THE UNITED BAPTIST CHURCH.

Will Be Dedicated On Sunday Next—An Up-to-date Building.

About one year ago, and shortly after the amalgamation of the two Baptist denominations, it became apparent to the Woodstock Baptists that if one of the churches were closed the other would have to be enlarged so as to accommodate the people. It was then decided to enlarge and rebuild the Main street church. The following were appointed a building committee: Dr. Baker, H. E. Burt and Benj. Clarke. Under their supervision the work has been pushed along steadily until now there stands a modern and thoroughly equipped church building.

The basement is large and roomy. The main school-room will seat 500 persons, and to the rear are several large and bright class rooms. In the front is the kitchen, and pantry. An up-to-date range has been put in and everything is handy and convenient. There are also several toilet rooms, sink for washing dishes, etc.

In the main auditorium upstairs, the seating capacity is 600 and with the overflow at the back of the building opened up there is seating room for 250 extra. The overflow is separated from the main auditorium by sliding doors, and can also be divided into three large classrooms. The pulpit and choir are in the south eastern side of the building, and to the left of the pulpit is the baptistry which is very tastefully arranged; the background is a landscape and waterfall and is very artistic. The pews are somewhat similar to those in the new Methodist church.

The steam heating apparatus was installed by C. I. Churchill and is considered a first class job.

The mason work on the foundation was done by Mr. Hagerman and the plastering by Wm. Steeves.

Mr. Langstroth, of Kings County, had charge of the carpenter work, and Frank Foster did the painting.

H. H. Mott, architect, of St. John, made the plans for building.

On Sunday next this handsome building will be dedicated. I. A. Corbett, a former pastor in Woodstock, Rev. Dr. McLeod, and Rev. J. H. McDonald, of Fredericton, and C. T. Phillips, of Jacksonville, are expected to be present and take part in the services. The Rev. Joseph Noble has been invited to take part in the morning service. There will be special music by the choir.

It is understood the repairs and alterations to the building will cost about \$17,000.

Mrs. Samuel Hallett.

On Wednesday afternoon, May 13th, the death occurred of Mrs. Samuel Hallett at her home a mile above Hartland village. On Monday she was stricken with paralysis, from which she had previously suffered, and she did not rally.

Mrs. Hallett was before marriage Elizabeth Rideout, daughter of Mr. and Mrs. Nathaniel Rideout, formerly of Somerville. Besides her husband three daughters are left to mourn. These are Mrs. T. E. Wright of Warden, B. C., Mrs. Elisha T. Shaw of North Cambridge, Mass., and Mrs. A. Roy Rigby of Hartland. Two brothers, Henry and David; two sister in Wisconsin and one in Boston are left of her father's family. Mrs. A. D. Kennedy of Hartland is a niece.

The funeral took place at the home on Friday afternoon and the remains were buried in the Primitive Baptist burying ground near by. Mrs. Hallett was 66 years of age.

Adelaide T. Bailey.

Miss Adelaide Thompson Bailey, daughter of the late William Sanford Bailey, died yesterday afternoon after an illness of three months which she bore with Christian fortitude. Miss Bailey was an active member of Trinity church where she taught a class in the Sunday school for forty years and which she only gave up when compelled to on account of her health. Having an amiable disposition and keen intelligence she endeared herself with all with whom she came in contact.

Miss Bailey leaves one sister, Mrs. Till, widow of William Till, formerly editor of the New Brunswicker; also several nephews and nieces here, in New York, Charlottetown and Woodstock.—St. John Times, May 16.

School Board.

There was a meeting of the school board at the office of the secretary on Thursday evening.

The resignations of Miss Wetmore of the Sloyd school and Miss Colter of the intermediate department were read; the secretary was requested to acknowledge the receipt of same and state that they were accepted with the regret of the board. Miss Colter will go to either St. John or Sackville.

