A MEETING of the Golf Club will be held in the Armoury on Friday evening next for the purpose of presenting the prize won during the past season.

GEORGE RAYMOND, an old Woodstock boy, now a prosperous merchant in Boston, has sent to Woodstock twenty-five go-carts and twenty-five sleds for distribution to the small boys of the town.

MRS. J. RANKIN BROWN went to St. Stephen to be present at the marriage of her sister, Annie, to E. G. Vroom, which takes place tomorrow afternoon at the residence of the late Judge Stevens.

JOHN Y. SMITH, who keeps a saloon on Connell street, was before Police Magistrate Dibble on Monday, charged with selling liquor on his premises. The case was dismissed for want of sufficient evidence.

INSTEAD of the Y. P. S. C. E. which meets on Friday evening in the Albert St. church, there will be three cottage prayer meetings each at the homes of Robt. Lutz, Broadway, Mrs. Pead, Albert street and at the Grafton Hall.

THE many friends of Mrs. B. B. Manzer were pained to learn of her death which occurred Saturday evening at her home in Woodstock, N. B. The sympathy of many friends in this vicinity is extended to the bereaved family.—Houlton Pioneer.

W. A. HAYWARD and Isaac Draper have made application for a mining license on the land described as follows: Beginning at N. W. angle of Appn. No. 1122 for License to Search, East of River Saint John, below Woodstock, thence running by the magnet of the year 1907, North 2 1/2 miles, East 2 miles, South 2 1/2 miles, West 2 miles to beginning.

A MEMORIAL service will be held in St. Luke's church on Sunday morning for the unveiling of the memorial windows given by the friends and relatives of the late Ven. Archdeacon Neales, Mrs. Charles Connell, Dr. Connell and Julius T. Garden. The Rev. Sub-Dean Street, of the cathedral, Fredericton, will preach the memorial sermon.

THANE M. JONES has received the appointment to the position of Judge of Probate made vacant by the death of Charles Appleby after being admitted to the bar. Mr. Jones practiced for several years in Hartland, after which he went to Edmundston and went into partnership with Fred La Forest, and later with Pius Michaud. A MEETING of the local government was held in Fredericton Nov. 2th, with Hons. Mr. Robinson, McKeown, FaBillois, Jones and Farris in attendance. A delegation composed of J. Rankin Brown, Chas. L. C. J. TABOR, proprietor of the Carlisle Hotel, who had made arrangements last spring with parties in New Westminster to open the new hotel just finished in that city, has decided to remain in Woodstock. The contract he entered into was not fulfilled as regards the time of opening, and Mr. Tabor did not feel justified in opening the hotel in the dull season of the year. His patrons and the travelling public generally will be glad to know that he has decided to continue as proprietor of the Carlisle.

THE Scot Act. Inspector of Woodstock, and the Civic League promoters and Sheriff Thurlough of Houlton, formed a company, Wednesday morning, and made a friendly visit to the Line store. They were after a lot of "boose" if it could be found at any of the stores. The American officers looked over the property on the U. S. side of the line and the Canadian officials searched on the New Brunswick side. At the Thompson stand nothing was found, that seems funny. At the place opposite only one bottle of whiskey was secured and again it seems funny.—Houlton Pioneer.

THE Fairville, N. B., correspondent of the St. John Globe says:—A large proportion of the potatoes which are brought from Carleton county for the city supply are unloaded at the Fairville crossing. This fall a large percentage of those coming down are found to be so damaged by frost that they are unfit for household use. Mr. G. Keirstead opened a carload a day or two ago, only to find that all had been spoiled with the exception of 120 barrels. These had evidently been frozen before they left the field. Considerable trouble, which may not all be settled amicably, has arisen between the shippers and the buyers here, over the quality of the tubers. The frosts on the upper river have been much heavier than those here, and the farmers have very frequently been caught napping. This trouble, added to the fact that the crops were so rusted that many farmers did not bother digging at all, is likely to boost the already elevated price.
