

NEWS FROM THE COUNTY.

WOODSTOCK, N. B., OCT. 16, 1907.

Peel.

A meeting for the organization of an Adult Bible Class, in connection with the Union Saboth School was held in the Union Church at Peel, on Thursday evening, October 3rd. Officers were elected as follows:—Teacher Mrs. J. K. Flemming, President S. J. Hatfield, Vice President Myrtle Golding, S. C. Treasure Arlie A. Rideout. To complete the organization a meeting was appointed at the Superintendents home on the following Monday evening. Committees were appointed as follows:—Membership Willie Golding and Clifford Rideout; Reception, Arlie Rideout; and R. M. McLachlan; Devotional, Mrs. Markey; Entertainment, Miss F. M. Chase; and Miss Alma Ebbett; Visitation, Miss Flora M. Rideout. Various questions were discussed, viz: the advisability of changing the heating apparatus, the method of raising class funds, increase of membership, etc.

Centreville.

Charles Cowan of Royston died at his home last week after a lingering illness of diabetes. He has been a helpless sufferer for many months and the end was not unexpected but was heartily welcomed by him. Henry Taylor of East Florenceville died last Wednesday also of diabetes. He was confined to his bed but a few days. He was a member of the Methodist church, was also a member of the I. O. F. and was buried on Friday under the rites of that order. The Parish Elections seem to have an utter disregard for the predictions of the election guesser and in many cases go most any old way but the one we have predicted. In Wilmot two candidates covenanted to use their influence each for the other but when the votes were counted six single tickets were found for one and over sixty for the other. Some of the electors have demanded an explanation. The young people of the village are busy practising for a concert to be given in the near future. The musical part of the programme is under the supervision of Miss Ida Sherwood and promises to be very interesting. An important part of the entertainment will be a comedy entitled "The Spoiled Darling." The time will be announced for the entertainment through the Press and by posters at a later date, and all are anticipating an enjoyable evening when the time comes.

Mrs. F. D. Tweedie will start for New York on Wednesday and will visit relatives and friends in Boston on the way. Mrs. Jos. Cahill is visiting in Centreville the guest of Mrs. Tweedie and Mrs. Clark.

Andover.

Mrs. I. R. Cameron spent last Sunday in Caribou, with her daughter, Miss Eva Cameron. Mr. Ward, Fredericton is spending some weeks with his daughter, Mrs. Thos. Lawson. Miss Bessie Curry went to Tilley on Monday, where she will teach until Christmas. Mrs. S. J. Libby, Mrs. L. Hacker, Fort Fairfield, Mrs. Howard Dow, Caribou, Mrs. George Gabel, Myrtle Gabel, and Raymond Gabel Woodstock were visiting at the home of S. P. Waite, Wednesday and Thursday of last week. Mr. and Mrs. D. R. Bedell have returned from a pleasant visit in Newport, R. I. T. J. Carter and Dr. Welling returned on Monday from their hunting trip. Neither gentleman was successful in seeing a moose. Mr. Carter is spending a few days in Woodstock, N. B. Mr. Thomas, Toronto, addressed the congregation in the Church of England on Sunday. Rev. Gordon Pringle, Kincardine, will conduct service on the Kirk in Sunday evening next. Mrs. A. J. Beveridge is visiting her daughter, Mrs. G. Kinney, Fort Fairfield. Harold Waite, of the Sovereign Bank of

Canada, Montreal, is spending his vacation at his home here. His many friends are glad to welcome him home.

Bath.

Prof. John A. Nicholls closed his series of temperance meetings in the United Baptist church on Friday evening, on which occasion a very large attendance was present to hear the great orator.

Miss Emma A. Smith, principal, and Miss Kate L. Barker, primary teacher, of Bath school attended the sessions of the Carleton County Teachers' Institute on Thursday and Friday last at Florenceville.

Mr. and Mrs. Norton Kinney, who have spent several weeks with friends and relatives here, have returned to their home at Reading, Mass.

