AN interesting series of ads is appearing in this paper on behalf of the "Sunshine" Furnace, manufactured by McClary Mfg Co., London, Canada. Newspaper advertising is a part of the McClary publicity programme and works hand in hand with an extensive follow-up system. The series of ads were prepared by A. A. Briggs, advertising manager of the McClary Company, and placed by McConnell-Fergusson Advertising Agency, London.

A NEW BRUNSWICK boy who has jumped into prominence in the west is Dr. F. H. Wheeler, a native of Centreville, Carleton County, who practiced medicine on the West Side for a few years. Dr. Wheeler went west in 1905 and located at Moosejaw, and in November of 1907 was unanimously nominated to contest the new federal constituency of Moosejaw in the Conservative interest. An excellent photograph of him, accompanying an appreciative sketch, appeared in a recent issue of the Manitoba Free Press. Dr. Wheeler's wife was formerly Miss Lyde Moffatt, daughter of James Moffatt of Amherst. They have two children.

EASTER time at the Salvation Army in this town were times never to be forgotten. The corps were indeed highly honored by the presence of their honorable and beloved leader, Brigadier J. B. W. Turner, of St. John Headquarters, assisted by Adjutant Carter of the same city. The Brigadier was highly impressed with the rapid progress the Army is making here under the able leadership of Ensign Martin and Capt. Porter. Speaking from both spiritual and financial standpoint he said no Corps is equal to it in the Maritime Provinces. In regard to our Band the Brigadier said that for harmony and size it has made wonderful progress since last he heard it and the Citizens should be proud of it and give it its liberal support which he had no doubt they would. The Brigadier and Adjutant conducted some very powerful meetings while here, enrolled a large number of local officers and recruits on Sunday afternoon and also commissioned the Band and appointed a new Band master in the person of Tom Mooney, while Ex. Band master Nielson was appointed Band Secretary.—J. N.

MONEY LOST.

Easter Meeting.

The annual Easter meeting for the election of officers for St. Luke's church for the coming year was held in the Parish hall on Monday afternoon. The following were elected: Church Wardens,—J. T. A. Dibblee, F. Byron Bull.

Vestrymen,—Wm. Dibblee, Wm. Dickinson, Hon. W. P. Jones, Dr. A. H. Prescott, Chas. L. Perkins, Sterling Paabody, Arthur Raymond, A. F. Garden, R. N. Loane, Geo. F. Smith, T. C. L. Ketchum, C. J. Tabor. Delegates to Synod,—T. C. L. Ketchum, C. L. S. Raymond; Substitutes,—J. T. A. Dibblee, Chas. L. Perkins.

The following resolution was passed: Resolved, that we, the Corporation of Christ's Church wish to place on record the sense of the loss we have sustained in the recent death of J. Jarvis Bedell, Esquire. For many years Mr. Bedell was a member of the Vestry, and in that capacity was a useful and active worker, very constant in his attendance at the meetings, and deeply interested in all that concerned the welfare of the Church. Of late years (though of his own choice) he retired from the Vestry but undertook much necessary work that required time and energy, and he did all this work faithfully. An honest, upright, conscientious man, we deeply regret his taking away, and feel that a vacancy has thereby been created which it will be very hard to fill. And that a copy of this Resolution be sent to Mrs. Bedell.

Directions for Making Tea.

Warm the teapot (crockery is best.) Put in a teaspoonful of "Salada" Tea for every two cups. Pour on freshly boiled water and allow it to steep (not boil) from five to eight minutes. Pour the liquor off the leaves into another teapot and serve. When made in this way, if kept warm, "Salada" Tea will retain its delicious flavor for hours. On account of its delicious strength a pound of "Salada" will go as far as a pound and a quarter of other teas.

There's a good time coming. What? Watch the papers, and save your nickles, and get ready to enjoy it.
