

Intelligent Economy

Is the getting of value—real value. Not simply what looks like value on the surface. Many men judge clothes by their first appearance—by the outside—but men who know how to get the best value inquire as to the hidden parts—the interlinings and inside workmanship. This is where the Campbell Clothing comes in. It is Intelligent Economy for you to buy such clothes.

The Market.

What the farmers have been looking for in the way of a rise in the price of potatoes has at last come and this week should witness some lively hauling to market. The demand seems to be all that could be desired and the prospect seems brighter for sustained prices. Besides the Toronto and Montreal markets considerable shipments have also been made to St. John and to American markets.

In hay there seems to be less doing than for sometime past and it takes a good quality to bring \$10. There are large quantities of it yet to come in.

Oats are steady with fair demand.

On Monday at the principle points of shipment prices were quoted thus:

Hay.....	\$8 00 to \$10.00
Oats.....	.40 to .42
Potatoes.....	1.45 to 1.55
Dressed beef.....	.06 to .07
Dressed pork.....	.07 to .08
Eggs.....	.22 to .24
Butter.....	.21 to .23

Mayor Jones Renominated.

In a large and earnest caucus of Republican voters Thursday evening, the nomination of Arnold H. Jones for mayor of Rockland for a second term was made unanimously. The Republicans and the citizens of Rockland appreciate the fact that Mr. Jones has discharged the duties of his office, under peculiarly difficult and vexatious conditions, with uniform courtesy, honesty of purpose and ability. We know of now man whatever his politics, who will decline to accord to Mr. Jones this just meed of praise. Every prediction that was made of him a year ago in these directions has been abundantly verified. He was elected then, in the face of an entrenched and confident Democracy, and what was then done can be repeated this year, we believe, with even increased emphasis. The Republicans of Rockland are united and determined. They will, we are confident, give a good endorsement of Mr. Jones's first administration. —Rockland Courier-Gazette.

Mr. Jones is a native of Woodstock, and a brother of Mr. R. B. Jones. As a boy he served his time in the office of the Carleton Sentinel here and afterwards worked in the St. Croix Courier office in St. Stephen. He is now proprietor of the Rockland, Me., Gazette.

The Case of Richard Gray.

Concealed under an old log about one and a half miles distant from the Gray homestead in Upper Knoxford the body of the infant that Richard Gray is accused of murdering was on Thursday found by Leonard Wolverton and Wilmot Lawrence. An inquest was immediately held by Coroner (Dr.) Cummins and the verdict was that the child met its death from wilful and malicious exposure at the hands of Richard Gray, its father. Today before Police Magistrate Dibblee the preliminary examination will be resumed.

Basket ball bids fair to become a popular game in Woodstock. Already there are several teams organized and getting in practice in the armory. On Wednesday evening last a game was played between the High School team and the Has Beens which resulted in a victory for the former, by a score of 31 to 6. Following was the line up:

HIGH SCHOOL.	HAS BEENS.

Church News.

The Rev. J. H. A. Anderson, of Florenceville, preached two able sermons in St. Paul's church on Sunday last. In the evening his discourse was on Purity in Elections.

The Rev. Thomas Pierce, of Florenceville, preached in the Methodist church on Sunday.

Work on the interior of the new Methodist church is nearing completion. Already the plastering on the main auditorium is finished and the sheathing on the ceiling is almost all on. About five weeks more and the church will be ready for the pews.

The Rev. Messrs. Keirstead, Ireland and Fulton preached at outside stations on Sunday last, taking the services of the clergymen who preached in Woodstock, according to the schedule of the Reform Association.

The Bishop of Fredericton visited Woodstock on Sunday last and preached in St. Luke's church on the subject of the forthcoming Pan-Anglican Congress. Briefly explaining the objects and purposes of the congress, the bishop pointed out that each diocese of the Anglican Dominion throughout the world would be represented and thought its bishops would present a special thank-offering to be laid upon the altar in St. Paul's Cathedral. This diocese was called upon to raise \$20,000 which would be used as an endowment to provide the salary of a special missionary whose duty it would be to serve vacant missions in the diocese and thus keep in touch with, and supply the people who had not regular pastors, with the offices and sacraments of the church. The bishop also spoke emphatically upon the duty and privilege of all christian people in supporting missions. In the afternoon His Lordship addressed the children at a service in St. Lukes. After this he drove to Richmond where he spoke on the subject of the Congress. He returned to Woodstock yesterday and left by the Gibson train for Fredericton.

REV. MR. FREEMAN, Centreville, and Rev. Dr. Keirstead, Woodstock, exchanged pulpits on Sunday.

The Rev. Mr. Bedell, late of Andover, preached in St. Luke's Church on Sunday evening to a large congregation. Mr. Bedell will leave for the west shortly.

Church Vandalism.

Under date of Feb. 20th a Hartland correspondent writes to the St. John Sun as follows:

For some time past there has been considerable trouble in connection with the United Baptist church at Upper Brighton, a few miles above the village.

Rev. Mr. Anderson of Florenceville, a Presbyterian minister, has been holding services in the church, but was requested to discontinue his services by Rev. Mr. Baker, the resident Baptist minister.

Some of Mr. Anderson's friends resented this, and the church has been broken up on several occasions and the stoves and other property destroyed.

On or about Thursday night the church was again broken into, and on Monday while several members of the church were repairing the damages, Carey Rideout, a well known resident of that locality and a strong supporter of Mr. Anderson, entered the church, tore down the blinds and carried them away. Information was laid against Rideout and he was brought up today before Justice Barnett charged with the above offense.

Several witnesses testified to seeing Mr. Rideout in the vicinity of the church on the night in question, and two others testified that he had threatened to burn the church if Mr. Anderson were not allowed to preach therein. The magistrate did not consider this evidence sufficiently strong, however, and dismissed that branch of the case, the defendant to replace the blinds in the church and to pay the costs.

[In addition to the depredations above mentioned it is said the church has again been entered and greater damage done.]

BABY'S OWN TABLETS

SAVE A LITTLE LIFE

Mrs. T. Osborn, Norton Mills, Vt., writes: "I do not think enough can be said in praise of Baby's Own Tablets. I am satisfied that our baby would not have been alive to-day if it had not been for the Tablets as he was so weak and sick that he took no notice of anything. In this condition I gave the Tablets and they have made him a bright-eyed, laughing baby, the pride of our home. He is one year old, has nine teeth, and is now as well as any baby can be. He sits and plays nearly all the time and lets me do my work without worry. I would say to all mothers who have sick babies give them Baby's Own Tablets as I did mine, and you will have healthy, happy babies." The tablets will cure all minor ailments of little ones and are absolutely safe. Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
