Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Chickens of Leisure.

Mrs. Goldvein of Cripple Creek, having unexpectedly come into a fortune through a lucky strike, set up a country home near Denver, where she lived in style. One day while she was showing some of her old-time friends about the place they came to the poultry yard.

"What beautiful chickens!" the visitors exclaimed.

"All prize fowl," haughtily exclaimed the hostess.

"Do they lay every day?" was the next question.

"Oh, they could, of course," was the reply, "but in our position it is not necessary for them to do so."—August Lippincott's.

A GIRL'S LETTER.

Miss Rose Hurst, 733 Harris Street, Appleton, Wis., writes something of interest to All Women.

Read What She Says:

"I WANT to say a word for *Peruna* for systemic catarrh and trust others who read this may try it and receive the same good from it that I did.

"I had been ailing for a long time and nothing seemed to do me any good, although I tried many doctors and many medicines. I had become so bad that there was no pleasure in living.

"I was finally asked by a friend to try *Peruna*, which I did, with many misgivings. What was my delight, after taking the first bottle, to see a great change for the better and I kept on improving until completely recovered.

"I now feel like a new woman. It has done wonders for me and I gladly recommend it to others."—Rose Hurst. No ailing woman can fail to be interested in the above testimonial. Miss Hurst was persuaded by a friend to try *Peruna*, and she is now perfectly well and feels like another woman. Such is her story in brief.
