sue Peacock and the forces are about evenly divided. A committee of three will act as judges.

FOR SALE—Two first class pungs; may be seen at the Commercial hotel stable. Enquire of C. W. Rideout.

At the debating society's meeting to be held next Tuesday evening the opposing forces are arrayed as follows:—Miss Sue Peacock leads the negative side with the aid of Messrs Arch Hatfield, Frank Aiton, Sprague, Carr, Cameron, Gardiner, Birmingham, Gillin, Hal Sipprell, Rideout; Misses Mabel Curtis, McFarland, McMullin, Bradley, McCollom, Hemphill, Armstrong, Grace Tompkins, Davis, Hagerman, Branscombe Drake and Maggie Hallett. Miss Marion Tompkins on the affirmative side will be assisted by Messrs A. F. Baker, Hayward, Barnett, Morgan, Webber, Scott Sipprell, White, Kyle, Reid, Dickinson, Letson, Day, Hagerman, Stevens; Misses Laura Curtis, Lyde Cogswell, Louise Reid, Gray, Ethel Hallett, Alexander, McCollom, McAdam, Hamilton, Mrs. Webber. It is expected that Hagerman & Baird's new hall will be secured for this and future meetings. The society is the outcome of the basket ball team which failed to materialize. It is expected that early in January a mock trial, a breach of promise case, will take the place of a debate for one evening.

The men were taken to Woodstock on the same train and before the Police Magistrate they pleaded guilty the

GOOD BLOOD FOR BAD.

That is What Dr. Williams' Pink Pills for Pale People Always Give—They Never Fail.

Good blood is the one thing necessary for perfect health. If the blood is good disease cannot exist—if it is bad disease is bound to appear. There are dozens of maladies caused by bad blood. Among them are anaemia, rheumatism, heart palpitation, headache and backache, indigestion and the special ailments of women and growing girls. If you suffer from any of these troubles, Dr. Williams' Pink Pills will cure you—because they make new, red, health-giving blood. They succeed where doctors sometimes fail. In proof of this Mrs. Sarah Jane Duce, Deseronto, Ont., says: "In 1905 I became weak and sickly. I was all run down; I found housework a burden—sometimes I could not do it at all; the least effort made me tired. I consulted a doctor who told me he might help me some but could not cure me permanently on account of my age. I am over fifty. His treatment did not help me and I gradually grew worse; even my friends began to despair. Four different doctors told me my case was hopeless. My suffering was intense. Sores broke out around my mouth and I was unable to eat. I consulted a specialist who told me my trouble was anaemia and that he had little hopes for my recovery. I was in despair and decided it was useless to spend any more money on doctors. One day my husband urged me to try Dr. Williams' Pink Pills. After a few weeks use of the Pills I was convinced that I had found the right medicine. I took twelve boxes and they completely cured me, and I am now in excellent health. I gladly recommend them to all sufferers, for they cured me when doctors had failed and my friends were expecting death to end my suffering."

Unless the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around each box don't take them—any other so-called pink pill is a fraud intended to deceive you and may do you harm. If your medicine dealer has not got the genuine Dr. Williams' Pink Pills for Pale People they will be sent to you direct at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
