A Dutchman's Honeymoon.

"Laugh and the world laughs with you, weep and you weep alone." What is the use of weeping when it is so much easier to laugh and not only be happy yourself but make those around you happy. Every time you are handed a laugh you are happy. "A Dutchman's Honeymoon" which comes to the opera house next Friday evening, July 19th, will hand you so many laughs that you will forget all your troubles. This splendid comedy has made a wonderful record as a laugh provoker during its short career. The bright witty dialogue, catchy music, specialties, and laughable situations follow one another in such rapid succession that it may truthfully be styled a whirlwind of mirth and melody. It is undoubtedly the comedy treat of the season. Are you married? Go and see if the "Dutchman" had more fun on his honeymoon than you did on yours. If you never had a honeymoon go and get some pointers for future reference.

"Chocolate, Please."

We hear this so often at our Soda Fountain that we know we have succeeded. Our success is really gratifying because we have tried hard to make a chocolate soda a little better in flavor and with more satisfaction in it than anything of the kind heretofore made either by us or anybody else. It took a great deal of experimenting to choose the right chocolate and get the right proportions for a delicious beverage, but we finally "struck it" just right.

You will be pleased after you have said "chocolate," at our Soda Fountain.

Glassville

PEOPLE PLEASE NOTICE.

C. E. Vail, of Centreville, N. B., who has been to Montreal taking a graduate course in the Canadian Optical Institution of Canada, and who was honored with a diploma, will be at Glassville Corner hotel on the first Tuesday in each following month. Eyes examined free. Satisfaction guaranteed. Don't be fooled any longer with those travelling so called opticians, for the right kind of glasses means something to you. It wants a room prepared for testing eyes, with lamps so arranged that the room can be darkened, so when a person gets glasses fitted in this manner they have no difficulty in reading by lamp light as well as day light.

Watch work can also be handed to me which will be repaired at my shop in Centreville and returned by mail.

Yours very respectfully, C. E. VAIL.
