Is that J. W. Astle's?

I want some insurance, and everybody says you have the best, that your companies are the oldest and strongest, and never dispute their claims.

It most certainly pays to have the best.

Butter Parchment For Sale at The Dispatch Office.

EARLY MORNING BLAZE.

The Lynch Building Badly Guttled By Fire. Damage To Stock By Fire And Water Heavy.

An alarm was sent in shortly after midnight on Monday morning for a fire in the Lynch building. The fire started in the sample room in the rear of the store occupied by H. V. Mooers Co., and quickly spread through the upper part of the building.

The fire companies were quickly on the scene and in a short time had several streams of water pouring on the flames. There was very little wind, and with a good pressure the flames were confined to the upper part of the building. In a little over an hour the fire was entirely subdued.

The damage by water, especially in the bookstore occupied by W. H. Everett, will be heavy. The stock of the H. V. Mooers Co., none of which was removed, was badly damaged by fire and water. Part of C. B. Snows stock was removed in a damaged condition. Harry Faulkner removed most of his stock of tinware and any damage sustained by him is probably covered by insurance. The building is owned by J. N. W. Winslow.

G. H. Harrison carried the insurance on the building, \$4000, in the Northren, British America and Guardian.

The H. V. Mooers Co., \$1000 in the Montreal Canada.

W. H. Everett \$1200 in the Quebec and \$1000 in the Canadian.

C. B. Snow \$1950 on stock and fixtures, in the Sun and New York Underwriters.

H. Faulkner \$500 on stock in the Hartford.

The C. P. R. Dining Rooms.

It is generally believed that the C. P. R. has completed arrangements for railway dining rooms with George O. Brittain, proprietor of the Commercial hotel at Hartland. After the summer change of time the dining rooms at Newburg Jct., will be isolated by reason of the change in the track.

At the present time the Commercial hotel above mentioned has its dining rooms and kitchen in the second storey of the building. It is intended in the near future to utilize a portion of the ground floor for these apartments. A piazza and entrance will be constructed on the west side, facing the railway track.

Hartland people consider that they will receive an increase in business by having the express, with its hundred or more passengers, stop there for a period long enough to permit those who do not care for dinner to stroll about the town, and, perchance, spend some money.

A Progressive Firm.

The old established firm of Fewer Bros. are now better able than ever to cater to the wants of their numerous customers in Woodstock and Carleton county. They have just received a carload of goods consisting of all the most up-to-date lines of Closets, Bath-tubs and Lavatories. Nickel and Brass goods in Glass Towel Racks, Sponge Holders, Soap Holders and Bath Sprays. Persons in need of anything in this line should give them a call and look over their elegant line of goods. In addition to these they are well stocked up with all kinds of Iron and Galvanized Pipe, Sinks, etc. Their place of business is on King Street.

Millinery.

John McIntosh's well known store at Glassville, has opened a Millinery and Fancy Goods Department under the management of Miss Maude McIntosh.

We have a full line of trimmed and un-trimmed hats in the season's latest styles—no old stock.

Call and see for yourselves.—3i.

The Markets.

The prices of potatoes in the American markets have advanced and New York advises state that prices are higher all along the line. Buyers from Aroostook county have come to Carleton county and the competition has brought the price to \$1.35 and \$1.45 per barrel.

Other lines are dull. Prices quoted as follows:

Hay, pressed.....	\$7.00 to \$8.00
Oats.....	.45 to .48
Potatoes.....	1.35 to 1.45
Butter.....	.23 to .25
Eggs.....	.14 to .16

Death of Fred Laforest.

Fred Laforest, barrister, of Edmundston, died there at three o'clock Monday morning of consumption. He has been ill for over a year, and leaves a widow and four children—one girl and three boys—the youngest of whom is five years old. Mr. Laforest was born at Fredericton, June 6, 1864, and was educated at St. Joseph's College, Memramcook, and St. Louis College. In 1892 he married Miss Olive Moreau. Mr. Laforest was the liberal party candidate against Hon. John Costigan in 1896, and was defeated. In 1899 he was elected to the provincial legislature for Madawaska, but was defeated when he offered again in 1903. In the Parliamentary Companion of 1905 Mr. Laforest described himself as a "Disgusted Liberal."

BABY'S TEETHING TIME IS A TROUBLOUS TIME.

When baby is teething the whole household is upset. The tender little gums are inflamed and swollen; the poor little child suffers and often cries day and night, wearing the mother out and keeping the rest of the family on the edge. In the homes where Baby's Own Tablets are used there is no such worry. The Tablets allay the inflammation, soothe the irritation and bring the teeth through painlessly. Mrs. S. Williams, St. Joseph, Ont., says: "My first baby suffered terribly when cutting her teeth and the doctor could do nothing for her. I got a box of Baby's Own Tablets and they did her so much good that I cannot say enough in their favor. You may be sure that I always keep the Tablets in the house now." Sold by all medicine dealers or by mail at 25c. per box from The Dr. Williams' Medicine Co., Brockville, Ont.

Passing The Word.

The many friends of Comedian George F. Hall are already passing the word around to meet Saturday evening at the Opera House for another good and hearty laugh. This annual inoculation of fun virus by Dr. Hall has driven the blues from many sufferers, and Saturday night's prescription "Hello Bill" is more than adapted to reach the same spot. The music in the production will please you and the comedy will make you laugh. Mr. Hall is a comedian with a reputation and there is no experimenting with fun streaks—they come naturally without effort. Other members in the cast are George Jacobes, Harry Gordon, Harold Dunn, Thomas Dunn, Ethel Nason, Mera Meredith, Mimmie Connor, Adeal Sinton, and the Bostonian Trio in loves tug of war.

