WOODSTOCK, N. B. JULY 8, 1908.

There is a great improvement going on in the appearance of the town, which will be more noticeable when all the work has been completed. The new brick block would be a credit to a much larger town, and besides this the improvements on different houses—a little here and there—helps to brighten the appearance of the place. Many have had their grounds beautified and C. E. Allen, S. Hayden Shaw, and others have put improvements on their houses. An extension has been added to the business establishment occupied by G. C. Watson, and A. W. Clark and son are building a new barn to be used for their livery stable with the intention of some time in the near future of using the ground floor for the purpose of a hotel. J. F. McElhinney is also beginning the erection of a new barn to accommodate the increasing trade of his hotel and stable.

There was church of England service in Hagerman & Baird's hall on Sunday evening. Rev. Mr. Bolt officiated and there was a fair-sized congregation. The next service will be held at 10.30 a. m. on Sunday, July 19th.

The latter party had been gone four days and caught over two hundred, some of them being sea trout weighing five pounds.

The sewer or drainage pipe that was built to carry water from Keswick's hill to the low water mark on the shore has been receiving a considerable extension by Dr. Curtis, J. F. Murdoch and H. N. Boyer. The main portion of the sewer was built out of county funds and the contract called for its extension to the lowest summer water. This was not done however and up until the present the sewer has emptied on the dry beach. The public has private individuals to thank for its extension.

W. B. Shaw, son of B. N. Shaw, of Lower Windsor, has returned from Red Deer, Alberta, where he has been on the staff of instructors in the Methodist Indian Industrial School at that place.

E. C. Alexander, who for more than twenty years has been C. P. R. agent at Hartland, and who spent the whole of last winter in California has decided to sell out his interests here, resign his situation, and early in the fall go to the Golden State to reside permanently. Mr. Alexander is so well known and has been a resident of the place for so many years that his departure will seem like the removal of a portion of the town. It is with sincerest regret that the many friends of Mr. Alexander and of his family will learn of his definite decision to move away.

Mr. Walter Allen of Cardigan, York Co., accompanied by his daughter, Mrs. Samuel Haines and granddaughter Annie Haines, of Scotch Settlement, was a visitor at the home of his son C. E. Allen last week.

W. W. Milville and George F. Burt, employees of the Crown Land Department, returned Saturday from an extended trip along the upper portions of the Tobique.

An entirely new building is being erected to accommodate the horses and carriages and the street floor of the main building will be utilized for offices, dining room and kitchen. The size of this building is 30 x 52 ft. and will afford accommodation for a large number of people. The portion now used for the kitchen and dining room will, after the alterations are completed, be used for bedrooms.

DOMINION DAY AT FLORENCEVILLE.

Lively Game between Hartland and Florenceville.

Among the visitors to the Band picnic at Florenceville on Wednesday was a driving party consisting of Misses Annie Davis, Janet McMullin, Inez Bradley, Helen Alexander and Messrs. Frank Aiton, Arthur Currie, Garnet Birmingham and Frank Day.

Among the Dominion Day sports at Florenceville was a sharp contest between the Florenceville and Hartland base ball teams. The score was 11 to 14 in favor of Hartland and the line up was as follows:

Florenceville		Hartland
C. W. Smith	r. f.	A. W. Kyle
H. Boyer	c. f.	W. B. Thistle
H. Jewett	3 b.	F. Goodwin
Bob White	1 b.	Montgomery
C. Hunter	s. s.	Harvey Reid
F. West	p.	H. M. Martell
Sciles	c.	Ernest Noddin
McIsaac	w. b.	Rob. Goodwin
R. Hunter	l. f.	Harry Gillin

A full nine innings game was played and the score by runs is as follows:

	1	2	3	4	5	6	7	8	9	Total
Hartland	1	0	7	2	2	0	1	0	1	—14
Florenceville	1	1	2	1	3	0	3	0	0	—11

The Florenceville battery were West and Stiles, that of Hartland Martell, Reid and Earn Noddin. A beautiful home run was scored by Martell who made the complete run of the bases and back to the plate before the opponents could find the ball which landed somewhere in the hay field. A home run was scored for Jewett of the Florenceville team but this time the ball was picked up by a spectator and juggled among the crowd before being thrown back to the diamond. In all other respects the game was considered a fair one. It was umpired by Rolland Semple and Garnett Birmingham. Fred Thornton was the score keeper. The Hartland team is loud in the praise of the generous reception, they having been treated with every kindness. Ice cream was served them by the ladies of the up river village.

WOMEN AND GIRLS
HELD BY ANAEMIA

Unless the Blood is Made Rich and Red Health Cannot be Restored.

Throughout Canada there are thousands of growing girls and women held in the deadly clutches of anaemia. Slowly but surely a deathly pallor settles on their cheeks; their eyes grow dull; their appetite fickle; their steps languid. Daily they are being robbed of all vitality and brightness. Their sufferings grow more acute if neglected, until the signs of early consumption become apparent. If your wife or daughter or sister complains of weakness pains in the side headaches or backaches; if her appetite and temper are uncertain and she is often low spirited anaemia has her in its deadly hold. What she needs is new, rich, red blood. Give her Dr. Williams' Pink Pills for Pale People without loss of time, for they actually make new, red blood. They make girls and women well and happy, impart an appetite and steadily bring back the charm and brightness of perfect, regular health.

Miss Carrie McGrath, 26 Fenwick St., Halifax, N. S., says:—"I believe Dr. Williams' Pink Pills saved my life. Three years ago I suffered from anaemia in a severe form. I was all run down and as pale as a sheet. I could scarcely eat anything, and what I did take did not seem to nourish me. My hands and feet were much swollen and the least exertion would leave me breathless and my heart beating violently. I seemed to have pains and aches all over. I was so weak. I could not even sweep a floor. At different times I was under the care of three doctors, but did not get any better. One doctor said I had dropsy and that my blood had all turned to water. My friends thought I was in a decline and that I had a short time to live. I was completely discouraged myself, when one day a lady friend called to see me, and told me Dr. Williams' Pink Pills had cured her daughter of anaemia and urged me to try them. I decided to try them, and in the course of a few weeks felt somewhat better. I met the doctor one day and he remarked how much better I was looking. I told him it was not his medicine but Dr. Williams' Pink Pills that were helping me, and he told me I had better keep on taking them. I continued to do so until I had taken another half dozen boxes, when my health was perfectly restored. I am more than grateful for what these pills have done for me and strongly recommend them to all weak girls."

Thousands of men and women, now well and strong, praise Dr. Williams' Pink Pills for having cured anaemia, general weakness, indigestion, rheumatism, neuralgia, nervous disorders, paralysis and the ailments of girlhood and womanhood. These Pills do this by making new, red blood which feeds the starved nerves, drives out disease and strengthens every organ in the body. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