Mr. and Mrs. C. M. Sherwood, of Centreville, were callers here yesterday at Mrs. Sherwood's parents, Mr. and Mrs. George Milberry's.

H. E. Gray and Mr. Stapleforth paid a visit to Odell, Tobique, on a hunting tour last week and were partially successful. They secured a deer.

Many friends of the late Henry Taylor attended his funeral at Florenceville on Friday afternoon last. Mr. Taylor formerly resided near this village for many years and has two sisters now residing here, Mrs. E. D. R. Phillips and Mrs. H. C. Phillips, and one son, Arthur Taylor who resides on the old homestead here.

Mrs. Minard and daughter, Mrs. Esqate, of Rhode Island, are spending the autumn months at Mrs. Minard's old home here, at Mr. and Mrs. George Milberry.

John W. Bohan has his potato house all completed outside. C. E. Gallagher & Sons have theirs also completed on the outside.

Richmond.

Henry Hay took in the exhibition at Halifax.

The annual Thanksgiving service was held in the St. John's church Sunday the 13th and was well attended. The church was decorated with ferns and autumn leaves. The usual fruit and grain was also there.

The many friends of Mrs. Nelson McBride were sorry to hear of her serious illness. She underwent an operation on Saturday.

SCIATICA CURED.

Mrs. Charles F. Haley Restored by Dr. Williams' Pink Pills.

"I was utterly helpless with sciatica. I could not move in bed without aid. Doctors treated me, but I did not improve. I used Dr. Williams' Pink Pills and today am a well woman." This tribute to the merits of Dr. Williams' Pink Pills is made by Mrs. Charles F. Haley, of Yarmouth, N. S. Two years ago she suffered more severely from an attack of sciatica, and for a number of months was an invalid confined to her bed. She further states: "It is impossible for me to describe the pain from which I suffered. I endeavored to continue my profession as a music teacher, but was forced to give it up. The doctor said the trouble was sciatica, but his treatment did not help me. I could scarcely take a step without the most acute pain shooting through my back and down the limb. Finally I took to my bed and lay there perfectly helpless, and could not move without aid. The pain was never absent. I consulted another doctor, but with no better results, and I began to think I would always be a sufferer. One day a friend who was in to see me asked why I did not take Dr. Williams' Pink Pills, and on her advice I decided to do so. The result was beyond my most hopeful expectations. All the pains and aches disappeared and I have never since been troubled with sciatica. I have no hesitation in recommending Dr. Williams' Pink Pills for the trouble from which I suffered."

When the blood is poor the nerves are starved; then comes the agony of sciatica, neuralgia, or perhaps partial paralysis. Dr. Williams' Pink Pills actually make new, rich, red blood, which feeds the starved nerves, drives out pain and restores health. It is because these pills actually make new blood that they cure such common ailments as rheumatism, anemia, backaches and headaches, heart palpitation, indigestion and the painful irregularities of growing girls and women. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Teachers' Institute.

At Florenceville, on Friday afternoon the Carleton County Teachers' Institute closed one of the most successful sessions in its history. Over seventy teachers were present with a larger percentage of male teachers than usual. The committee on arrangements had provided for the accommodation of teachers and met all trains and directed teachers to pleasant quarters. A large number arrived on Wednesday afternoon and that evening a dance was given in the Hall, and an oyster supper at the Florenceville House. This enabled the teachers to become acquainted before the Institute began and greatly facilitated the work of the following days.

On opening the Institute on Thursday morning Principal C. D. Richards delivered a masterly address on "Efficient Teaching" which was dealt with under four heads, (1) Thorough knowledge, (2) Ability to Control, (3) Ability to Impart, (4) The teacher out of the school. He did not aim to give a theoretical paper but treated the practical difficulties of the school room in a way that was interesting and helpful to all.