Self-Denial Week.

Time is swiftly going by and with it its great opportunities of either making the world better or worse. It is the desire of the Salvation Army officers and soldiers as well to bring again before the minds of the public that their annual Self Denial Week is approaching, and will this year go into effect the week beginning May 2nd. Will you help? Remember the great work the Army is doing and also the great need thereof. The churches are doing a great work also, but it has been acknowledged by them that they cannot reach the fallen masses which God has raised up the Army to accomplish. And, on the other hand, it cannot be denied but that the Army is doing this faithfully and earnestly in every particular in bringing the lost to the full knowledge and understanding of the world's Saviour.

But in order to carry on this great and very important work we wish to impress it deeply upon the minds of our readers that we need your financial assistance. It cannot be carried on without money. You have done nobly in the past for which we thank you a thousand times, and we feel sure that while we are sitting down writing this very important letter to you that you already have made up your mind to do so again. The officers, Ensign Martin and Captain Porter, and soldiers as well are now preparing to call upon you in a few days, and no matter how great or small your donations may be they will be thankfully received.—Com.

MRS. WILLIAM HAMILTON, of Woodstock, underwent an operation in the Carleton County Hospital, on Wednesday last. She is doing as well as could be expected.

Military Notes.

Surgeon Capt. T. W. Griffin, 67th. Regt. has received instructions from headquarters to deliver a series of lectures on camp sanitation between now and the opening of the great camp to be held on the Plains of Abraham from July 19th to 29th. The first of these interesting lectures will take place the first Friday night in May, in the lecture room of the Armoury, and must be attended by all of the officers the different corps in and about Woodstock.

Plans for the assembling of the greatest Army of Canadian troops ever known in the history of Canada are now rapidly maturing. The managers of the different railways leading into Quebec and the headquarters Staff will have a final meeting this week when it is hoped all matters regarding transportation, which is a knotty problem when tens of thousands of soldiers and civilians are looking towards the ancient capital, will be finally settled. The Dept. however has decided to call out 27,000 men, to be composed of the entire strength of the city corps and half of the rural. It remains with the rank and file of the city corps however if they go full strength or half. They have the option of going half strength and drawing nine days pay on full strength and dividing the money with their companies. It is naturally supposed the latter course will be adopted. In the rural corps all qualified officers, a band of 20 pieces and the half of the rank and file will be allowed to go. The local officers state that in spite of the busy season there will be no trouble in getting double the number of "old hands," which regulations calls for to go under canvas on this historic piece of ground. Drill commenced in the Armoury for members of "A" Co. Monday night and will commence shortly for "D" Co. and the 10th. Battery, who naturally, all wish to make a good impression before His Royal Highness the Prince of Wales. A pleasing feature of the camp will be the great number of bandmen present totalling, if the percentage go as spoken of at present, over 2,500 men. As all the big war ships carry splendid bands, and there will be over twenty there, lovers of good music should not leave old Quebec with their particular taste ungratified.

TO PREVENT A NERVOUS BREAKDOWN

Take Dr. Williams' Pink Pills When the First Symptoms Are Noticed and Save Yourself Much Suffering.

Are you troubled with pallor, loss of spirits, waves of heat passing over the body, shortness of breath after slight exertion, a peculiar skipping of the heart beat, poor digestion, cold hands or feet, or a feeling of weight and fulness? Do not make the mistake of thinking that these are diseases in themselves and be satisfied with relief for the time being.

This is the way that the nerves give warning that they are breaking down. It means that the blood has become impure and thin and cannot carry enough nourishment to the nerves to keep them healthy and able to do their work.

There is only one way to prevent the final breakdown of the nerves and the more serious diseases which follow. The blood must be made rich, red and pure, and Dr. Williams' Pink Pills is the only medicine that can do this promptly and effectively. Every dose of this medicine helps make new blood and strengthens the weak or worn-out nerves.

Mrs. David J. Tapley, Fredericton, N. B., was cured by Dr. Williams' Pink Pills after suffering from nervous breakdown, which resulted in partial paralysis of the face. She says: "The trouble came on quite gradually, and at the outset I did not pay much attention to it. Then it grew more serious, and there was a general breakdown of the nerves, which was followed by partial paralysis of the face, one side being completely drawn out of shape. I was under a doctor's care for a couple of months, and one treatment after another was tried without benefit. By this time I was confined to my room, and the doctor told me he could not cure me. Almost in despair I was persuaded to try Dr. Williams' Pink Pills. The improvement was slow, but the building up of a run down nervous system naturally is slow. Slowly but surely this medicine did its work, and after a time I was able to again come down stairs. From that on the improvement was much more rapid and now I am as well as ever. I was in my life. My friends look upon my cure as almost miraculous. Dr. Williams' Pink Pills did for me what the best medical treatment failed to do—they brought me back good health.

It is the blood building, nerve restoring power in Dr. Williams' Pink Pills that enable them to cure such troubles as anaemia, rheumatism, the after effects of la grippe, indigestion, neuralgia, St. Vitus dance, partial paralysis and the secret ailments of girlhood and womanhood. Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

Fourteen California Oranges for 25c at H. G. NOBLE'S Grocery.
