Fred Cheney and Kate Vandine were married by the Rev. Mr. Freeman on the 12th inst., in the Baptist church which was very tastefully decorated with evergreens and potted plants for the occasion. A large number of people were present to witness the ceremony, after which the invited guests repaired to the home of the bride where a well laden table awaited them. The bountiful supper being disposed of and congratulations extended on all sides the happy young couple took their departure for Monticello, Me., where they will make their future home after making a trip to Boston and other eastern centres. The numerous presents bestowed, speak of the high esteem in which they are both held in their range of acquaintances.

At the annual school meeting the ratepayers decided that they had been deceived and hoodwinked long enough about the great burden of Taxation consequent upon the building of a new school house and by a unanimous vote empowered the Trustees to build and complete a school building at a cost not exceeding Five Thousand Five Hundred Dollars (\$5500). The District also empowered the Trustees to issue Debentures for that amount to secure the necessary money. Dr. Peppers made the speech of the day in advocacy of the new building and when an amendment was moved to repair the old building no man could be found to second the amendment. The Rev. Mr. Freeman occupied the chair and the fair and impartial manner in which he discharged his duties proved that he was the right man in the right place. By confining the speakers to the questions before the meeting the turbulent spirits were kept under subjection and the meeting passed off very quietly, nearly all present being well satisfied.

Deacons Webb and Branscomb were appointed delegates from the United Baptist church here to the District Meeting which will be convened in Hartland on the 18th inst.

Pelvic Diseases in Men.

Many an invalid is dragging out a miserable existence with catarrh of the kidneys, catarrh of the bladder, or both.

There is no disease equal to catarrh of the bladder in producing complete wretchedness, absolute despair, haggard misery and stubborn weakness.

An army of this sort of victims have one by one discovered that Peruna could be relied upon to relieve such cases.

One man tells another man, and in this way the news spreads until in all parts of the country are to be found men who have been permanently liberated from the thralldom of catarrh of the bladder by a course of Peruna.

Many cases of catarrh of the stomach, kidneys and other abdominal organs have reported themselves as cured.

We give below two prominent testimonials which illustrate the benefit of Peruna in these cases.

H. L. EMERY

Catarrh of Stomach and Kidneys.

Mr. H. L. Emery, Vice Chancellor and Master of Arms, K. P.'s, of Omaha, Neb., writes from 205 North Sixteenth street, the following words of praise for Peruna as a tonic. He says:

"It is with pleasure I recommend Peruna as a tonic of unusual merit. A large number of prominent members of the different orders with which I have been connected have been cured by the use of Peruna in cases of catarrh of the stomach and head; also in kidney complaints and weakness of the pelvic organs.

"Peruna tones up the system, aids digestion, induces sleep, and is well worthy the confidence of sufferers of the above complaints."

CHARLES B. NEWHOF

Catarrh of the Bladder.

Mr. C. B. Newhof, 10 Delaware street, Albany, N. Y., President Montefiore Club, writes:

"Since my advanced age I find that I have been frequently troubled with urinary ailments. The bladder seemed irritated, and my physician said that it was catarrh caused by a protracted cold which would be difficult to overcome on account of my advanced years. I took Peruna, hardly daring to believe that I would be helped, but found to my relief that I soon began to mend. The irritation gradually subsided, and the urinary difficulties passed away. I have enjoyed excellent health now for the past seven months. I enjoy my meals, sleep soundly, and am as well as I was twenty years ago. I give all praise to Peruna."

Mr. David L. Jaycox, Chaplain Clarinda I. O. G. T. and Chaplain G. A. R., 865 Broadway, Oakland, Cal., writes:

"I am an old war veteran. I contracted severe bladder and kidney trouble. I spent hundreds of dollars and consulted a host of doctors, but neither did me any good.

"Finally some of my comrades who had been cured by Peruna advised me to try it. I at once bought a bottle, and found it helped me so much that I kept using it for nearly four months.

"Peruna has proven the best medicine I ever used. My pains are gone and I believe myself to be cured. I feel well, and would not be without a bottle in time of need for ten times its cost."

Mr. Robert E. Hanvey, Treasurer Knights of Industrial Freedom, also a well known writer and lecturer, writes

from 11 South Nicholas St., Chicago, Ill., as follows:

"I was in good health until about four years ago, when my back became lame and sore. The pains kept increasing, with severe twitches and slow exhaustive aches. Urine was highly colored and passed with great irregularity. I knew this must be inflammation of the bladder.

"Having read of Peruna I decided to try it. I found relief from the pain within ten days. The aches gradually diminished, and it was a blessed relief I can assure you. Within three months I was well once more. My appetite had returned, nervousness and irritability were things of the past, and for over two years now I have been a healthy man.

"I give all thanks to your Peruna, and believe that it is a blessing to mankind."
