

NEWS FROM THE COUNTY.

WOODSTOCK, N. B., JULY 31, 1907.

Union Corner.

The farmers are improving every day the sun shines in making hay which is a very good crop.

The Rev. C. Currie, a former pastor, preached for us Sunday morning July 14th. The Rev. Mr. Ford of Houlton held service Sunday evening July 21st. Both are able preachers of the gospel.

Renfrew Sypher, of Lowell, Mass., is visiting at his old home.

Miss Maud McNerlin who has been teaching in Manitoba for a year, arrived home recently.

Jessie Dickinson and Lydia Finnigan who were a short term at Farmington Normal School, Me., are at home again.

Mr. and Mrs. Emory of Fort Fairfield, Me., were visiting Mr. and Mr. Varney of East Hodgdon last week.

Lyman Marshall of this place and Miss Bracket of Houlton were united in marriage the first of this month and are staying at present at his father John Marshall's.

Mabel McNerlin of Maxwell is stopping at present with her cousin Maud.

Mr. and Mrs. J. Gerow from Meductic were at A. Carpenter's on a visit quite recently.

Mrs. Wm. Glidden and daughter Gladis of Woodstock were visiting her sister, Mrs. M. Carpenter recently.

Kirkland.

We are having very rainy weather. The farmers have commenced haying. The potato bugs are very plentiful.

Miss A. Jean Bustard returned home from Auburn Maine July 22nd.

Centreville.

Herrick Scholey arrived home from the north west last week and will spend a few weeks vacation with his parents Mr. and Mrs. H. T. Scholey. He has been gone about ten years and notices many changes in place and people in that time.

Mrs. David Fitzgerald and her daughter Mrs. Walter Everett came home from Wyoming State a little more than a week ago. Mrs. Everett returned to St. Louis on Monday but Mrs. Fitzgerald will make her home for the fall and winter with her son Perry Fitzgerald of Glassville.

Hilson Lunn passed a highly satisfactory examination before leaving Wolfville college and was awarded a first class certificate in his different branches of study and has already secured a position in a Bank in Woodstock. It is a source of much pleasure to note the advances made by the young men of this village and we sincerely hope they will prove most worthy of the confidence placed in them.

Mrs. Fannie Lunn has been ill for some time and is still confined to her bed and Mrs. Frank Sloat is also quite sick from hemorrhage of the lungs. The humidity of the atmosphere for the past ten days seems to have a very depressing effect on those whose vitality has been impaired by disease.

Atkins Miller and E. L. West have been chosen Deacons of the Tracy Mills church.

The Chief Superintendent of Education has granted Miss Belle Simonson a licence to

teach in Highgate District near Hartland the coming term after which she will resume her studies at the Normal School.

Notices are up calling for tenders to remove our school building west sixty feet from its present site in order that excavations can be made for the foundation of the new building.

Miss Avard who has been visiting friends in Centreville for some time will return to Hillsboro the coming week where she has consented to accept a position in one of the graded schools on account of the tempting advance in salary.

Farmers are somewhat discouraged over the poor prospect of getting good hay. St. Swithin's day coming in for a large share of the blame.

An addition is being built to the exhibition building. The managers of the grounds and buildings are praiseworthy in the attention they are giving in matters relating to the affairs of the society.

Central Southampton.

The crops are looking well in this vicinity, but the heavy rains have made haying very late.

Mr. and Mrs. Henry Farnham of Presque Isle were the guests of Mr. Farnham's parents at the Central House a few days last week.

Mrs. A. J. Beveridge is visiting her daughters at Fort Fairfield, Me.

Mr. Roberts, Boston, is spending the week in town.

Bath.

The preliminary surveys are being made for the highway bridge across the St. John river at this place. This project will when completed be a great boon for the people residing on either side of the river here, for Wicklow Parish opposite is so geographically located that Bath, is the proper point for shipment of farm and other produce from there.

The farmers have begun cutting their hay which is an excellent crop, and if only fine weather shall continue a large amount will be housed in excellent condition.

William Post has moved his family and household effects to Plaster Rock, where he is at work in the Lumber Mills of Donald Fraser & Sons.

C. E. Gallagher has a crew of men laying the stone for a foundation of his new residence in the rear of his lot here. This residence when completed will be one of the finest in the town. Albert Kinney of this place has the contract for the work of building the house.

James Lister is at work on the Methodist Parsonage at Florenceville.

The recent heavy rains have raised the water in the St. John river to almost spring freshet height.

