BODY CLEANING EVERY SPRING MORE URGENT THAN HOUSE CLEANING.

Many Women Have Discovered That a Course of Treatment With Pe-ru-na Cleanses the System of the Accumulations of Winter.

MRS. ALICE BRADLEY.

Mrs. Alice Bradley, Thorold, Ont., Can., writes: "Two years ago I became weak and rundown and as time passed I gradually failed until a year ago, when I experienced a stroke of paralysis, which affected one side and I was helpless. "I called in professional medical treatment, but steadily grew worse. "I had decided I never would rise again from my bed, but, when Peruna was brought to me and after having taken four bottles of it, I was able to be out and a wonder to myself and friends. "I consider Peruna a great blessing to the afflicted. I may add that my daughter has also used Peruna and has been blessed with renewed health. I believe Peruna saved our lives."

Clean Up Once a Year.

CLEANING up the body in the spring is a duty everyone owes to himself. Face powders may hide a rough skin, but Peruna helps to produce a skin that need not be hidden. The source of good blood is good digestion. Peruna aids digestion. Those people who have regular bodily functions have a clear and delicate skin. Peruna helps to restore these functions. Most skin deformities depend upon systemic derangements which cannot be corrected by local treatments. Peruna is a systemic remedy, reorganizing and regulating the whole body.

Health and Complexion, Strength and Beauty Depend Upon Clean Blood and Good Digestion.

Mrs. Daniel Passmore, Welland, Ontario, Can., writes: "For three years I was severely afflicted with stomach trouble, and for days at a time I could not eat anything. I grew thin in flesh, had headaches and was the picture of despair. "I was attended by three doctors, but got no good results. "Finally I began the use of Peruna. I soon noticed an improvement and after using three bottles, I was able to relish a meal, in fact, could eat anything. "To-day I feel well and strong. I consider that Peruna has saved my life and I shall always praise it."

MRS. DANIEL PASSMORE.

Mrs. N. P. Lawler, 423 1/2 N. Broadway, Pittsburg, Kas., writes: "Last spring I caught a severe cold which developed into a serious case of catarrh. I felt weak and sick and could neither eat nor sleep well. "A member of our club, who had been cured of catarrh through the use of Peruna, advised me to try it and I did so at once. "I expected help, but nothing like the wonderful change for the better I observed almost as soon as I started taking it. "In three days I felt much better, and within a week I was well. "I continued taking the entire bottle

and within two weeks I was in fine health." "Peruna is a wonderful medicine." Mr. Lee King, R. F. D. No. 4, Farmersville, Tex., writes. "My health has been better generally this spring and summer than it has been for four years and I have worked nearly every day. "I suffered with dysentery and bowel trouble. "Your remedy also cured my wife of constipation. "I wish you continued success with your great medicine, Peruna."

A Lancashire vicar was asked by the choir to call upon old Betty, who was deaf, but who insisted in joining in the solo of the anthem, and to ask her only to sing in the hymns. He shouted into her ear, "Betty, I've been requested to speak to you about your singing!" At last she caught the word "singing" and replied: "Not to me be the praise, sir. It's a 'gift.'"

"Do you think that music is of any practical benefit?" "Well," replied the cynic, "judging from the photographs of eminent violinists, it must keep the hair from falling out." Muggs—"My father lived in the same house for fifteen years." Buggs—"Didn't he get any time allowance for good behavior?"
