The New Methodist Church.

The new Methodist church is to be 96 feet on Green street and 65 on Chapel street, with the choir and pastor's room extending another 12 feet on Chapel. The tower will be 68 feet high. There will be two entrances on Chapel and one on Green. The Sunday school room will be on the same floor as the main auditorium and may be thrown open to increase the seating capacity of the church. Up stairs over the Sunday school room will be a social room with ladies' parlor and kitchen.

The design is an absolutely new one being worked out by Mr. Mott, of St. John, from instructions given him by the pastor. The foundation will be of cement and a granite base like that of the Armoury will extend up about five feet. Above that will be the main body of red Tobique lime.

The pipe organ has been taken down and stored up stairs in Balmain Bros. warehouse. When the new church is ready an expert from the factory will come and put it up.

Crabb-McInerney.

At 8.30 o'clock Wednesday, June 5th, St. Agnes' church, Debec, was the scene of a very pretty wedding when William Crabb, a promising young farmer, the second son of Mr. and Mrs. Henry Crabb, was united in marriage to Miss Mary P. McInerney, only daughter of Mr. and Mrs. Charles McInerney, of Sandy Point Road, St. John. The ceremony was followed by mass, for which the altar was decorated by the young people with potted plants and illuminated with colored lights and wax tapers.

The esteem in which the young lady is held was shown by the many and costly presents she received from friends in many places. The taste with which the bride was gowned drew most favorable comments from the large number present.

The ceremony was performed by the rector, Rev. M. J. Murphy, cousin of the bride, and witnessed by Frank Crabb, brother of the groom, and Miss Catherine Lenehan, of Houlton, Me. Afterwards the young couple, together with some of their immediate relatives, were entertained at luncheon in the rectory.

The First Beer Case.

The first case under the new Town by-law imposing a license of \$100 on everyone selling non-intoxicating beer, at retail, was held before Mr. Dibblee, Police Magistrate on Monday morning, when John Smith appeared to answer the charge of exhibiting and offering for sale non-intoxicating beer without such license. J. C. Hartley represented the Town and T. C. L. Ketchum the defendant. Defendant's counsel took the objection that the by law was unconstitutional and ultra vires of the town council, exceeding the powers conferred by the act. A witness was called who swore that he purchased a glass of beer from the defendant and that it was non-intoxicating. The magistrate imposed a fine of one dollar and costs, and as defendant gave notice of appeal proceedings were stayed.

To the Mayor and Town Council of the Town of Woodstock:—

The petition of the undersigned residents of the town of Woodstock, humbly sheweth: That your petitioners are desirous of establishing within the Town of Woodstock a telephone exchange of the automatic system or such other system as your petitioners may approve of; and they are desirous of having the permission from the Town Council of the Town of Woodstock to erect poles and string wires along the streets of the said town, for purpose of the said telephone exchange, subject of course, to the direction of your street committee or street commissioner, with regard to the location of the said poles and wires.

Your petitioners feel that it would be in the interests of the town to have an exchange owned and operated by the citizens of the said town, and thereby furnish competition and thus keep the rates within moderation. Song Recital.

The song recital given in the opera house on Monday evening by Mrs. Geo. W. Gibson assisted by local talent for the benefit of the Methodist church building fund, was attended by a good audience.

Mrs. Gibson, who is a pupil of Mrs. Adney, was in splendid voice and has never been heard to better advantage. Her selections captivated the audience. In one of her selections she was accompanied by Mr. Dickie on the violin.

Clyde Camber, who made his first appearance before a Woodstock audience as a basso, is possessed of a very promising voice. Although a little nervous he sang his selections in good style and was heartily applauded.

Mrs. Rankin and Mrs. Adney sang a duet very sweetly, and should have been heard again on the programme.

Miss Maude Henderson played three selections on the piano in grand style and received much applause. She is certainly becoming a master of the instrument.

A Mother's Gratitude.

Mrs. V. Cheoret, of St. Benoit, Que., writes as follows: "It is with feelings of the deepest gratitude that I write to tell you what Baby's Own Tablets have done for my baby. When I began giving him the Tablets he was so thin and wasted that he looked like a skeleton. His digestion was poor; he was constipated and cried day and night. I got a box of Baby's Own Tablets and from the first they did him a great deal of good. His food digested better; his bowels worked regularly; his sleep was natural; he stopped crying and began to grow fat. I got another box and am happy to say before they were all used he was in perfect health and is now a plump rugged child. I always keep a box of Tablets in the house and would advise other mothers to do the same." The above is a fair sample of hundreds of letters that come from all parts of Canada praising Baby's Own Tablets. The Tablets cure all the minor ills of babies and young children, and are absolutely safe, as they do not contain one particle of opiate or narcotic. Sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co. Brockville, Ont.
