Roy McCain, of Florenceville. The ceremony was performed at 12 noon by Rev. O. E. Steeves, assisted by Rev. Mr. Anderson. The bride wore a pretty cream crepe de chine dress, beautifully trimmed, and carried a bouquet of white roses and carnations. She was attended by her niece, Miss Jennie DeWitt, of Presque Isle, who was daintily attired in organdie. After the ceremony, which was performed on the lawn, the guests repaired to the dining room, where an elaborate dinner was served. Many beautiful presents were received in silver, glass and checks in numbers. The groom's gift to the bride was a fur-lined coat, his gift to the maid of honor being a pretty gold pin. "Chocolate, Please."

We hear this so often at our Soda Fountain that we know we have succeeded. Our success is really gratifying because we have tried hard to make a chocolate soda a little better in flavor and with more satisfaction in it than anything of the kind heretofore made either by us or anybody else. It took a great deal of experimenting to choose the right chocolate and get the right proportions for a delicious beverage, but we finally "struck it" just right.

You will be pleased after you have said "chocolate," at our Soda Fountain.

BABY CARRIAGES!

Fresh Air and Sunshine Better than Medicine, especially for the Baby.

Few farmers, lumberman or out door workers have weaklings or are sickly. It is the indoor workers or their children that are going to the Sanitariums, &c. This idea is all right but they begin at the wrong time—too late. Begin with the Baby and give it a chance to build up a strong body, get it out in the sunshine and fresh air. We have Small Folding Carriages that are very cheap and convenient. The larger ones are very nice and can be fitted with a parasol. We also have a very fine line of Upholstered Go-Carts and Carriages with all latest improvements and at very low cash prices. Call and see them and get our prices.
