Union Corner.

A very pleasant event took place at the home of the bride's parents, Mr. and Mrs. Alonzo Carpenter, Hodgdon, Maine, on Thursday Sept. 26th when their daughter Eva Louisa, was united in the holy bonds of matrimony to Arthur C. Tozier of Sprague Mills, Me. The ceremony was performed by the Rev. Mr. Hanscomb, pastor of the Methodist church Houlton, after which the guests retired to the dining room where a bountiful repast was served. The esteem in which the parties are held was shown by the valuable and useful presents received by the bride.

Florenceville.

News was received last week of the death on September 29th, in Wisconsin of E. Ross, son of Stephen Ross of this place. The young man was a fireman on a passenger train on the Chicago Milwaukee and St. Paul Railway. At a point near Hilbert Junction a freight was standing on the main line when the passenger train, at full speed, crashed into it. The caboose was crushed to bits.

Fireman E. Ross was so badly injured and scalded by escaping steam that he died of injuries before medical assistance could be given him. His death was particularly terrible. He was caught in the cab in such a position that escape was impossible and the steam scalded him to an awful end.

Bristol.

A. J. McLean, a well known blacksmith of Bristol, died very suddenly at 4 15 on Monday afternoon September 30th. He was a native of Cape Breton and was about to go to his native place when he was stricken. After buying his ticket he returned to his house on some hurried errand and fell dead on the doorstep. Heart disease, from which he had been a sufferer for some time, was the ascribed cause. He leaves his wife, who was a daughter of the late Samuel Orser of Hartland, two sons and two daughters. He was a prominent member of the I. O. F. and was an active liberal. He was fifty years old and had lived 25 years in this county. The funeral was held on Wednesday, under the direction of the I. O. F.

Bath.

The farmers have about finished their grain harvest and are now digging their potatoes which hardly average half a crop.

F. B. Carvell, K. C., M. P. and Dr. Colter, post office inspector, were in the village recently.

WE CANNOT SAY TOO MUCH FOR PE-RU-NA

These Women Say, in Substance, That Before They Took Pe-ru-na They Were Miserable.

They Were Weak and Wretched.

After Taking Pe-ru-na They Were Restored to Health and Usefulness.

This Is the Whole Story In a Nutshell.

If Pe-ru-na Can Do Such Wonders For These Women It Can Do the Same For You.

The housewife is the one who is best able to judge of the relative merits of family medicines. It is she that knows the many uses of Pe-ru-na in the family. It is upon her testimonial that chiefly depends the popularity which Peruna enjoys.

MRS. CAROLINE SUNDHEIMER

Stronger Than for Years.

Mrs. Caroline Sundheimer, Clarks, La., writes:

"I am feeling quite well now. I can work again and am stronger than I have been for years, and I do believe that Peruna saved my life."

"I am very thankful to you for your advice. I will advise all I can to take your medicine."

Centerville.

The Rev. Mr. Freeman and Rev. Mr. Bentley exchanged last Sunday and Mr. Bentley gave a very interesting discourse in the Baptist house here. His subject was "Christain Citizenship." It was a Temperance sermon and brought out the point strongly that no man had a right to do that which would injure another and that no true Christian could remain indifferent while the youth of the land was being contaminated, mothers hearts wrung with grief and homes broken up by the drink curse. He urged his hearers to support such men in office only who will pledge themselves for the abolition of the evil.

In the afternoon the Rev. Mr. Ayer took for a foundation of his discourse the advice given to Moses by Jethro in regard to the management of the affairs of the Israelites. "To provide men such as fear God, men of truth that hate covetousness and set them over the people." And he urged his hearers to do likewise in the selection of men in all positions of authority over us.

The Agricultural Show was a decided success from many standpoints but as far as exhibits were concerned was not up to other years especially in regard to farm produce but the season had much to do with any lack in this line.

Mr. Geo. Briggs of the Customs staff at McAdam has been here for the past few days and seems to be much interested in the election of Councilors.

