

HARTLAND and VICINITY.

Hartland office in charge of Fred. H. Stevens, at EVERETT'S AGENCY, where orders for Advertising, Printing and Items for publication may be left.

Guy McCollum, sr., who submitted to a surgical operation by Dr. Curtis a few days is making splendid progress toward recovery. Albert Orser, jr., and family have returned from Boston and will spend the winter at the old homestead.

Albert Orser, Esq., and his good wife are spending the winter away out on the headwaters of the Miramichi. They are not living after the early pioneer's style, however, for they are stopping at Barter's hotel, a hostelry fitted up in first class manner for the sportsman's patronage, and are connected with the outside world by telephone.

THE DISPATCH, 2 cents a week, at Estey & Curtis' who sell all first class publications. Mrs. Thomas Boyd of Peel, N. B., returned home Saturday after a week's visit to her sons the Messrs. Boyd Brothers of Fort Fairfield.—Fort Fairfield Review.

Miss Annetta Bradley who was at her home in Williamstown for the vacation returned to her school at Indian Point on Monday, she was accompanied by Miss Margaret Roberts of Red Rapids, who was her guest during vacation.

Mrs. J. A. Nevers was quite seriously ill last week.

Miss Pearl Hamilton who has been in Woodstock for some time returned to Hartland last week.

Mrs. Scott Sipprell was very ill last week but is improving in health. Miss Bertie Sipprell is spending a few days with her.

S. S. Miller was in Florenceville on business on Friday.

People who have farms, horses, cattle, sleds, or anything else to sell can easily get in touch with a purchaser by placing a small advertisement in THE DISPATCH. Likewise those who wish to purchase may find just what they want by making their wants known through these columns. The rates are low in comparison to the many Carleton County homes in which THE DISPATCH is a weekly visitor.

Crows have not left us yet. Frequently reports of their being seen come in; and it is getting near to the time for their return for spring.

Miss Bertie Sipprell and Miss Winnie Nevers were in Woodstock last week.

On Wednesday the death occurred of Ralph Seeley who had been ill of cancer at the home of his sister, Mrs. John Sweeney, Lower Brighton. Deceased for some time lived in Hartland. He was 64 years of age and had never been married. Born at Lower Brighton he was one of a family of ten children of whom five are still living. They are Mrs. Sweeney, Mrs. Louisa Glass and Mrs. John Bradley of Hartland, Mrs. William Kimball of Lower Brighton and Mrs. Grass, of Fort Fairfield. Mrs. Franklyn Clark and Mrs. Dell E. Boone are nieces of the deceased. The funeral was held on Friday at the United Baptist church; sermon by Elder S. W. Bannison. The pall bearers were Daniel Noble, William McGee, Alvah and Wentworth Dow, all of Lower Brighton.

There is as yet no really good or safe crossing on the ice, although the day after it moved last week Dean Shaw, of Simonds, gave an exhibition of his prowess in crossing the jam at Hartland. It is said the chances are poor for making use of the river for travelling this winter. Wherever it has closed in the ice is so cross-piled that making a road will be practically impossible.

Garnett Birmingham of the Bank of Montreal began his two weeks vacation on Monday. He will be relieved by H. P. V. Dodwell who has been relieving Walter Sprague.

Mr. Sprague returned to work on Monday. Dr. Joseph McLeod of Fredericton spent Sunday with his daughter, Mrs. J. Fred Boyer, Victoria. Frank A. McCollom is now stationed with the Woodstock branch of the Bank of Montreal. He spent Sunday at his parents home at Upper Brighton.

Miss Alice Boyer of Victoria returned to Mount Allison last week.

Entries are being rapidly made for the Poultry Show to be given in the Forester's Hall next week—Jan. 23 and 24. G. E. Baxter, a well known poultryman of Andover will speak at the Farmer's meeting on Thursday.

There will be church of England service in the Forester's hall next Sunday at 10.30. Rev. H. Goring Alder will be the minister and Holy Communion will be celebrated.

H. H. Smalley made a business trip to St. John last week.

W. H. Horne of the London House Wholesale, and Jack Knight and J. K. Hamm, representing Vassie & Co., St. John, were at the Exchange last week.

Reed Chase has disposed of his goods and the store is being got ready for Miss MacMullin and her stock of fruit and confectionery.

It is reported that work is soon to begin on the new C. P. R. track which will be built to obviate the heavy grades just south of the village.

Among the host of commercial travellers recently registered at the Exchange Hotel are the names of W. T. McDonald, St. Stephen; Norman A. Leslie, Toronto; F. O. Creighton, St. John; R. N. Kelley, Halifax; Charles Rae, Quebec; George R. Earle, Montreal.

Word from E. Alexander, who went west in search of health, is to the effect that he is finding it in large quantities in Washington state, and that he has had to have what dressmakers call a "gore" put in his vest. Mr. Alexander expects soon to reach the limit of his peregrinations which is Southern California.

Wortman--Hovey.

On Wednesday morning, Jan. 8, at the home of her brother, G. P. Hovey, Centreville, Miss Janey M. Hovey, youngest daughter of the late Edmund L. Hovey, M. D., was united in marriage to Frederick S. Wortman, of Upper Kent, N. B., by the rector, the Rev. Walter P. Dunham.

The bride was married in a dress of brown taffeta silk and in going away wore a suit of brown broadcloth with hat to match.

After the ceremony the happy young couple amidst showers of good will, left the house to drive to Mars Hill, there to board the train for a tour through the New England States.

Their many friends of Centreville wish Mr. and Mrs. Wortman a pleasant trip and happy life-long honeymoon.

**\$25.00 FOR
A LETTER
Can You Write One?**

Eight Prizes to be Awarded in a Letter Writing Contest Open to Everyone in the Maritime Provinces.

Dr. Williams' Pink Pills for Pale People have been used in the Maritime Provinces for a generation. Hundreds of remarkable cures have been reported during that time and there is scarcely a family in which the remedy has not been tried with beneficial results. This furnishes the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

THE PRIZES.
The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 1st day of February, 1908 from the Maritime Provinces on the subject "Why I Recommended Dr. Williams' Pink Pills." A prize of \$10.00 will be rewarded for the second best letter received; a prize of \$5.00 for the third best letter; and five prizes of \$2.00 each for the next best five letters.

THE CONDITIONS.
The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter may be in the writer's own case, or one that has come under his or her personal observation.

More than one cure may be described in the letter, but every statement must be literally and absolutely true.

The letter should be no longer than necessary to relate the benefit obtained from the remedy in the case described.

Every letter must be signed by the full name and correct address of the person sending it. If it describes the cure of some person other than the writer of the letter, it must also be signed by the persons whose cure is described as a guarantee of the truth of the statements made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

The writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of award.

It is understood that The Dr. Williams' Medicine Co., shall have the right to publish any letter entered in this contest if they desire to do so.

The contest will close on Feb. 1st., 1908, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure write your letter NOW. Observe the above conditions carefully or your letter may be thrown out.

Address all letters as follows:
