Florenceville vs. Hartland.

The Latter Wins a Ball Game 15 to 9.

On Tuesday of last week the Hartland Base Ball Team accepted a challenge from the Centreville team and were beaten badly as recorded on another page. Later a challenge was telephoned from Florenceville for Friday evening and the Hartland boys were not slow to accept. Their surprise was great, however, when at the appointed time the same team that beat them on Tuesday stepped on to the diamond. It was the Centreville team strengthened by three players from Florenceville.

Naturally the ardor of the Hartland boys was somewhat dampened by confronting their recent victors; however they did not show it and struck in to win. The game was warm and straight, too. A large number of spectators assembled whose lusty cheers no doubt strengthened the home team.

The line up follows:

Florenceville		Hartland	
F. West	Bat.	Montgomery	
R. White	p.	Martell	
M. White	c.	V. Noddin	
R. Hunter	s. s.	Sprague

R. Semple	s. b.	R. Goodwin

	1 2 3 4 5 6 7 8 9 Total		
Hartland	0 2 0 3 2 0 0 8		15

There were nine innings and Hartland had one to spare when the game was called off.

Garnett Birmingham was umpire and Fred Thornton was score keeper.

POOR BLOOD BRINGS MISERY

Pale Faces and Pinched Cheeks Show That Dr. Williams' Pink Pills are Needed.

Anaemia is written on the features of ninety women and girls out of every hundred. Unmistakable are the signs of "too little blood."

The weaker sex is assailed at all ages by the evils resulting from bloodlessness, from the girl who is weak and languid, with dull eyes, pale, pinched cheeks, fitful appetite and palpitating heart, to the woman who feels never well, with gnawing pains in the back, aching limbs and nervous headaches.

Dr. Williams' Pink Pills are specially valuable to women of all ages, for they possess the power of making in abundance the rich, red blood without which no woman can have perfect health. They fill the starved veins with new blood so that enfeebled bodies are strengthened, weak nervous systems are fortified and robust health restored.

Miss Rose D'Aragnon, Waterloo, Que., follows the profession of teaching, which brings more than ordinary strain to all those who follow this calling. Miss D'Aragnon says:—"It seemed as though I was gradually going into a decline. I lost all my strength, my appetite was very poor; I was pale and suffered from frequent headaches; I was often dizzy and the least exertion would leave me breathless. I doctored for a time but with little or no benefit. One day I read in the Waterloo Journal the particulars of a case similar to mine cured by Dr. Williams' Pink Pills and I determined to try them. In a few weeks there was a decided improvement in my condition, and by the time I had taken seven or eight boxes I was again in the best of health, and able to enjoy myself as well as any of my young friends."

Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