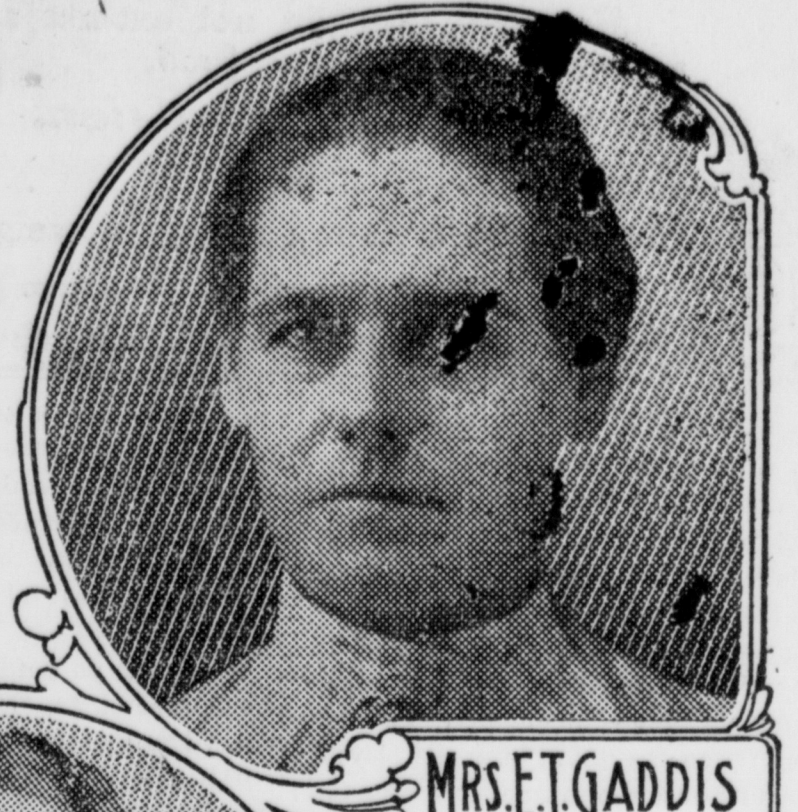

Mr. Vernon Nicholson of Florenceville and Elish Perkins of Centerville start for Vancouver next week.

H. J. Clark has a 6 H. P. Gasoline engine which he will have installed within the month and will have the machinery most necessary for carrying on his business.

There is quite a business in the potato trade now and the rot is not as bad as was at first reported but there are large quantities of grain yet in the field.

On Monday evening, Sept. 30th, there was a public meeting at Middle Simonds under the auspices of the People's Union Agricultural Society No. 83. The speakers were Dr. J. Standish of Walkerton, Ontario, who treated of the selection and breeding of beef cattle and F. E. Sharpe, of Midland, N. S., who spoke of the importance of good seed in the production of farm crops. Owing to the unfavorable weather there were not so many present as would have otherwise attended, but the meeting was held to have been a real help to the farmers who are becoming more and more interested in what science and experiment can teach them.

George Barpee and W. W. Wilson of Avondale returned from their trip to Boston on Saturday. They also visited the big exhibition at Brocton.

MRS. E. T. GADDIS

Mrs. E. T. Gaddis, Marion, N. C., writes:

"Before I commenced to take Peruna I could not do any hard work without suffering great pain. I took Peruna and Manalin, and can say with pleasure they have done more for me than any other medicine I have ever taken. Now I am as well as ever, I do all my own work and it never hurts me at all. I think Peruna is a great medicine for womankind."

From Grateful Women.

"I was troubled with suppressed and painful menstruation. I took Peruna according to your directions, and now I am well."—Mrs. James Eighmey, Grape, Mich.

"We have been using Peruna for some time. To speak from a standpoint of experience I can candidly say that Peruna is the remedy for female weakness. "From a personal test and from the testimony of many others I shall not hesitate to recommend it, especially to all suffering women."—Mrs. M. F. Jones, Burning Springs, Ky.

"I suffered from catarrh for many years, but since taking Peruna I feel strong and well. As I used Peruna and Manalin while I was passing through the change of life, I am positively convinced your beneficial remedies have relieved me of all my ills."—Mrs. Mathilde Richter, Doniphan, Neb.

PE-RU-NA FOR PELVIC DISEASES.

"I suffered with pelvic catarrh until I wrote to Dr. Hartman, and after taking treatment as he advised, I can say I am cured of this most trying affliction, for which I am truly thankful. I never felt better in my life than I do at present."—Mrs. Etta Booker, Dundurn, Sask., N. W. T., Can.

Pe-ru-na Gave Health.

Mrs. A. E. Stouffer, Capioma, Kansas, writes:

"Peruna has given me health and strength; it is the best medicine that was ever made for women. My friends say they never saw such a change in a woman. I talk to every one about Peruna. I cannot say too much for it."

A Remedy For Women.

It is safe to say that we have thousands of letters written to Dr. Hartman from women who repeat the same sentiment to be found in Mrs. Stouffer's testimonial: "My friends say they never saw such a change in a woman." Over and over again this sentence is penned by grateful women who are more than willing that we should use their words to assist other suffering women in finding a cure. Peruna is a great medicine for women. It cleanses the inside of the body in much the same way that water cleanses the outside of the body.
