

HARTLAND and VICINITY.

Hartland office in charge of Fred. H. Stevens, at EVERETT'S AGENCY, where orders for Advertising, Printing and Items for publication may be left.

Mr. and Mrs. George C. Watson have taken up their residence for the winter at the Commercial hotel. They have rented their house to G. W. Green.

Get your barbering done at C. E. Allen's in Hartland. There is no other first class barber in the county north of Woodstock. (Adv't.)

Scott Sipprell did not move into the Matheson blacksmith shop as he intended to do a few weeks ago, but has instead rented the Carr shop advertised in the DISPATCH two weeks ago.

The C. P. R. seems bent on torturing the nerves of property holders in this village by making surveys for the diversion of its line through town. One survey goes through the house owned and occupied by John F. Murdock, while the men who were here last week surveyed a route that goes through lots whereon are situated the Commercial hotel, DeWitt Bros. warehouse, the Bank of Montreal, the hose house, and residences occupied by Fred Boyd, Asa Thornton and George Fisher, and will cut through the hill whereon G. R. Burt's house is situated, making a straight run to the Becaguinnac bridge. All this work is to avoid the dangerous blind curve just north of the village. It is not expected that any work will be done in this matter until next season.

A week ago Saturday a man from the back country cut up unbehavily on the streets, wobbled in his gait, swore, and took it into his head that no one, however peaceably disposed, should pass by him. Women, children, and some men were frightened by him, and a general stampede was imminent when a young man who would brook no such insolence from any man administered a good, swift punch in the region of the solar plexus. The boisterous chap subsided quickly and went away somewhere to sleep off the most disgusting "jag" seen here in many a day. Afterward information was laid against him to Justice Everett, and subsequently he deposited a small fine and took the pledge.

The Avondale Woodworking Factory, run by Burpee & Wilson, are turning out storm windows at a great rate. Now is the time to place your orders; see their ad.

George Baird, of Portland, Oregon, was visiting D. E. Morgan last week. He is a former St. John man but years ago when the New Brunswick railway was built he was employed in this vicinity as a boss bridge builder. He had not seen Hartland since twenty-three years ago.

Miss Annie Perry of Worcester, Mass., has been visiting her father, Rev. John Perry.

On Wednesday evening Mrs. John T. G. Carr entertained the members of the Methodist congregation to the number of about thirty at a reception given to Rev. and Mrs. E. J. Webber who were married a week previous. A very enjoyable evening was spent from eight to ten.

Misses Blanche and Winnie Nevers entertained a small party of friends very pleasantly on last Tuesday evening.

The DISPATCH can be bought every Wednesday, the St. John dailies every day, and books and magazines galore from Estey & Curtis Co., Ltd.

To have stated last week that Amasa Plummer had moved into his new residence was an error.

The other day while the house occupied by Rev. John Perry was being raised preparatory to a new foundation being placed under it, the blocking under one side gave way and the building dropped suddenly down a distance of two feet. The chimney toppled over, the household goods were somewhat disarranged and the inmates were started as though by an earthquake.

The revival services at Upper Brighton church, conducted by Rev. A. F. Baker and Rev. J. B. Daggett still continue.

Holland H. Smalley, who had thirteen acres of potatoes in, has got about 350 barrels from the lot, a little more than 25 barrels to the acre. After working all Friday afternoon for a barrel and a half of potatoes he quit digging for this year and will resume early next spring. He has about an acre still undug.

Orders for job printing left with the DISPATCH correspondent will receive prompt attention. The facilities for doing job work at the DISPATCH office are equalled by few and surpassed by no office in the province. The latest type-faces, the best presses, and artistic composition give work from this office a distinctiveness not obtainable everywhere.

Rev. A. F. Baker, pastor of the United Baptist church, surprised his congregation on Sunday evening by tendering his resignation to take effect soon as convenient. He has received and intends accepting a call to a church near Prince Rupert, B. C. Tonight the members of the church will meet to take action in the matter.

Knowlton-Rogers.

At the residence of Mr. and Mrs. J. J. Rogers, Northampton, on Wednesday afternoon, October 30th, their youngest daughter, Augusta M. was united in marriage to Mr. Jesse Knowlton of Richmond by Rev. E. C. Turner in the presence of one hundred guests. The bride was attended by Miss Elizabeth Marsten; the groom by Wm. J. B. Rogers, brother of the bride. The wedding march was rendered by Mrs. Tappan Adney. After the ceremony the company enjoyed a bountiful repast. The happy couple left for their future home in Richmond amid showers of rice and well wishes for their future happiness. The presents were numerous and costly. The bride was dressed in white mull with lace trimmings, the bridesmaid in blue nuns veiling trimmed with overlace and braid. The groom's present to the bride was a brooch set with pearls, to the bridesmaid a solid gold brooch; to the groomsmen a gold tie pin.

Suffering Women.

Made Well and Strong by Dr. Williams' Pink Pills.

Every dose of Dr. Williams' Pink Pills makes new blood. Every drop of pure blood brings the ill disheartened woman nearer to health and happiness. Dr. Williams' Pink Pills have brought the glow of health to thousands of sufferers who gladly bear testimony to that effect. One of these is Mrs. Elizabeth Dunham, of Welland, Ont., who says: "For more than a year I was greatly run down. I had sickening headaches and my heart would palpitate so violently that at times I feared death was near. I was under the care of a doctor, but instead of improving I lost strength and my weight decreased from one hundred and forty to ninety pounds. I am glad I did so, for after using the Pills a few weeks I could see a marked improvement in my condition. The headaches left me, I regained strength; the distressing heart palpitation ceased and at the end of two months I was fully restored to health and felt better than I had for the past twenty years. Dr. Williams' Pink Pills are truly a marvellous medicine and I cannot praise them enough."

Heart palpitation, anaemia, headaches, loss of appetite, general weakness, backaches, weariness and a host of other troubles are all the outcome of bad blood. Dr. Williams' Pink Pills make new, rich red blood—the pure blood does the rest. That is why these pills cure all troubles due to watery blood or weak, shaky nerves. There is not a nook or corner in Canada where you will not find some grateful person who has been cured by the use of Dr. Williams' Pink Pills. On the word of your neighbor we ask you to try this medicine if you are weak, ailing or run down. The pills are sold at 50 cents a box or six boxes for \$2.50 at all medicine dealers or from The Dr. Williams Medicine Co., Brookville, Ont.

B. F. Smith Thrown From His Waggon.

While driving near Victoria Corner on Thursday, B. Frank Smith, M. P. P., was thrown from his waggon and received a bad shaking up. It was thought at the time that his injuries were more serious than they really were. Dr. MacIntosh who was called found no bones broken but the muscles of the chest were strained and Mr. Smith was painfully bruised. He was driven to his home at East Florenceville and is now almost fully recovered.

SPECTACLE BARGAINS!

are often offered you by the travelling peddler. At least he says so. But the only real bargain in Spectacles is when you get your eyes properly fitted by people who are always within reach when you want to consult them. For more than ten years we have fitted glasses and if we have a dissatisfied customer we do not know it. Often glasses are brought back but we make it right with the customer. Our Mr. Aiton is a graduate from two Optical institutions and thoroughly understands the all-important matter of fitting the lenses. Cheap, ill-fitted glasses will make your sight worse. Wear glasses perfectly adapted to your vision. You can get them here at prices ranging from 25 cents to \$10 in every approved style of frames. In every case we offer better value than any peddler and are always here to back up our goods.