The Local government have added two new road machines to the Parish this year. These machines are supplied from the factory of the Massey-Harris Co. Ltd., through their Local Agent here, Patrick Corbett.

The local agent for the different farm Machinery Firms have supplied the farmers with a large number of potato sprayers, this season.

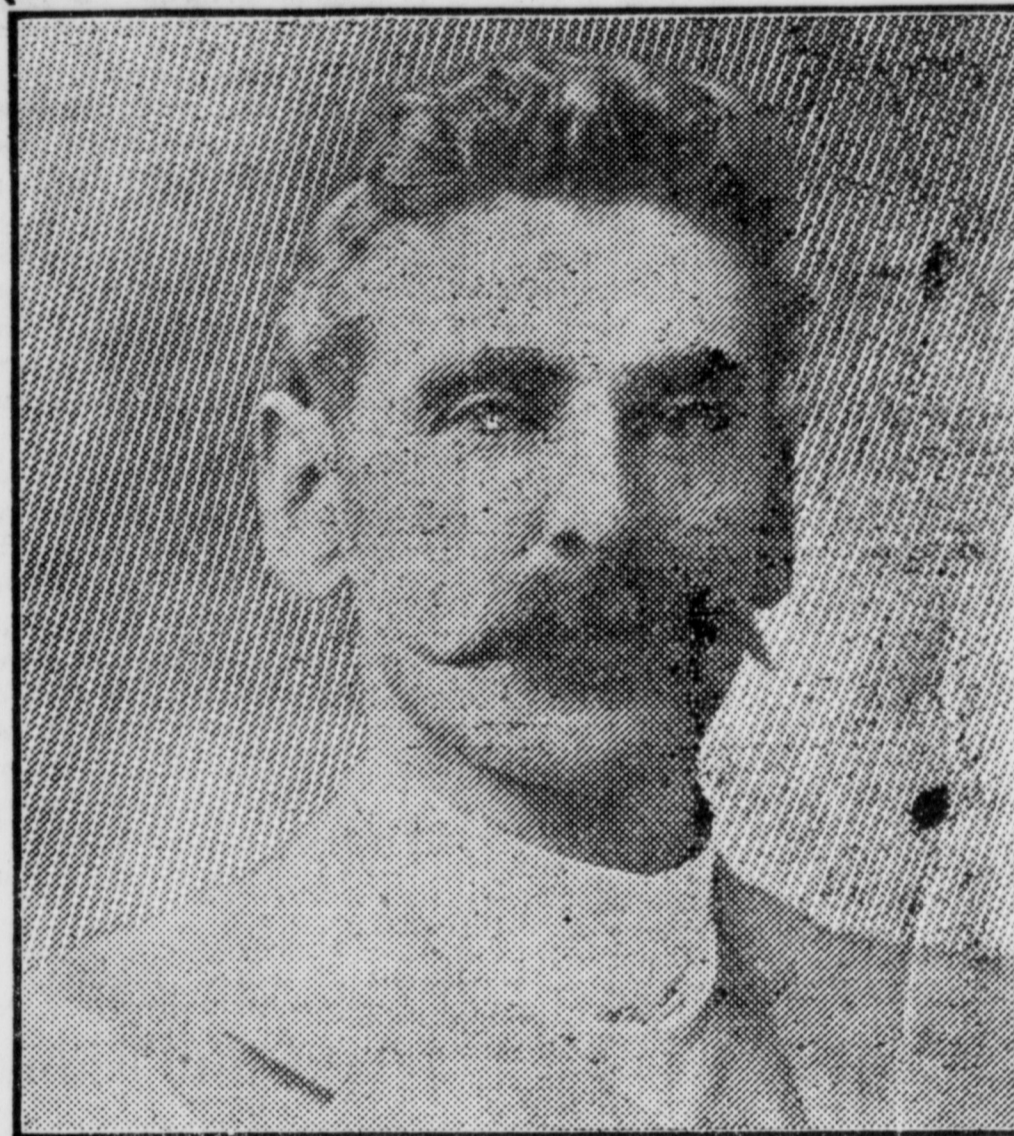

C. E. Gallagher & Sons will begin soon the erection of a potato house, near "The Hutchinson Warehouse" having purchased a site for the same from Stanley Barker.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the RESULT of your ailment, and not the CAUSE. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for samples and free book. Dr. Shoop, Racine, Wis. The Restorative is sold by All Dealers.

