SKIN ERUPTIONS AND PIMPLES.

Disappear Under a Treatment With Dr. Williams' Pink Pills.

There can be health and vigor only when the blood is rich and red. There are thousands of young men just approaching manhood who need the rich, red blood that only Dr. Williams' Pink Pills can make. They have no energy, tire out at the least exertion, and who feel by the time they have done their day's work, as though the day was a week long. In some cases there is a further sign of danger in the pimples and disfiguring eruptions which break out on the face. These are certain signs that the blood is out of order and that a complete breakdown may result. In this emergency Dr. Williams' Pink Pills is the medicine these young men should take. These pills actually make rich, red blood. They clear the skin of pimples and eruptions and bring health, strength and energy.

Here is the experience of Adolphe Roland, of St. Jerome, Que., a young man 19 years of age, who says: "For more than a year I suffered from general weakness, and I gradually grew so weak that I was forced to abandon my work as a clerk. My appetite failed me, I had occasional violent headaches and I began to suffer from indigestion. I was failing so rapidly that I began to fear that consumption was fastening itself upon me. Our family doctor treated me but I did not gain under his care. I was in a very discouraging state when a friend from Montreal came to see me. He strongly advised me to try Dr. Williams' Pink Pills. I did so and inside of three weeks I began to feel better, my appetite began to improve and I seemed to have a feeling of new courage. I continued the pills till I had taken ten boxes and I am now enjoying the best health I ever had. My cure surprised many of my friends who began to regard me as incurable and I strongly advise other young men who are weak to follow my example and give Dr. Williams' Pink Pills a fair trial. Bad blood is the cause of all common diseases like anaemia, headaches, neuralgia, rheumatism, sciatica, indigestion, all nervous troubles, general weakness and the special ailments that only women folk know. Dr. Williams' Pink Pills are the one cure, because they go right to the root of the trouble in the blood. They change the bad blood into good blood, and thus bring health, strength and energy. You can get these pills from any medicine dealer, or by mail at 50c a box, or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

HAPPY WOMEN PRAISE PE-RU-NA.

It Is Works, Not Words, That Has Made Pe-ru-na Famous Throughout The Land.

The miss and the matron alike praise Peruna. Girls and women have all discovered the value of Peruna. The Miss and the Mrs. have been ill, each in her own peculiar way, and have found relief by taking Peruna.

Fair girls and beautiful women, frail daughters and ailing mothers everywhere have taken Peruna and know its value in the relief of ailments peculiar to their sex. From the grandmother to the girl babe the gentler sex are under numerous obligations to Peruna.

All this being true and the woman does not hesitate to tell it, her words win the confidence of other women, and thus the fame of Peruna spreads from household to household until millions of homes acknowledge Peruna as their favorite and reliable family medicine.

Peruna is good for many minor ills. It can be relied upon to mitigate the many disagreeable effects of colds and irregularities so common among women. All the ailments of a catarrhal nature belong within the scope of Peruna's remedial action.

MRS. FRED WEBBER

MISS OLIVINE PERRAULT

Internal Catarrh.

Mrs. Fred Webber, 19 Wellington St., Brantford, Ont., Second Vice President Woman's Industrial League, writes:

"Last fall I caught a severe cold, which caused inflammation of the internal organs. I suffered excruciating pains and kept getting worse and worse until I gave up all hope.

"My attention was called to the wonderful cures produced by Peruna, and I made up my mind to try it for two months and see what it would do for me.

"Within one month I felt much better and at the close of the second I was like a new woman. I kept improving and finally was fully restored. I have advised many of my friends to try it, and all are pleased with the results."

Head, Stomach, Lungs.

Miss Olivine Perrault, 335 Davidson street, Boulevard St. Paul, Montreal, Can., writes:

"I write you a word to congratulate you on your famous remedy, Peruna. I tried other remedies, but my cold did not get any better, and I feared I was becoming consumptive.

"The condition of my head and stomach was very annoying. I had coughed day and night for three months, as the result of a cold which I had contracted from sudden change of temperature.

"My brother advised me to try Peruna, and I did so, for he was cured by Peruna. I took it regularly and improved steadily. I have now taken three bottles of it and am completely cured."

To Suffering Women.

"I feel it my duty to write and tell you of the good Peruna has done me.

"I was subject to internal weakness. For six years I suffered more or less.

"We consulted various doctors, who gave me relief, but no cure. I have suffered a great deal, and my husband had very large bills to pay.

"In my despair I decided to try Peruna, and the first bottle taken according to your directions gave me relief. I have had no backset since then.

"Since we have used Peruna, a doctor has seldom been in our house. It would take a book if I were to tell all the good Peruna has done in our family.

"Please accept my most sincere thanks.

"I have often recommended your medicine with good results, and if any suffering woman wishes to write to me or to call on me, I will give her my in-

formation in regard to Peruna at any time."—Mrs. Martha Friedrich, Central Park, L. I., N. Y.

One Woman's Experience.

"I was troubled with very serious internal weakness, which exhausted me so that I feared I would lose my mind. I suffered agony with my back, the pain extending down my left leg. The pain was so severe that I would have welcomed death as a relief.

"Peruna cured me of this trouble—no wonder I recommend it so highly. It will soon be two years since I found relief from the pain, and not a sign of it has returned.

"I am glad that there is a way in which I can speak of this, as many a sufferer may read my testimonial, and not only read, but believe."—Mrs. William Henderson, Craik, N. W. T., Canada.
