A MEDICINE FOR SPRING

DO NOT DOSE WITH PURGATIVES A Tonic is All People Need.

Not exactly sick—but not feeling quite well. That's the way most people feel in the Spring. Easily tired, appetite variable, sometimes headaches and a feeling of depression. Perhaps pimples or eruption appear, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order; that the in-door life of winter has left its mark upon you and may easily develop into more serious trouble. Don't dose yourself as many people foolishly do with purgatives in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. What you need in spring is a tonic medicine that will make new, rich blood, build up the weakened nerves, and thus give you new health and strength. Dr. Williams' Pink Pills is the one medicine that can do this speedily safely and surely. Every dose of this medicine makes new, rich, red blood, strengthens the appetite, clears the skin, and makes tired depressed men and women, bright, active and strong. Mr. Harry Huggins, Oshawa, Ont., says:—I don't think there is anything equal to Dr. Williams' Pink Pills as a cure for nervousness, indigestion and a run down condition of the blood. For some time I was a great sufferer from these troubles. I tried several remedies but nothing helped me until I began taking Dr. Williams' Pink Pills. Before taking them I felt like an old man, but by the time I had taken four boxes my strength had returned, my appetite improved, my nerves were steady and I was feeling a renewed man."

If you need a medicine this spring—and most people do—try Dr. Williams' Pink Pills and see how speedily they will make you feel like a new person. Sold by all the medicine dealers or by mail at 50 cents a box or six boxes for \$2.60 from The Dr. Williams' Medicine Co., Brockville, Ont.

To All the Women Who Suffer
Pe-ru-na Is Earnestly Commended

Mrs. Geo. C. Worstell, 11 River Road, Clarksburg, W. Va., writes:

"I trust that no one will think from this that I want my name in public for any cause only to let sufferers know where they may find relief from many ailments."

"I can truly say I have been much benefited by the use of Peruna. I feel better than I have for two years. It is the best medicine that I know for pelvic troubles."

"I have taken medicine from the doctors and found no relief; but when I began taking Peruna I could see that before I had finished taking the first bottle it was doing me good."

Cold Developed into Catarrh.

Mrs. N. P. Lawler, 423½ N. Broadway, Pittsburg, Kas., writes:

"Peruna is a sovereign remedy for catarrh. Last spring I caught a severe cold which developed into a serious case of catarrh. I felt weak and sick and could neither eat nor sleep well."

"A friend who had been cured of catarrh through the use of Peruna advised me to try it and I did so at once. I expected help, but nothing like the wonderful change for the better I observed almost as soon as I started taking it."

"In three days I felt much better and within a week I was well. I continued taking the entire bottle and within two weeks I was in fine health. Peruna is a wonderful medicine."

Catarrh of the Bowels.

Mrs. Maggie Durbin, 1332 North St., Little Rock, Ark., writes:

"I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels, and some said consumption of the bowels. One doctor said he could cure me; I took his medicine two months, but it did me no good. A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has cured me sound and well."

"If anyone wants to know what Peruna did for me if they will write to me I will answer promptly."

Pains in the Side.

Mrs. Julia Braxton, Apollo, Pa., writes:

"Peruna has cured me of heart trouble and pains in the side."

"A year ago I was expected to die at any time, and the doctor was sometimes called at two o'clock in the morning. But I am thankful to say that I do not now have to send for a doctor now."

"Since I have used your Peruna as you advised me, I am well and able to do all my housework."

"I have all the faith in the world in Peruna as it cured me and I know that it will cure others."

"I cannot praise Peruna enough for what it has done for me."

Stomach Trouble.

Miss Anna Carsten, Clayton, Ill., writes:

"Your Peruna did me so much good. I am feeling so well now and have no trouble with my stomach."

No more bloating of the abdomen. No more shortness of breath. No more stiff and sore joints. You have no idea what your treatment has done for me. It certainly has prolonged my life and made a new woman of me."