WHEN YOU CATCH A COLD

Always Take a Few Doses of Pe-ru-na It Is Dangerous to Neglect a Cold.

Mr. George A. Nicholas, 76 Wellington street, Launceston, Tasmania (Australia), is a prominent grocer, having been in the business about 18 years. He writes as follows: "I have on several occasions, when afflicted with a cough or cold, used Peruna with the best of results. I believe it to be a splendid remedy for such ailments."

MR. GEORGE A. NICHOLAS.

A LARGE per cent. of chronic ailments begin with a neglected cold. A cold produces congestion of some internal organ. The congestion at last becomes chronic and organic disease is the result.

When an organic disease becomes thoroughly established, it is absolutely incurable. Thus it is dangerous to neglect a cold.

A remedy should always be at hand that can be relied upon to promptly relieve a cold.

There is no better remedy in the world for this purpose than Peruna, which has been in use for a great many years.

It has been the standby in a multitude of homes as a remedy for colds, coughs and catarrhal ailments of summer and winter.

We will give a few specimens of the many testimonials we have received from different parts of the world as to the efficacy of Peruna as a remedy for colds:

"I contracted a severe cold, and became afflicted with a bad cough. I began taking Peruna. In a short time my cough and cold were gone."—Mr. Louis Monpetit, 251 St. Elizabeth Ave., St. Henry, Montreal, Canada.

"I have received great benefit from Peruna, and hope to see it in my country, Cuba. The home protected by Peruna is free from catarrh."—Mr. Jose I. Soler, President Cuban Fruit Co., 2018 Jerome Ave., New York, N. Y.

"As soon as I get a cold I send for Peruna, and it drives it out of my system."—Mr. L. Clifford Figg, Jr., 2929 E. Marshall street, Richmond, Va.

Vaccination for Blackleg and Anthrax in Cattle.

The disease known as Blackleg in cattle, although entirely unknown in many extensive agricultural sections of Canada and not at all widespread in any district or province, annually causes quite extensive losses to cattle raisers. Anthrax, which is quite a different disease, although frequently confused with Blackleg in the minds of many cattle raisers, is also the cause of serious loss of stock. The former disease is almost entirely confined to cattle under three years and is generally fatal. The latter attacks other classes of farm animals and the human subject is not exempt from its infection which generally results seriously.

By the aid of science cattle raisers are now enabled to protect their stock against these maladies. As the human family is vaccinated against small pox, in the same manner cattle are rendered immune from Blackleg and Anthrax. The Department of Agriculture at Ottawa through the Health of Animals Branch is now in a position to supply preventive vaccine for each of these diseases at the nominal cost of five cents per dose. Until recently, by special arrangement with extensive manufacturers in the United States, these products were secured at a reduced cost, and were placed in the hands of Canadian cattle raisers at ten cents per dose for Blackleg vaccine and fourteen cents per dose for Anthrax vaccine. It is due to the fact that these preparations are now being made at the Biological Laboratory in connection with the Health of Animals Branch that they can be supplied at five cents per dose.

The vaccine for Blackleg may be administered by any intelligent person by means of an instrument supplied by the Department at fifty cents.

Anthrax vaccine, which is also supplied at five cents per dose, is more difficult to administer requiring a qualified veterinarian to treat an animal.

Cattle raisers who have fear of an attack of either Blackleg or Anthrax would do well to apply to the Veterinary Director General at Ottawa for the proper preventive treatment.

Woodstock Races.

Everything is in order for Thursday and Friday the two big days. The park has at present the finest horses in the county, 42 in number, quartered in the stables, including the winners in the maritime provinces, and some of the best horses from the States. So it will be Canadian blood against America's finest, and all owners out for first money. All lovers of horse racing will witness the greatest racing ever seen in Woodstock.

Glassville

PEOPLE PLEASE NOTICE.

C. E. Vail, of Centreville, N. B., who has been to Montreal taking a graduate course in the Canadian Optical Institution of Canada, and who was honored with a diploma, will be at Glassville Corner hotel on the first Tuesday in each following month. Eyes examined free. Satisfaction guaranteed. Don't be fooled any longer with those travelling so called opticians, for the right kind of glasses means something to you. It wants a room prepared for testing eyes, with lamps so arranged that the room can be darkened, so when a person gets glasses fitted in this manner they have no difficulty in reading by lamp light as well as day light.

Watch work can also be handed to me which will be repaired at my shop in Centreville and returned by mail.

Yours very respectfully, C. E. VAIL.
