T. H. Barker, Listerville, has been visit-

BRIGHT EYES,
ROSY CHEEKS.

Every Girl Can Have Them by Keeping Her Blood Rich and Red With Dr. Williams' Pink Pills.

In the early days of her womanhood every girl—no matter what her station in life—should be bright, active, cheerful and happy. Her steps should be light, her eye bright and her cheeks rosy with the glow of health. But the reverse is the condition of thousands of young girls throughout Canada. They drag along, always tired, suffer from headaches, breathless and with palpitating heart after slight exercise, so that merely to go up stairs is exhausting. This is the condition doctors call anaemia, which means weak watery blood. In this condition Dr. Williams' Pink Pills is the only safe and reliable medicine. These pills actually make the new, rich, red blood which can alone give health and strength, and thus make weak, listless, pale faced girls bright, active and strong. Miss Albina St. Andre, Joliette, Que., says:—"I am more grateful than I can say for the benefit I have found in the use of Dr. Williams' Pink Pills. I was weak, run down and very miserable. I suffered from severe pains in my back and chest; had a bad cough; no appetite and would lay awake most of the night, and what sleep I did get did not refresh me. I tried several remedies, but they did not help me, and I, as well as my friends, feared I was going into a decline. At this stage a friend who came to see me strongly urged me to try Dr. Williams' Pink Pills, and providentially I acted upon the advice. After using a few boxes my appetite improved and I began to sleep much better at night. This greatly cheered me and I continued taking the pills for some time longer, when the change in my condition was really marvellous. I was feeling as well as I ever had been. I could sleep soundly at night; the pains and cough had disappeared and I felt an altogether different girl. I am so grateful for what Dr. Williams' Pink Pills have done for me that I cheerfully give you permission to publish this in the hope that it may point the way to health to some other weak and despondent girl."

Dr. Williams' Pink Pills are good for all diseases due to weak, watery blood. That is why this medicine cures rheumatism, indigestion, neuralgia, St. Vitus dance, partial paralysis, and the sideaches, backaches and headaches caused by the troubles women alone suffer from. You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

ing relatives and friends here this week.

Miss Alice Phillips of this place is spending a few days at Edmundston, N. B., with relatives and friends.

Ward B. Jones.

At Knoxford, Carleton County, N. B., Ward B. Jones, eldest son of Mr. and Mrs. T. Almond Jones, passed peacefully away on Saturday, Feb. 29th, after a long illness. Although he had been sick for over a year, still his death was sudden. He was a bright young man and was popular with all who knew him, and the news of his death will be heard with regret by many. He is survived by his father and mother and four brothers. All unite in deepest sympathy with the bereaved family.

The funeral service was held on Monday afternoon in the Knoxford church where the service was conducted by Lic. P. L. Cosman assisted by Rev. H. A. Bonnell. (Fredericton papers please copy.)

Notice of Tenders.

Tenders for the position of Superintendent of Water Works, Sewers, Caretaker of the Steam Fire Engine, and Fire Alarm, and Commissioner of Streets, will be received at the office of the undersigned up to six p. m. on Thursday, the Nineteenth instant. Such tenders to state salary required for the performance of the services. All tenders shall be made to perform all the work that may be necessary to be performed in connection with any and all the services so far as the same can be performed outside of the machinery; and each tender shall state specifically what duties he tenders to perform, if other than to devote his whole time to the services of the town. Any person tendering will be required to enter into a contract to perform all the duties and requirements in connection with the said services except the work of digging up services and mains in the sewer and water departments and shall agree to be under the control and direction of the Chairmen of the different departments. The lowest or any tender not necessarily accepted.

Dated this 7th day of March, A. D. 1908.

By order of the Town Council,

J. C. HARTLEY, Town Clerk.

"Every One
Thought
I Had
Consumption."

Pe-ru-na
Saved Me."

"I THANK
DR. HARTMAN
FOR PE-RU-NA."

MRS. MOIS PARIZEAU.

"I hardly know how to thank you for the good Peruna has done me.

"I suffered five years with pain in the stomach. About a year ago it became so bad I could hardly bear it. I coughed day and night and grew weaker and weaker. The pain extended through my body and I also had difficulty in breathing, which made me cough. Everyone thought I had consumption.

"My husband heard of Peruna and bought five bottles. This treatment virtually cured me and now I recommend Peruna to every one who is suffering.

"I thank Dr. Hartman for this excellent remedy."

Ste. Julie de Vercheres, P. Q., Canada.

—Mrs. Mois Parizeau.

A NEGLECTED cold is generally the first cause of catarrh.

Women are especially liable to colds. These colds occur more frequently during the wet, sloppy weather of winter and spring than any other time of the year. Often they are not considered serious and are allowed to run on, or they are treated in such a way as to only palliate the symptoms, while the cold becomes more deep-seated and the patient finally awakens to the fact that she has a well-developed case of catarrh.

By reason of their delicate structure, the lungs are frequently the seat of a cold, especially if there is the slightest weakness of these organs. The treatment of catarrh of the lungs is also more difficult and discouraging than catarrh of any other organ of the body. It would be wise therefore, to guard against it by every precaution possible.

Peruna has been found the most reliable of all remedies for coughs, colds and catarrh, by reason of the fact that it goes at once to the very seat of the trouble.

It searches out every crevice, every duct of the body. It quickens and equalizes the circulation of the blood, thus relieving the congested mucous membranes. It exercises a healing and soothing effect upon the mucous membranes, no matter whether they are the more exposed membranes of the head and throat, or whether they line the remotest cells of the lungs.

Mrs. Jaschob, 1631 Hicks St., Toledo, Ohio, writes:

"When I wrote to you for advice, I had been sick for three years. I had trouble with my throat. Often I could not breathe through my nose. I also had pains in my chest and a cough. I took Peruna according to directions and it has cured me."