Inspector F. B. Meagher followed with a brief address in which he called particular attention to the Consolidated School building in which the meeting was held, the benefits of consolidation and the provisions of the Board of Education for the consolidation of districts. In his remarks to young teachers he gave much helpful advice and urged upon them the necessity of giving particular attention to details. Rev. Mr. Anderson a member of the Florenceville school board welcomed the teachers and gave a short but most interesting address which clearly showed he was no stranger to the work of the school room.

The Thursday afternoon session opened with a most inspiring address by F. C. Squires, B. A. Principal of the Florenceville Consolidated school on "How to manage the Boy." That Mr. Squires has a keen insight into boy nature is evident, both by the address and by the success he had in his school. He proclaimed the boy a Hero-worshiper, and said that his hero must be brave and modest, must be a stoic, a detective an athlete: that his Heroine must not be athletic but must be an ardent admirer of all games and sports—that athletics may be made to form a bond of union and good fellowship between pupils and teacher. That the boys have a code of honor which the teacher must respect and educate. The keynote of his address was to make athletics the bond between the teacher and the boy. After a spirited discussion by Principal Isaac Draper, Prin. Richards, Inspector Meagher and others. Beverly R. Armstrong of St. John, representing the Annuity Company of Canada, presented a plan for a Pension Fund for Teachers. After a brief discussion it was decided to appoint a committee to take the matter into consideration and to report at next meeting. The committee consisted of C. D. Richards, R. E. Esterbrooks, Lewis H. Baldwin, Misses Marion R. Tompkins and Annie E. Dibblee.

Institute adjourned to visit the Sloyd room where a very interesting lesson was given by Miss Pickel.

PUBLIC MEETING.

On Thursday an enthusiastic public meeting was held in the Assembly Hall of the Consolidated School. President Richards presided and a delightful programme of music and addresses was carried out. The Carleton Cadet Band rendered several choice selections, a number of the school children rendered a splendid chorus and Mrs. Semple delighted the audience with a solo. Addresses were given by Rev. Mr. Anderson, Dr. D. W. Ross, Rev. Mr. Pierce, J. Kid Fleming and Solicitor General Jones. In the course of his remarks Mr. Jones referred to the Pension Fund under consideration and said that while he could not speak for the Government yet as a member of that Government he thought a better scheme would be to distribute the fund required by the Annuity Company among those teachers who have taught 15 years and upwards. This would mean an average increase for these teachers of \$50 or more per year and would be more effective in keeping teachers in the profession than any hope of a pension at the age of sixty.

At the Friday morning session committee appointed to consider the Pension Fund reported and the following resolution was adopted:—

Resolved that the Pension scheme as outlined by B. R. Armstrong, Esq. of St. John, representing the Annuity Co of Canada, whereby both Government and teachers would contribute does not appear to us to give adequate returns for the money invested; and futher.

Resolved that the scheme whereby the Government alone contributes and the teachers receive a pension at the age of sixty, while preferable to the first scheme, does not meet fully the requirements; and futher. Resolved that the fund required to be paid by the Government to the Annuity Company of Canada would be better invested if some scheme were adopted whereby the same sum would.

A SHORT HISTORY

A Serious Case of Chronic Catarrh Gradually Overcome By Pe-ru-na.

A REMARKABLE CASE.

MR. ARTHUR TREMBLAY, 8 St. James street, Mont Pleasant, Que., Can., writes:

"About three years ago, catarrh in its most serious form assailed me. I consulted a specialist who prescribed medicines as constitutional treatment and a liquid to use locally.

"This gave me relief for a time, but soon afterwards the disease returned.

"I was then suffering very much, my appetite had left me and I was growing weaker.

"I had frequently read pamphlets regarding the cures made by Peruna, and although somewhat dubious as to its doing me any good, I decided to try a few bottles.

"I had not taken Peruna for more than two weeks before a marked improvement was perceptible.

"As I continued taking the remedy, the disease gradually disappeared and in a few months I was entirely rid of the nauseous malady."
