J. K. Flemming, Prov. Sec. arrived home from Fredericton on Sunday. He is moving his family away from this place this week. There is genuine regret expressed by many of the people here because of their departure. During their stay here they have been actively engaged in the work of the Sabbath School and were always ready to help in every good cause. They will be greatly missed. On Sunday, May 28th, it being their last Sabbath here, a special programme was carried out by members of the Sunday School. A handsome picture was presented to Mrs. Flemming. A history of ten years work of the school prepared by one of the members, was read, which showed what an active part she had taken in the school during that period.

A large number of the members of Court Carleton No. 162 I. O. F. are anxiously awaiting the action of the Supreme Court which meets this month for the event of an increase in assessments. No doubt there will be a considerable number who will drop out of the order. Less than ten years ago the surplus did not reach three million, now it is upward of twelve millions and yet it is claimed that rates are not sufficient. It is to be hoped that no injustice will be done to those who have so long been paying with the idea in mind that they were getting a cheap insurance.

The property is situated about six miles from Woodstock by the highway, and about the same distance by railway, between Woodstock and Debec Junction. To reach it by road you drive three miles below the town until the mouth of the Hodgdon road meets you, then follow the Hodgdon road for three more miles. The property consists of 300 acres of land, divided into three farms two adjoining each other, on these two farms there are two dwelling houses, two stories each, two large barns, one a story and a half. These buildings are all practically new, and the last named is rented for six dollars a month. The third farm is about 160 rods from the first mentioned.

These farms are all in a good state of cultivation, 150 acres being under tillage and 150 in good wood land. Last year there was raised on this property 75 tons of hay, 1000 bushels of oats, and 600 bushels of potatoes. Besides the farms the property offered for sale consists of a valuable mill and mill privileges, which is directly across the road from the farms spoken of as adjoining each other. "HEADACHE, WEAKNESS, HEART TROUBLE"

"I Suffered With for Years--Pe-ru-na Cured Me Entirely."

Miss Albina Chauvin, No. 50 Rue Agnes, St. Henri, Montreal, Can., writes: "I consider Peruna better than any other remedy, as it cured me when nothing else could. I suffered for years and years with heart trouble, headache and weakness. I never expected to find anything to cure me. I saw one day, in 'La Presse,' that Peruna was excellent and I tried it. One bottle produced a change in me and if the price had been \$100 a bottle I would have paid it gladly. I have taken six bottles and am entirely cured. Please accept my thanks and best wishes for your Peruna."

"Please Accept My Thanks and Best Wishes For Your PE-RU-NA."

ALBINA CHAUVIN

Many cases of heart trouble are caused by reflex disturbances.

Derangements of the stomach and liver produce symptoms of heart trouble. Catarrh of the stomach is a very frequent cause of sympathetic heart disease.

Palpitation, shortness of breath and bloating after meals are the most prominent symptoms.

Such a condition of the stomach is also liable to produce headaches of the worst sort.

Medicines that palliate the symptoms will never lead to a cure.

It is the effect which Peruna has upon the stomach, healing the mucous membranes and restoring the natural function of the stomach, that causes Peruna to bring such prompt relief.
