MDE. JOSEPH BEAUDOIN.

Mde. Joseph Beaudoin, 59 Rue St. Olivier, Quebec, P. Q., Can., writes:

"Peruna is wonderful for indigestion. I eat whatever I want and no longer feel any oppression."

"Having had dyspepsia for a long time and having tried various other remedies, I decided to try Peruna and with the fourth bottle of it I was perfectly cured."

"For this reason I recommend it to all those who are suffering with that terrible malady, dyspepsia."

"I hope that all who are afflicted in this way will take Peruna as I did."

The experience of Mde. Beaudoin ought to be sufficient proof to any one of the value of Peruna in cases of catarrhal dyspepsia. If you suffer from stomach catarrh in any of its various forms, give Peruna a fair trial, avoiding in the meantime all such indiscretions in diet as would tend to retard a cure, and you will soon be rewarded by a normal appetite and healthy digestion."