All the lady teachers were given notice of the termination of contract, and the secretary will advertise for four primary teachers, eight intermediate, one high and one Sloyd teacher. The board has decided that only applications from those teachers, able to present a certificate of good health will be considered.

The chairman and secretary were appointed to make arrangements for the school closing exercises on Friday, June 26th.

Mayor Balmain was delegated to interview, while in Fredericton this week, the Board of Education in reference to certain matters that were discussed.

The attendance at the Broadway School for the month was good but it fell off somewhat at the college.

For Empire Day services on May 22nd, Chairman Belyea will give the address at the College School and Mayor Balmain will speak to the pupils of Broadway school.

Eastern Hotel Man Goes to Saskatoon.

C. C. Rogers, who formerly ran the Perth hotel, has gone to Saskatoon and the story of his buying a hotel is dramatic. The Saskatoon Capital says:—

Henry Wilson, of the King Edward hotel, was sitting in his office yesterday morning when C. C. Rogers walked up, unconcerned like, and said to him: "How about that deal? You put a price of \$75,000 on your house, and I'll take it." Not a word more, no suggestion of beating down the price, just a plain business-like offer. An adjournment was made until 3 o'clock, and at that time yesterday the King Edward hotel, lock, stock and barrel, changed hands.

When Mr. Rogers, however, returned at 3 o'clock in the afternoon, he was carrying a small grip out of it he produced in gold no less than twenty-three thousand dollars in American currency.

To the reporter Mr. Rogers expressed himself as very well pleased with his purchase. He had been in the hotel business right on the Maine-New Brunswick line for 26 years, and his family is down there now. However, Mrs. Rogers is with Mr. Rogers in town and their two sons, daughter and daughter-in-law are expected here as soon as the remaining business is closed out in Fort Fairfield.

Death of George Hendry.

George Hendry, who had been a sufferer from cancer for some time past, died on Friday evening, May 15th, at his daughter's home in Grafton, in the 71st year of his age. Deceased was a native of Cambridge, Queens Co., and was one of a family of nine children, six of whom are now living. He joined the Baptist church in his early home and was a member of the church here. He is survived by a widow and two daughters, Mrs. Chas. Hale, of Grafton, and Mrs. John Brooks, of Rosindale, Mass. The funeral took place on Sunday afternoon, the services being conducted by the Rev. Dr. Kierstead. The United Baptist male quartette sang at the service.

Mr. Hendry was for a time engineer at the pumping station here.

Gallagher Bros. New Building.

Gallagher Bros have commenced the erection of a three story brick building on the old stand in Wellington ward which will be used for their monument works, and a dwelling overhead. This fine building will be completed and occupied by Oct. 1st.

A temporary building has been placed on the Fawcett land, Main street, a short distance from the old stand. Here are in course of construction or already built some very handsome monuments. One of black granite is being erected by B. B. Manzer for his late wife; one for the wife of John Kennedy of Kirkland, erected by Mr. Kennedy. Richard Crabbe of Debec is having a black granite one for his son. There will be a fine monument now about completed placed in the Johnville cemetery for Mrs. John Bohon. Gabe Poitras is having a nice capped monument of blue marble built for his wife, which goes to Grand Falls cemetery. Another under construction is a nice red granite monument which also goes to Grand Falls. There were several others that are well worthy of mention, and a credit to the Woodstock Marble Works.

They have made my little one a healthy, fat and rosy child. I always keep a box of Tablets in my home." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Love and pathos intermingled with contagious humor, framed in a picture of rural simplicity, are the rudiments of success of "Along the Kennebec," the newest New England play which will be the attraction at the Opera House, One Night Only, Friday May 22nd. No play written on this popular theme has proven more successful and it bids fair to rival in popularity the most attractive plays of modern times. Special care has been taken securing the company and the scenic production is unsurpassed. The piece is full of good bright comedy and the funny duel scene causes screams of laughter. The company carry an unusually good band and orchestra this season. Parade about noon.
