Golf.

Fourteen members of the Woodstock Golf Club met their Waterloo in St. John on July 1st, being defeated by a score of 51 to 27. The weather was warm and fine, and with the exception of a few of the players some good scores were turned in. Some of the St. John Club's best players were unable to take part in the game owing to sickness and other engagements. The Woodstock gentlemen received the same cordial welcome and generous hospitality that they have always met with in their many visits to the winter port city.

A return match will be played here some time during September. Following is the result:

The Herbert H. Power Stock Co.

This company is recognized as one of the most popular of travelling companies now on the road, and their appearance in the new opera house on Monday and Tuesday evenings did not lessen the assurance as to the high opinion of their reputation which is held by the public. The play for this evening "Sunshine and Shadows" is a refined and excellent melodrama and calls for the exercise of more than ordinary talent. The prices of admission are 15, 25 and 35 cents. The company will play here for the balance of the week and will no doubt have a large patronage.

Quite a lively debate, including a passage at arms, was indulged in before the matter was finally left to the street committee.

Coun. Thorns said that the continued absence of Coun. Smith now legally unqualified him to sit again at the council board, and it was not fair to the other councillors that they should be called upon to assume responsibilities and duties which did not rightfully belong to them.

This seemed to be the general opinion of the council, and the clerk was asked to look the matter up and see what action should be taken to fill the vacancy.
